Eden Foresees 'New Era' In East-West Relations...

HOPES OF BRITONS BOUYED

–Senate–

Talbott Ouster Asked

Morse Demands Why Is Ike Waiting?

WASHINGTON (AP)—A demand for the immediate ouster of Harold E. Talbott as secretary of the Air Force was voiced in the Senate Thursday by Sen. Morse (D-Ore), one of six senators who voted against Talbott's appointment in February, 1953.

"What is the President waiting for?" Morse asked.

Declaring Talbott's outside business activities constituted "a very serious case of malfeasance in government office," Morse said:

"If this administration thinks that it is going to get the American people to swallow this mess of corruption, it is going to find that the people are going to gag."

Morse spoke out after President Eisenhower told his news conference that he intended to read the full record of a Senate investigation and then decide personally whether Talbott, an old friend, had violated "a proper standard of ethics."

PAPERS DELIVERED

Transcripts of a Senate hearing on the outside business activities conducted by the Secretary of the Air Force Harold E. Talbott were delivered to the White House Thursday for President Eisenhower's personal perusal.

The President has said he will study the record in the case and that the final decision on whether Talbott will be ousted "is going to be handled by myself personally."

Asked Thursday whether an offer of resignation had been received at the White House from Talbott, presidential press secretary James C. Hagerty said: "No."

Another of Eisenhower's Air Force appointments ran into trouble when the Senate Armed Services Committee deferred action on the nomination of Dudley C. Sharp to be assistant secretary because Sharp said he wanted to retain his stock in an investment trust.

Sharp, a Houston business man and Republican finance chairman in Harris County, Tex., would be in charge of Air Force procurement if confirmed.

Not Hasty

Sen. McClellan (D-Ark), chairman of the Senate Investigations subcommittee which inquired into Talbott's activities as a partner in the New York management engineering firm of Paul B. Mulligan & Co., while serving as air secretary, said the group would not be hasty about reporting its finding on Talbott.

The subcommittee ended its publice hearings after Talbott had testified, "I now see that I was mistaken" in promoting the Mulligan firm's business from the Pentagon. Talbott said that effective Sunday he is relinquishing the Mulligan partnership, which paid him $132,032 in the 2½ years since he became civilian head of the Air Force.

The Weather

NEBRASKA: Generally fair southeast, partly cloudy elsewhere Friday with few widely scattered thunderstorms west, north late Friday. High 90-95 northwest, near 100 southeast.

KANSAS: Continued hot, humid Friday with few isolated thunderstorms west late Friday. High 90s west, near 100 elsewhere.

DR. ROLAND F. MUELLER . . . named to international group.

Dr. Mueller Is Named To Surgeon Group

Dr. Roland F. Mueller of Lincoln has been named to membership in the International Society of Surgery.

He is attending the 16th Congress of the society in Copenhagen, Denmark, this week.

Number of members from the United States is limited otabout 300. Thirty new U. S. members are being named this year.

Only two other Nebraskans, Dr. R. Russel Best and Dr. Herbert H. Davis, both of Omaha, are members.

Dr. Mueller is associate professor of surgery at Creighton University and attending surgeon at St. Elizabeth and Bryan Memorial Hospitals.

He has been chairman of the department of surgery at St. Elizabeth Hospital the past five years.

Dr. Mueller is a diplomat of the American Board of Surgery, a fellow of the American College of Surgeons and a member of the Central Surgical Assn. and AMA.

Hospital At Base Gets Ax

Funds Refused By Senate-House Conference

WASHINGTON — On - again, off - again plans for a hospital at the Lincoln Air Force Base appear to have been killed for now by a refusal of Congress to vote the necessary appropriation.

The Associated Press said the unofficial word from a Senate-House conference committee was that the request for $2,667,000 had been disapproved.

The House of Representatives, which originates money bills, had refused to appropriate the funds for the hospital. However, the money was added to the bill in the Senate on an amendment by Nebraska Sen. Carl Curtis.

However, the action by the conference committee, which irons out differences between Senate and House bills, apparently kills any hope for the funds during this session.

The Air Force originally submitted to Congress a request for funds for a hospital, but dropped the request after announcement of a plan for the Air Force to take over the Veterans Hospital.

Later, after a House committee refused to grant funds for remodeling the Veterans Hospital for Air Force use, the Air Force again asked for funds for a hospital on the base.

The House action in refusing funds for remodeling the present Veterans structure followed strong protests from Lincoln and Nebraska veteran and civic organizations.

Lancaster And Douglas Win Valuation Support

By ARCH DONOVAN
Star Staff Writer

Lancaster and Douglas, the two largest counties in the state received words of commendation from Gov. Victor Anderson on behalf of the Board of Equalization for the manner in which they assessed property for tax purposes this year.

"We are not unhappy. On the whole we think we have done a good job," Anderson told the Lancaster County delegation summoned to appear Thursday. He said there were some decreases they would like to have explained.

Commissioner Russell Brehm and Deputy County Attorney Dale Fahrnbruch explained how the scientific assessment program first used last year had been followed in this year's assessment. Brehm said they had not only equalized between individuals but with surrounding counties.

He said there was a valuation increase in the county of $5,000,000 notwithstanding the fact that motor vehicle valuations fixed by the state board were $6,000,000 lower than last year.

Property To $11-Million

Property in Lincoln, he said was up $11,000,000 due to new construction.

Fahrnbruch explained the drop of $362,150 in household goods was due to depreciation and said that 800 military personnel had filed affidavits that their property is assessed in their home states. He said that one builder of 270 homes said that half of them were sold to members of the Air Force.

The total decrease in assessment of household goods, he said is only four per cent, while depreciation allowances would amount to 15 to 20 per cent so that actually the returns show a gain in valuation.

Fahrnbruch called the attention of the state board to the fact that there was an increase of 46 per cent in intangible stocks and bonds reported amounting to $12,000,000.

Quotes NU Sources

He quoted University of Nebraska business surveys to show that buying increased greatly in retail stores during February and March as compared to the previous year to account for the $25,255 drop in business inventories. He also said that business inventories were lower all over the country early in March.

The board was told that the decrease in value of farm products was due to price declines and that statewide values set by the county assessors association were used. Dollarwise it was a small decline.

Brehm expressed opposition to the methods adopted by the state board last year. "After we spent $140,000 for a scientific appraisal the state board reduced town property 10 per cent," he said. "We are trying to equalize between city and rural property and business inventories. The state board's action upset this equalization."

Assessor Joe Stolinski of Omaha told the board the Douglas County situation was much the same as in Lancaster and that the total increase in valuations was $42,000,000 with personal property down $1,000,000 due to military personnel and depreciation.

Buses Added

He explained that part of it was accounted for by transfer of property from one category to another particularly the street railway company, which converted to buses and the increase is shown in motor vehicles.

It was explained that new building brought an added $21,000,000 to the assessment rolls in Omaha which had been checked against building permits. Rural increases were $12,000,000 partly due to farm land being changed to building lots.

Apparently logical and satisfactory answers were given by the counties to questions of the board in cases where classifications showed a decrease from last year.

What Kind Of A Guy Was Davy Crockett?

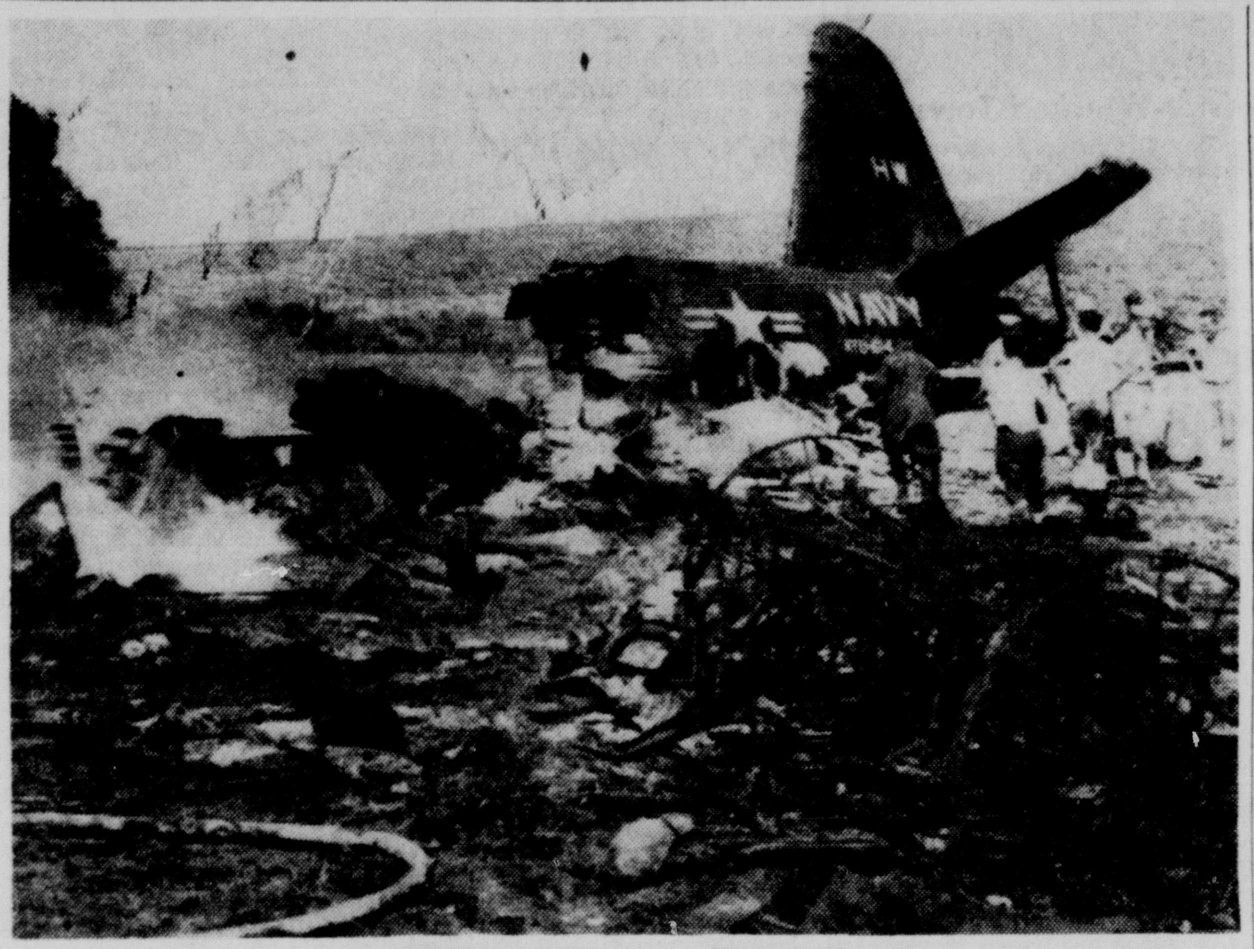
The Library of Congress, at the request of a congressman, has taken a look at the king of the frontier. Results of its studies were placed in the Congressional Record Thursday. What they found wasn't all good. But don't throw away your coonskin caps. For a frank appraisal of Davy, see Page 12.

Today's Chuckle

Business was off. The boss called in all the salesmen and announced there was going to be a new sales contest, which he was going to supervise personally.

"What does the winner get?" asked an eager beaver.

Said the boss: "He gets to keep his job."



FIVE DIE IN CRASH

Fire fighters push toward still-burning wreckage of a Navy Neptune bomber which crashed in farm yard near Hutchinson, Kan. Naval Air Station. Four bodies were found near the tail section. Wrecked hay rake is in right foreground. Names of the dead were withheld pending notification of next of kin. Part of the aircraft fell in flames on a machine shed, destroying the building and setting a barn afire. One wing crashed within inches of the farmhouse of the Jerry Yoder family. Witnesses said the plane apparently disintegrated as it plunged to earth. It had just taken off on a training flight. **(AP Wirephoto).**

Blistering Sun Beginning To Hurt State's Corn; Moisture Needed Soon

By ELLIS RALL
Star Staff Writer

Effects of the blistering sun that has beaten down over the eastern portion of the state this week are beginning to show on the state's corn crop.

County agents, especially in the southeastern area, are still in hopes for a good general rain within a day or so. Corn, now in its tasseling and pollinating stage, requires a lot of moisture now they say.

"Today, tommorrow and the next day will tell", said Pawnee County Agent Herbert H. Hecht of Pawnee City.

County Agents have termed this particular phase of the growing season as the crucial and critical period. No rain they said, will mean yields will be cut considerably. However, many predicted a good full crop if the much-needed moisture falls within a few days.

Along with the heat and dryness, another problem has popped up. Dry, hot weather has produced a bumper crop of grasshoppers. However, most farmers are spraying to control the pests.

K. E. Logan, statistician with the state-federal crop reporting service, said that it was known for certain that heat was not doing the corn crop any good.

If the incessant heat continues, he said, a lot of the crop will suffer. This low humidity and low precipitation accompanied by extreme heat is beginning to tell in the southeastern and southcentral sections of the state. The northeast section, he added, could probably hold out a while longer since more moisture has fallen in that area.

Lancaster County crops are feeling the results, too, said Emery Nelson, associate county agent. Leaves are burning, particularly in fields where legume crops were raised last year.

Some severe damage in the county is reported, but geneally a good rain will save the crop. The last three days had the most adverse effect on the crops he said.

Important factors which will decide in the next few days whether or not a lot of silage will be cut will depend upon the wind, temperature and moisture, Nelson said. Rain within the next few days will help, he said.

Grasshopper infestation is somewhat heavier this year but some spraying to control them is taking place.

–Found Guilty–

Pastor's Ouster Is Asked

Lutheran Officials Rule 'Deviation' In Doctrine

MILWAUKEE (AP)—A young Lutheran minister accused of heresy by his synod was found guilty Thursday on nine counts of deviating from church doctrine by a trial board of seven other pastors which recommended he be suspended from the ministry.

The findings, against the Rev. George P. Crist Jr., 31, were returned by the trial board of the Northwest Synod, United Lutheran Church after three hours of deliberation. Rev. Crist faced 14 charges in the trial action which was recommended by a five-member fact-finding committee that investigated his case in June.

He was found innocent of the other five charges.

The trial board, which heard the charges against Rev. Crist in two days of hearings, recommended to the synod president that he be suspended. The board further stated that if the recommendation is followed that Pastor Crist and his family be given adequaet financial support by the synod until final disposition of the case at the synod's annual convention in Milwaukee next year.

Pastor Crist was summoned from his home and church at Durham in nearby Waukesha County to hear the verdict. He told the board earlier, at the end of the hearing, that he felt he had received "a fair and complete hearing according to his rights." He smiled after the end of the trial hearing, but said he was doubtful that he would escape punishment.

Only One Child Takes 2nd Salk Shot Locally

. . . Rogers Criticizes Medics' Stand

By ROY CAMPBELL
Star Staff Writer

Only one Lincoln child showed up Thursday to receive a polio booster shot at the City - County Health Department.

The apparent hesitation to take the second Salk anti-polio vaccination followed Wednesday's announcement by the local Polio Advisory Committee. The Committee, made up of members of the Lancaster County Medical Society, failed to recommend the booster.

That lack of a recommendation for the inoculation program drew Thursday a criticism from Dr. E. A. Rogers, state health director, who said the policy "goes contrary to statements by national experts."

The policy recommended by the committee followed that of the American Academy of Pediatrics, headed locally by Dr. Paul Bancroft, which said the shots should not be given at present. The statement said the booster shots should be given following the polio season.

Too Late Then

Dr. Rogers said "we do not want to force anyone to get inoculations, of course, but shots given next fall aren't going to protect anyone from polio this summer."

Dr. Bancroft said problem was one of disagreement by national groups "at the summit" on the safest time to administer the vaccine. He said if the experts can't agree, local physicians can't feel secure in what they say about the shots.

During Wednesday's meeting, Dr. Frank Stewart, a pediatrician, said he would recommend his patients get the second shot now in spite of the unanimous committee vote to go along with the American Academy policy. The Lincoln Academy of Pediatrics unanimously adopted the policy of the national academy.

Dr. Rogers reported Thursday that of 75 Nebraska counties heard from so far, all but seven have asked for immediate shipment of Salk vaccine for booster shots. Word still was being awaited from 18 counties.

Man Killed In Rig Accident

SIDNEY, Neb. (AP) — Lloyd L. Thomas about 25, Clareton, Wyo., an employe of Rogers Truck Lines, Sidney, was killed in an oil well rig accident near Dalton, Neb., Thursday.

Nebraska Little Cooler, But . . . No Real Heat Relief In Sight

Nebraska "cooled down" Thursday with scattered showers, but real relief from the heat wasn't in sight.

After another hot day when the Lincoln Airport and Omaha both came up with 99 for the state high, rain splattered Lincoln late Thursday but left only a trace of rain. But the shower did drop temperatures 13 degrees in less than an hour.

The nighttime shower was the second one in the city's day, an early afternoon sprinkle having left a trace of moisture in West Lincoln and in the area of the Lincoln Air Force Base. North Platte, Grand Island and Valentine also had showers, but little measurable precipitation.

Downtown Lincoln's temperature climbed past the afternoon high of 96 and went up to 98 degrees for two early evening hours before the thunderstorm hit the city.

Most other high temperatures in the state Thursday were in the 90s. And temperatures in the same range were predicted for Friday by the Weather Bureau.

Although partly cloudy skies and scattered thunderstorms were predicted for the west and north portions late Friday, temperatures in the extreme southeast were expected to near the century mark. The northwest highs were to be in the 90 to 95 degree range.

Save on Air-Conditioners

England Senses Easing Tensions

. . . Reds' Forthcoming Visit Hailed

LONDON (AP) — Prime Minister Eden declared Thursday night "a new era" in the East-West relations could be opened up by the visit to Britain next spring of Soviet Premier Bulganin and Communist party leader Khrushchev.

In a television report to the nation on the Geneva summit talks, Eden said the scheduled visit would be "an immensely important event."

"This will be the first time that the leading minister of the Soviet Union (Bulganin) will be visiting a Western land," he added.

"I hope, I am sure, valuable discussion will result. Quite apart from politics I think that as the outcome of this meeting we can reasonably hope for a further growth of personal contact to which personally I attach considerable importance."

The prime minister said the summit meeting had not produced any "call for easy optimism, but there is a relaxation of tension due to the fact that all were agreed on what they wanted to do."

Great Upsurge

Eden made his report as the nation was caught up in a popular upsurge of relief and enthusiasm over easing of world tensions.

Politicians, ordinary Britons and newspapers bubbled over with hope that the end of the cold war may be in sight and that a new period of world friendship may be dawning.

Laborites Join In

Twenty Laborite members joined the government in a motion offered in Parliament Thursday welcoming the United States-Red China decision to open ambassadorial talks Monday in Geneva to relieve Far East tensions.

Britons forgot — like a bad dream — the memory that only four months ago they debated how to survive in the H-bomb age and Sir Winston Churchill then prime minister, asked: "Which way shall we turn to save our lives?"

The wave of optimism—tempered by sober realization that big obstacles remain before East-West accord—was touched off by Prime Minister Eden Wednesday night. Confidently, Eden reported in the House of Commons the Geneva summit talks "have changed the climate of international relations." Then he announced Soviet Premier Bulganin and party leader Khrushchev will visit Britain next spring.

Conservative and Laborite legislators led the country in cheering the visit and promising the Soviet leaders "a warm welcome."

British officials did not rule out the possibility that Eden may pay a return visit to Moscow.

While there was no definite plan for the Bulganin-Khrushchev visit it appeared certain Queen Elizabeth will make palace history by receiving for the first time top leaders of the Soviet Union.

"Greetings Comrades!" editorialized Lord Beaverbrook's independent Daily Express.

Ike Asks A New Try At Roads Bill

. . . Before Windup

WASHINGTON (AP)—President Eisenhower appealed to Congress Thursday to make another try at passing a highway construction bill before adjourning.

Declaring the nation "badly needs new highways," the President said:

"The good of our people, of our economy and of our defense, requires that construction of these highways be undertaken at once."

Although the legislature was buried under an avalanche of House votes Wednesday, House Republican Leader Martin of Massachusetts said he believed a compromise measure could be salvaged "if we really want to do it."

Time Is Short

Time was running out, however, and it appeared that only a legislative miracle could answer Eisenhower's plea. Congressional leaders are planning on final adjournment within the next few days and a new highway bill would have to start from scratch.

Democratic Leader McCormack of Massachusetts said he doubted if he could hold the House in session long enough.

"In my opinion, there's no chance of getting the bill up again," McCormack said.

Both Turned Down

Eisenhower proposed that a multi-billion-dollar program of highway construction be financed by a long-term bond issue, to be handled by a separate government corporation.

This was rejected 224-193 in Wednesday's House voting. Then by a vote of 292-123 the House killed the Democratic substitute plan, which provided pay-as-you-go financing through a series of increases in automotive taxes. Trucking interests and others who would pay the new taxes had laid down a hot barrage of protests.

–House–

Housing Bill Up To Vote

Measure Moves From Deadlock To Floor

WASHINGTON (AP)—The House Rules Committee Thursday sent an omnibus housing blil embodying the President's public housing program to the House floor after having bottled it up for almost a month.

Some Republicans on the committee bowed to pressure from GOP House leaders and agreed to let the House consider the bill.

House leaders promptly scheduled the bill for debate and a vote this week. It is one of the measures they have tabbed for action before Congress adjourns.

The Rules Committee decided to give the House its choice of two proposals, one sponsored by Rep. Wolcott (R-Mich) and the other by the House Banking Committee.

$4 Billion

The Banking Committee measure would provide four billion dollars of added authority for Federal Housing Administration home loan insurance, and authorize 35,000 new public housing units in each of the next two years.

The Wolcott bill contains no public housing provisions.

President Eisenhower has requested continuation of the public housing program at a rate of 35,000 new units in each of the next two years. The Senate already has voted for 135,000 units a year for four years.

Slaying Of 3 Officers Reopened

. . . By Senate Committee

NEW YORK (AP) — The Senate Armed Services Committee "has quietly reopened" the case of the 1946 ax slayings of three American army officers in Passau, Germany, the New York Daily News said Thursday.

Former Army Capt. James M. Leech of Lima, Ohio, was charged with the crime last year in warrants issued by a United States court in Germany.

Leech has denied killing the three officers — Maj. Everett S. Cofran, of Washington, D. C.; Capt. Adrian L. Wessler, of New Rochelle, N. Y., and Lt. Stanley M. Rosewater, of Omaha.

They were bludgeoned to death in their beds at a luxurious villa at Passau, and their rooms were set afire.

Last April 26, U. S. authorities said it was a "closed case" as far as they were concerned.

Last May 12, however a week after West Germany regained its sovereignty, the Bavarian state prosecutor started a new investigation of the killings.

Turncoats Nearing Home—And Custody

TRIO TO LAND AT S.F. TODAY

...Authorities Waiting

SAN FRANCISCO (AP)—Three former American soldiers, who renounced first the United States then Communist China since they were taken prisoner in the Korean War, will become military prisoners, subject to court-martial on serious charges, immediately after they clear customs here Friday.

Two of the charges carry a possible death penalty.

Cowart

The three will arrive Friday aboard the American President liner President Cleveland at 1 p.m.—2 p.m. CST. Before they leave the ship they will be given an hour or more to visit relatives who will be waiting to see them for the first time in more than five years.

No Better ... No Worse

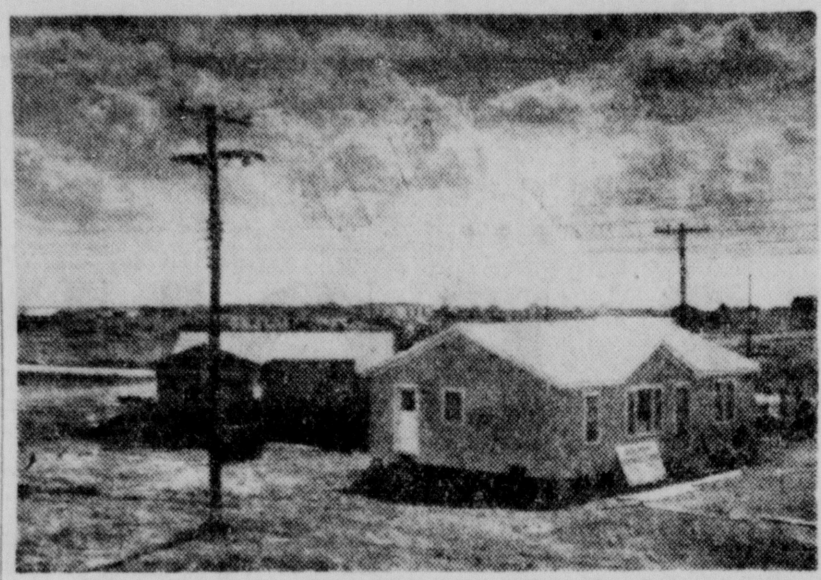
But, after that, the Army emphasized at a news conference at 6th Army headquarters, the three will be military prisoners and will be treated no better or no worse than any other prisoner held for violation of the Uniform Code of Military Justice, under which they have been charged.

Griggs

Bell

The three are William C. Cowart, 22, of Dalton, Ga.; Otho Bell, 24, Hillsboro, Miss., and Olympia, Wash., and Lewis W. Griggs, 22, Jacksonville, Tex.

The principal charges against the three involve the offenses of "aiding the enemy and informing on fellow American prisoners, resulting in punishment of their comrades by enemy captors, while on prisoner of war status," conspiracy and the solicitation of an officer to desert.



New Homes Dot Twister-Wrecked Town

Part of a 1½ million dollar rebuilding program that Mayor Earl Rowe predicts will double the size of the farm community of Udall, Kan., razed by a deadly May 25 tornado, is shown above. Dozens of new residences already are scattered over the site—built and building. It's just the beginning of a new and better city, says Rowe. **(AP Wirephoto)**

$2.7 BILLION FOREIGN AID BILL GOES TO EISENHOWER

WASHINGTON (AP)—A compromise $2,700,000,000 foreign aid bill sailed through the House and Senate Thursday as Congress worked closer to adjournment.

The measure now goes to President Eisenhower for his signature. It carries about 560 million dollars less than he asked for in new money to bolster America's allies.

Sen. George (D-Ga), president pro tem of the Senate, said he understands that the current session of Congress cannot end until next Tuesday because of House insistence on meeting next week to handle minor bills.

The Senate's minority leader, Sen. Knowland (R-Calif), said he still hopes that Congress can quit on Saturday.

If the House insists on staying over, he added, the Senate might recess or even adjourn Saturday, leaving the House to clean up on its own.

Voice Votes

Both House and Senate acted on voice votes in approving the foreign aid program for the 12 months beginning July 1. The Senate had been disposed to give the administration an additional 500 million, but it yielded to the House.

Eisenhower appealed to Congress Thursday to make another attempt to agree on a highway construction program before adjourning. The House torpedoed the administration's bill and a Democratic alternate Wednesday, unable to agree on how the multi-billion-dollar project would be financed.

Eisenhower said, "The good of our people, of our economy, and of our defense, requires that construction of these highways begin at once."

Cromwell Gorrod Rites In Wymore

Services for Cromwell (Jack) Gorrod, 68, Wymore, Neb., will be in Wymore Saturday, the Rev. Kenneth Hoschoer officiating.

Mr. Gorrod, who died in Lincoln following a heart attack, had been an employe of the CB&Q Havelock Shops more than 12 years.

A World War I veteran, he was a member of American Legion Post 3.

He was born in Washington, Kan., and also lived in Hanover, Kan., before coming here.

Surviving are his wife, Leona; stepsons, Clarence Bussard of Omaha and Gerald Shepardson of Wymore; a stepdaughter, Bonnie Shepardson of Wymore; one grandson and a sister in Golden City, Mo.

Scattergood Infant Daughter Dies

Joyce Scattergood, 8-day-old daughter of Mr. and Mrs. Robert L. Scattergood, 1132 K, died Wednesday.

Surviving are her parents; a brother, Eugene, and her grandparents, Mr. and Mrs. Harold Scattergood and Mrs. Hazel Schomacher.

City Tops Monthly Use Of Water

As daily water consumption hit another new high, usage for July to date has already set a new monthly record of 964,669,500 gallons.

The previous high consumption month was July of 1954 when the 31 days total was 844,277,000 gallons. With four more days, predicted hot ones, left in the current month, this July will easily surpass the billion mark in total gallons delivered.

The daily high for all time was hit Wednesday when 49,742,500 gallons of water were consumed. During the peak demand period of that day, consumption was at the rate of 70 million gallons per day.

Despite the high usage, city reservoirs were reported full Thursday morning with the exception of a slight loss in the level of the 5 million gallon 51st Street reservoir.

A daily record high was just established on Tuesday when usage went to 46,062,000 gallons.

Along with the peak water demand came delivery also of a record high 15,536 kilowatts of electricity. This beats the record 15,432 kilowatts delivered the previous day.

Seth DeVries Dies At Age Of 86

Seth DeVries, 86, 2703 So. 10th, a Lincoln resident since 1946, died Thursday.

Born in Friesland, Mich., he had lived in Nebraska for 79 years.

Mr. DeVries lived in Holland and Firth, Neb., before coming to Lincoln.

He was a member of the First Church of the Nazarene.

He and Mrs. DeVries observed their 58th wedding anniversary in January.

Surviving are his wife, Alice; sons, Benjamin of Eugene, Ore., Alfred of Sacramento, Calif., and Earl of Lincoln; a daughter, Mrs. Edith Rap of Lincoln; nine grandchildren and four great grandchildren.

Meters Asked

BENTON HARBOR, Mich. — Parking meters have been proposed to handle the demand for picnic tables at crowded city parks.

RUSSIANS ENTER LAND OF CORNHUSKERS TODAY

The Russian farm delegation jumps from Iowa into Nebraska Friday evening to begin a whirlwind three-day tour of agricultural installations.

The group will be feted Friday evening by the Agricultural committee of the Omaha Chamber of Commerce. Monday the group will be in Lincoln.

The 12-member delegation of Soviet farm experts will start Saturday with a visit to the Swedeburg watershed near Wahoo, the Ocoma broiler processing plant near Waterloo, corn production and processing on the W. A. Steavensen farm near Fontenelle, and wind up with a visit to the Nebraska Dairy Breeders Association co-operative stud bull operation north of Fremont. In Fremont they will eat a picnic lunch.

Sunday Not Free

They will spend Saturday night in Omaha. Sunday was originally scheduled as a free day, but part of the delegation may fly in a chartered plane to the Sandhills region to visit ranching operations.

From 9 to 10:30 a.m. Monday the group will visit the University of Nebraska's tractor testing lab at the Ag College.

Following that they will travel to Columbus for lunch with the Chamber of Commerce there. Before leaving for South Dakota Monday evening the group will visit on the William Thiele farm where a self-propelled sprinkler irrigation system is in operation. They were expected to make some impromptu farm stops.

Also on the schedule is a view of grain drying and storage facilities at the Behlen Manufacturing Co. in Columbus.

Thursday the Russian farm delegation continued its practice of breaking up into different groups on the spur of the moment.

Jacob Bitterman Services Saturday

Services for Jacob Bitterman, 61, 1229 No. 26th, will be at 11 a.m. Saturday at Mt. Olive Lutheran Church, the Rev. L. C. Gruendeman officiating.

Mr. Bitterman, a retired farmer who died here Thursday, had lived in Lincoln the past three years.

Born in Odessa, Russia, he came to the U.S. 55 years ago and lived in Bern, Kan., before coming here.

Mr. Bitterman was a member of Mt. Olive Lutheran Church.

Surviving are his wife, Rosella; daughters, Mrs. Ruth Todd of Seneca, Kan., Mrs. Bertha Stufflebean of Cheyenne Wells, Colo., Mrs. Ida Stufflebean of Lincoln, Mrs. Frances Todd of Denver, Mrs. Delphine Thompson of Denver, Mrs. Rose Shaffer of Lincoln and Bonnie and Eleanor, both at home; sons, Victor of Grand Island, Thomas of Bern, Kan., and Robert and Ruford, both of Lincoln; 14 grandchildren; one great grandchild; a brother, Rudolph of Cheyenne, Wyo., and a sister, Mrs. Christina Weicknm of Loveland, Colo.

Burial will be in Lincoln Memorial Park.

Weldon Kees Auto Found On Frisco Bridge

SAN FRANCISCO (AP)—Beatrice-born Weldon Kees, 41, poet and artist, whose auto was found abandoned July 18 on the Golden Gate Bridge, was still missing Thursday.

State Highway Patrol officers said Thursday that Kees' father, John A. Kees, formerly of Lincoln, appeared to claim the auto. The elder Kees is a retired Nebraska businessman now living in Santa Barbara, Calif.

No trace has been found of younger Kees, well known in artistic and literary circles. Officers reported at the time of his disappearance that friends had said Kees had been depressed.

Kees, who had been on the staff of Time Magazine and a frequent contributor to New Yorker and other New York magazine, held one man shows of his abstract art in San Francisco and New York.

At the time of his disappearance Kees was engaged in producing films with a doctor and an anthropologist at the University of California.

Weldon Kees, reported missing by San Francisco authorities, is a native of Beatrice and a graduate of the University of Nebraska.

His parents, Mr. and Mrs. John A. Kees, formerly resided in Lincoln.

Kees is the author of three books "Poems 1947-54", "The Last Man" and "The Fall of the Magicians."

In addition to his work at Nebraska, Kees attended Doane College and the University of Missouri. He has worked with the Denver Public Library and was director of the Bibliographical Center for Research in Denver in the early 1940's.

Drunken Driving Charge Reduced

A reckless driving charge was substituted for a drunk driving case against a Navy veteran of 19 years service Thursday in the Municipal Court. But the reduction came only after Judge Judge John Jacobson required a full explanation from the prosecution.

CPO Leonard H. Rohren of Utica pleaded guilty to the lesser complaint and was fined $50 after Jacobson heard Deputy County Attorney Richard Harnsberger cite several factors for the change including a feeling of "sympathy" for the defendant. He said he didn't think Rohren's violation was "one of the worst" he's ever handled.

State Patrolman Del Whitefoot, the arresting officer, said Rohren was arrested on Hwy. 6 west of Emerald after the Navy man's car was observed crossing the center line of the highway and in one case going over the highway shoulder. The officer said Rohren submitted a urine specimen which tested .25 of alcohol by weight.

The legislature has said .15 was sufficient alcohol to influence the ability of a driver.

U.S. A-Cannon, Rockets Going To Far East

WASHINGTON (AP)—The Army is putting atomic age weapons in the hands of its forces standing guard along the Far East perimeter of the Communist world.

It announced that a six-gun battalion of 280 mm. cannon and a battery of long-range bombardment rockets are being assigned to the 8th Army in the Far East.

Bulgaria Admits Shooting Down Airliner; Regrets Death Of 58

JERUSALEM (AP)—Communist Bulgaria acknowledged Thursday its anti-aircraft gunners shot down the Israeli airliner that carried 58 persons to death behind the Iron Curtain Wednesday.

The Bulgarians expressed regret and arranged an official inquiry.

But they declined to admit a six-man commission from Israel for a separate on-the-spot study of the flaming disaster that overtook the silver-winged Constellation of El Al Israel Airlines Ltd., just north of the Greek-Bulgarian border.

They said the plane strayed over Bulgaria and the gunners, unable to identify it, shot the tail off.

Israel protested the destruction of the plane as a grave international offense and shocking recklessness. The Israeli government demanded compensation.

With 12 Americans among the dead, the United States also plans a protest "in appropriate terms."

Henry Suydam, State Department press officer, said in Washington the United States is indignant at this tragedy behind the Iron Curtain—"repetitious of incidents of this kind which we had earnestly hoped would not recur"—and will file its protest as soon as full information is at hand.

33 NU Students In Big Base Move

Thirty-three University of Nebraska NROTC students participated in "Operation Big Switch" Tuesday in which 800 NROTC students were flown from the Corpus Christi, Tex., to Little Creek, Va. naval bases and 800 from Little Creek were returned to Corpus Christi.

Twenty-five aircraft moved the 1680 students undergoing summer aviation training and 44,000 pounds of cargo in less than 24 hours. The operation was conducted by reservists.

Nearly 600 naval reservists train one week end a month at the Lincoln Naval Air Station.

NROTC students participating in the operation were:

Bartlett, Larry Donald, Austin, Tex.
Beck, Donald Ernest, Fremont.
Berger, Roger Wayne, Hastings.
Blue, John Ronald, Russell, Ia.
Boling, James Robert, Topeka, Kan.
Brestel, Walter Christopher Jr., Dalton.
Cepel, Frank Raymond, Kearney.
Conrad, Jack Ray, Osceola.
Daly, Frederick Trenk, III, Torrington, Wyo.
Flynn, John Francis, Schuyler.
Golletz, Victor Henry, Homewood, Ill.
Goodwin, William Lawrence, Galesburg, Ill.
Johnson, Rodney Lee, Georgetown, Tex.
Jones, Leland Boyd, Pilger.

No Beefing About These Plates

Astra-Caldo 715 of the Agriculture College herd shows considerable interest in the new license plates labeling Nebraska the "beef state." Astra-Caldo's companion is Phyllis Sherman, Tecumseh, a summer student at the University of Nebraska. (Staff Photo by Willis Van Sickle.)

License Plates Delayed By New 'Beef State' Inscription

Inmates of the State Reformatory are faced with an almost herculean task of getting out the 1956 "Beef State" license plates on time.

The plates, which generally get under production in March or April, were delayed about two months this year until the Legislature passed a law adding "Beef State" to the tags.

However, the slogan posed a problem since the old plates were too small to handle it, C. V. Keller, business manager said.

With the installation of new machinery the size of the plates was upped to conform with recommendations of the Federal Bureau of Roads for a "standard size" plate which has been adapted by several states, Keller said.

The '56 black plates with 3-inch white numerals will be 6 x 12 inches. In 1955 the plates were 5⅞ x 10 15-16 inches and in 1954 the size was 5⅞ x 12½ inches.

New machine dies required to make the revamped plates took between six and eight weeks to get, Keller said. The loss in time awaiting installation of the machinery and passage of the bill amounted to about two months, he said.

Forty-two inmates are presently employed, but Keller hopes to build the number up to more than 50.

With about one and a half million plates to make, a lot of overtime will have to be put in, he said.

Barring unforeseen trouble, he expects to have the plates to the county treasurers by issuing date, Jan. 1.

"It's going to involve a lot of overtime," he said, "but we expect to have it done."

During an ordinary week of production about 24,000 finished plates are rolled off the assembly line. With overtime, Keller hopes to raise that figure to 30,000.

That includes painting and drilling holes. Painting the plates is a double process. During the first step the plates are dipped in black paint. Then, with a roller process, white paint is coated on the numerals and letters.

About 500,000 pounds of steel will be used in the production, he said.

Dr. Taylor Asked To Write Articles

Dr. Galen Saylor, chairman of the University of Nebraska's department of secondary education, has accepted two invitations to write for leading magazines in the education field.

The National Education Association Journal, which is subscribed to by 600,000 teachers, has asked Dr. Saylor to prepare articles for use by the national educators in planning secondary-school buildings.

The articles will be written with the assistance of a committee, appointed by Dr. Saylor and composed of educators, psychologists, and architects.

He also has been invited to prepare a monthly column concerning curriculum activities in the country. The column will be published by "Educational Leadership," the official magazine of the Association for Supervision and Curriculum Development.

Mrs. Sophie Brown Rites In Kansas

Services for Mrs. Sophie E. Brown, 86, 319 So. 25th will be at 9 a.m. Saturday at Concordia, Kan.

Mrs. Brown who formerly lived in Concordia, had been a Lincoln resident the past year and a half. Surviving are 117 relatives: four sons, four daughters, 34 grandchildren, 61 great grandchildren, nine great great grandchildren, a brother and four sisters.

They include her daughters, Mrs. Adelliss LaNoue and Mrs. Agnes J. McDonough, both of Lincoln, Mrs. Florence Rocette of Clyde, Kan., and Mrs. Eliza Brooks of Topeka, Kan., and sons, Robert E. of Lincoln, Dan of Junction City, Kan., Albert of Port Falls, Ida., and Dale of Portland, Ore.

The Highway Fumble

Highway measures have enjoyed an almost sure-fire passage over the years in Congress. Federal aid road-building has been long accepted in principle. It was unusual therefore, when the House this week killed all of the current proposals for a big new road-building program. That important piece of national business seems dead for at least another year.

Down went President Eisenhower's proposal for a highway network of vast proportions based on a type of bond issue not reflecting on the national debt. Also down went the Democratic highway proposal which was somewhat more modest in its cost than the President's but which anticipated $12,423,000,000 from new taxes over the next 16 years. It was diligently and successfully opposed by interests upon whom the taxes would weigh most.

The delay in highway construction will not lighten the problem nor ultimately reduce its costs. But a thoughtful review of the ill-fated measures places responsibility for failure upon the administration itself. Its novel proposals for financing by the doubtful procedure of issuing bonds of a non-public debt character doomed the administration's effort to failure and broke the force of its leadership. With reduced forces working at odds over conventional methods of highway construction and a novel method, opposition found its task much easier and conquered both.

Nebraska Citizenship Day

Gov. Victor Anderson has proclaimed September 17 as Citizenship Day in Nebraska. That gives us all a little more than six week to get the motor overhauled and a new paint job for our respective citizenships, which probably need it. Most of us treat the privilege too light-heartedly—a thing taken for granted.

In preparation for the day we suggest each one sets down a list of all he possesses of value, then, using the pencil, start marking off the things he could do without if he had to. We venture to say that fortune could go away, good health could be depreciated, youth or maturity, whichever might be in question, could be dispensed with, political affiliations could be forgotten. And when the list was down to the irreducible minimum, one would probably find three indispensibles — a man's family, his spiritual faith and his citizenship.

A nation's defeat at the hands of an aggressor impairs citizenship, sometimes destroys it, and in a free country where citizenship is a symbol of personal sovereignty the loss becomes unbearable. But with no aggressor around, an individual can do his citizenship almost as much harm by being so indifferent to it that all he derives from it comes negatively by law or the efforts of others. But there is always one good rule. It is better, always better to celebrate the possession of a great privilege than to conduct a memorial service for its departure. And if people would work as hard to strengthen citizenship as they are willing to sacrifice to get it back, they would almost never have to sacrifice to get it back.

Of Men And Things

By J. E. LAWRENCE

PALOS VERDES ESTATES, Calif. — How about another serving of potpourri? . . . Noted in the news columns that the Census Bureau recently reported that 5,800,000 American marriages have lasted 25 years or more . . . Apparently that overlooks one surban area in the Los Angeles region some miles distant . . . It is reassuring to be informed that the institution of marriage is weathering the storm.

★

"In A Man's Blood"

The papers told of a young Ocean Beach electronics engineer who had met death in the rapids of the Colorado River, with most of his life yet to live . . . Ever since he had been a student at the University of Arizona and after service in the Armed Forces as a paratrooper, the hazardous rapids of the lower Colorado had been "in his blood" . . . Five years earlier he and two fellow students had rode those rapids in a small boat from Lee's Ferry to Phantom Lodge, in the Grand Canyon, a distance of 80 miles, but park officials prevented them from continuing on to Lake Mead . . . With a casual farewell to his family he had returned to the river to do or die . . . Men continue to tackle the dangers despite notion that the spirit of adventure is dead . . . More and more the editorial pages in the news columns of American newspapers have been discussing the growing burden upon social security as a result of the lengthened life span . . . New York City has a physician, Dr. Maurice J. Lewi, who at the age of 97 never misses a day at his office, from 10 a.m. to 5 p.m. . . . "I enjoy life best when at my desk," said the frail blue-eyed doctor . . . "I haven't taken a vacation in many, many years. Work is my vacation." . . . With us kids it is different . . . There was wisdom in another direction from the 97-year-old physician . . . "From my father's teachings," he said, "I was told that when approaching the adolescent years, one should seek the companionship of older people" . . . Surely the good doctor recognizes that is a bit old-fashioned.

★

One of California's educational institutions is making a painstaking study of alcoholism . . . In the best "Bullfornia" tradition, it reports there is more of it out this way than in any other state in the Union . . . A preliminary estimate comes up with a figure of 500,000 cases of alcoholism, enough to fill several institutions to overflowing . . . That is more than a third of the entitre population of Nebraska.

★

Looking To Future

In yesterday's column we mentioned an aggravated case of juvenile delinquency . . . They are not counted on the fingers . . . The seventh of a series of seven articles on the subject of juvenile delinquency appeared in last Sunday's Times . . . At this moment, it was said, some 2,800 young persons are serving time in California's state institutions . . . More than 6,000 others are on parole . . . That is not the half of it . . . The youth authority here anticipates that by 1965 the numbers of delinquent youth doing time will increase 5,500 . . . As an offset Gov. Knight's committee of experts have recommended construction of a trade school in Ontario for 1,200, to be completed in 1958 . . . A Ventura school for girls, to be relocated and expanded near Camarillo . . . All present facilities at Preston, Nelles, Paso Robles, and Los Guilucos to be expanded . . . The Times article complains that the authorities—meaning the Legislature — apparently are unwilling to spend more than the minimum for rehabilitation at the youth institutions—not unlike some of the talk heard in other states, including Nebraska . . . The need for new facilities and for additional staffing may be justified . . . It is our opinion that the trouble begins at home, and that at least a portion of a staggering cost could be whittled down by greater emphasis upon parental responsibility . . . We cannot forget the wise words of a very dear old Lincoln mother, of whom we had asked the question: "What was the price of raising three fine upstanding sons?" . . . For an instant she looked off into space . . . Then came the reply: "A great deal of understanding, nightly prayers, and hours of supervision."

★

Maybe she had something there . . . Her sons grew into fine men in a certain Nebraska community, a source of pride and of comfort to her . . . There is a great deal of duty to be found in this world, whether the search extends to inanimate things or to human beings . . . The optimist would say that the golden age of American character was ahead and not behind . . . At least an interesting reflection upon the future suggests that the qualities of honesty, kindness, and spiritual devotion will be more marked in the year 2000 than they are today.

The Beef State

Nebraska's 1956 auto license plates started down the production line this week. It reminds us that a fact became a law, a law became a slogan and the nation will soon become informed —Nebraska is the beef state.

For the first time Nebraska, following the lead of other states advertising their specialty, will use its license plates to proclaim itself as one of the nation's principal suppliers of its favorite meat. Credit will go where credit is due.

It is a fact that Nebraska does and always has held an enviable position in beef production, growing more and more each year in quality and volume. And speaking of a super-excellent cut of beef, this state is home of the tenderest, juiciest and most flavorful steaks one can find. Nebraska can raise 'em and Nebraska can serve 'em in all their savory brown glory like nobody else.

Only one thing is needed, now that the plates proclaim us as a beef state. Nebraska needs a special steak carrying its own name served with French fries from Nebraska's potato fields, and salad from Nebraska gardens — and a healthy Nebraska appetite to go with it all. That is the next project.

Credit Worry

Like a wasp hovering near the back of one's chair, not quite close enough to call for action and not quite far enough away for peace of mind, the expansion of credit is worrying the country's economic soothsayers. They note that during this period when national earnings are at an all time high, loans are being expanded, not reduced.

It is always prudent to observe the national economy for unusual symptoms, but a flare-up of credit does not always of itself forecast evil consequences. It can lead to greater national income and improved living.

But it would be a service if the economists could point the way for a lowered cost of living without a decline in national employment or business. It seems that a greater danger to national stability than credit expansion is the unending round of wage increases coupled with somewhat greater price increases. Lower living costs are frequently more beneficial to the employed than a few cents an hour extra pay.

On Bad Advice

One can engage in finely drawn legal distinctions to clear Air Force Secretary Talbott of legal wrongdoing; but in the eyes of most plain citizens he failed to exercise the restraint expected of a man in high public office. America clings to the straight-laced idea that a patriot should serve the public good with no thought of personal gain, directly or indirectly.

If Mr. Talbott happened to be associated with an engineering firm which served and was sought after by government contract-seekers in the department over which he presided, the situation inevitably would challenge public confidence. The hint of an arrangment of convenience is too strong for any public official to risk even though the latter could clear it with his own conscience.

A part of the trouble must be laid to the light-hearted advice given to the President by his party counselors. He has not been well treated by them. The Talbott case is but one of many which lived to become an embarrassment to the administration. A prudent President should not waste much more time taking his erstwhile friends to the woodshed.

DREW PEARSON

Neutralist Wave Sweeping Europe

PARIS — The time is approaching when Congress will want to take a penetrating look at the flimsy foundation on which is built our so-called defense of Europe. If a congressional committee should probe a little deeper than shopping tours along the Rue De Rivoli, lunch at the Ritz and an evening at the Casino De Paris it would find a condition of neutralism and fair-weather friendships that would persuade some congressmen we should pull out of Europe altogether.

This sounds like a pessimistic picture. However, here is a factual report on what the USA faces in regard to the defense of Europe:

NATO, the North Atlantic Treaty Organization is a praiseworthy but none too successful attempt to make nations work together, whose main military spark is Gen. Al Gruenther—brilliant, indefatigable commander of NATO's military organization. Gruenther has labored valiantly to whip together in fact an organization which two years ago existed only on paper. He has increased NATO bases from almost zero to 140. He has built miles of pipeline to bring oil and gas to these bases and he has materially improved the good will and co-operation know-how of the 14 NATO nations.

☆ ☆ ☆

BENEATH SURFACE

However, when you probe beneath the surface of NATO's defenses here is what you find:

1. Most of the 140 bases are American, paid for by the USA and manned by American troops.

2. **The French, who were supposed to supply the backbone of NATO'S manpower, have fizzled. Two French divisions which had been equipped by the USA were suddenly pulled out of NATO without a word to Gruenther and sent to North Africa—American equipment and all. Two aoditional divisions supposed to be mobilized by the French still aren't. That's four divisions minus.**

3. The Norwegians are building NATO bases to protect them from Russian attack—and they need protection, for one Russian base, Lubbeck, is only 26 minutes away. But under Norwegian law American troops can't occupy these bases until parliament meets and so votes.

4. Marshal Tito, with one of the toughest armies in Europe, has gone neutral. He did this after visiting Premier Nehru of India, not after the Kremlin leaders came to Belgrade. It was after they heard he had gone neutral that they were encouraged to come. The Turks rushed to Belgrade to urge Tito to go ahead with the three-power Balkan defense pact —Greece, Turkey and Yugoslavia —but he said no.

☆ ☆ ☆

WAVE OF NEUTRALISM

5. **Neutralism is strong in Germany, the country we are depending on to bolster European defenses. A recent civil-defense test of German defenses showing that, as in the United States, Germany was wide open to hydrogen warfare, brought forth a panic of neutralist press lament. German editors wrung their hands over rearming Germany, claimed that the American weapons to be used by the new German army were obsolete.**

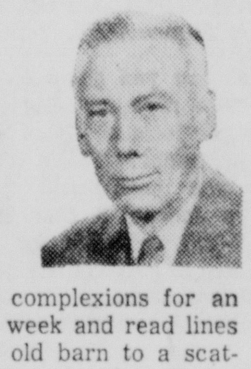
ED FITZHUGH

Memory Of Sawdust, Tent Flaps, Popcorn



The last season must have been a bad one on New York's Broadway. You can always tell. The cognoscenti begin holding wakes over the death of the theater.

(This particular batch of cognoscenti is compounded of people who know all the big words for everything that is done in a playhouse, and so cannot enjoy the play for trying to figure out if the actors have their moods on straight.)

Being one who does not know nuance from a backlash, and having been backstage on Broadway only once in my life (which was enough), I am perhaps lacking in the intellectual equipment to join the intelligentsisa in their discussion of the theater's impending demise. Not knowing a doggoned thing about a subject has never kept me from talking about it, though, and at my age it is too late to form new habits.

☆ ☆ ☆

It seems to me that folks who are mourning the legitimate theater's passing are looking through the wrong end of their opera glasses. Maybe the habitues and tourists along Broadway went to the hockey games in enthusiastic masses this past season — the hockey games being some cheaper than an aisle seat near Times Square —but there are a scad of summer theaters drawing pretty good gates right now with everything from Ibsen to The Drunkard.

The theater will be a long time dying as long as there are young people willing to give up a safe and sane secretary's job at $75 to $100 a week in order to dab grease paint on their complexions for an insecure $50 a week and read lines in somebody's old barn to a scattering of countrymen who are far more representative of America's culture than the Broadway first nighters.

It comes to me that as long as I lived, somebody has been blubbering about the theater's impending death. Uusally these crying jags follow a season in which the playrights were recruited from among the more serious students of morbid pshychology and showed virtually no inclination toward plain old entertainment.

☆ ☆ ☆

As long as tears must be shed, I'm all in favor of shedding them over a branch of show business which actually has all but passed out of the picture. That is the old tent theater trade, with Shakespeare performed under flapping canvas and popcorn sold in the aisles between acts, or during the longer intermission while the tent show proprietor was arguing with the sheriff in an effort to keep his props for just one more performance.

That's the kind of theater I cut my teeth on — the tent flaps being easy to get under while the guard was changing into a Roman toga to help out in the next scene. There was dirt and sawdust and poor acoustics, but the folks in the tent show were there for the love of the business, which was about all they got out of it, and even a scrawny country boy could feel their enjoyment of what they were doing.

DORIS FLEESON

Pressure On For Far East Summit Meeting

WASHINGTON — Led by Sen. George, Democrats have begun pressing for a Far Eastern meeting at the summit. They are not satisfied with the meeting on the ambassadorial level which will begin in Geneva on Monday.

It was Sen. George's prompt espousal of the proposal for the earlier meeting at Geneva which overcame the administration's initial reluctance to take part in Four-Power talks. His insistence now on meetings at a higher level than those planned to deal with Asian problems will of necessity be listened to at the State Department and the White House The venerable Georgian is the key to the virtually unanimous Democratic support which President Eisenhower has received in the Senate on foreign policy matters. His views cannot be lightly brushed aside.

Unlike the approach to European questions on which Republicans are more or less of one mind, the problems of Asia divide them bitterly. With something like a de facto cease-fire operating between the "two Chinas" the divisions have not been openly apparent of late. But they are still there.

☆ ☆ ☆

Direct negotiations with Communist China will almost certainly start the blood running again, especially if they get beyond the area of a formal cease-fire agreement. Then questions will arise as to recognition of mainland China and its admission to the United Nations. Agreements on these subjects would probably seal the fate of the Chinese on Formosa cutting off permanently any hope of reconquest of the mainland, a hope which has been steadily declining.

With the promising begining made at the Four-Power conference at Geneva, Sen. George wishes to push on to settlements elsewhere. The Democrats believe that if advantage is not taken of the atmosphere of conciliation which has set in, the opportunity may slip by.

They have noted wryly the political capital which President Eisenhower made at Geneva, a gain made in large part because of their support of his position They will not be reluctant to take advantage of any failure of the President and Secretary Dulles to press forward aggressively for an Asian settlement. Nor will they mind if Republican tempers are aroused again over the fate of the Chinese Nationalists.

☆ ☆ ☆

While this pressure will be maintained, there is general agreement that dealing with the Chinese Communists may be more difficult than dealing with the Russians. There is a feeling that the Chinese on the mainland have been so cut off from the western world that they believe their own propaganda. The Chinese Communists have been in, and still may be, a period of aggression and aggrandizement as in Korea and Indo-China. They still hold, despite United Nations efforts to get them out, 51 Americans.

THE NEIGHBORS SAY

Bermuda Britches And Fishing Filosophy

By MONA B. PARKER

Climatic splash from "Brook" of the Springview Herald: "I can't understand that weatherman When he predicts showers, he misses entirely, but when he says hot and windy, he hits it to a T"

☆ ☆ ☆

And the Plymouth News thinks there's nothing that hurries the passing of summer more than to receive a "fall and winter" catalog in the mail.

☆ ☆ ☆

A summertime editorial entitled "Thoughts In A Rowboat" drowsed along in the York News-Times. A long time between fish, it mused, and with just the sitting and the thinking, the ensuing thoughts really should evolve into something profound. However, all that came out was a statistical reflection that will never cause a ripple in world affairs . . . or even, probably, catch any fish. The odds on the rare opportunity to fish alone . . . getting a boat . . . breaking an oar . . . finding the right spot, and the fish . . . "The weather can have them loafing out deep or picking their teeth under a lily somewhere" . . . the right bait . . . missing the strikes . . . getting them over the gunwale . . . losing the stringer on the way home . . .

But "he keeps in there, persistently ignoring the odds, dangling his sad little pink worms, flicking his silly feathers through the water, dunking his implausible costume jewelry lures instead of just going home and lying in a darkened room with a cold wet cloth on his forehead. What was that? A BITE!"

A cantaloupe, droois Editor Jarrell of the Grand Island Independent, is a melon than which nothing tastes better or worse, depending on its condition . . .

☆ ☆ ☆

George Clarke took a task rather severely any and all among those in Harrison who used the recent rodeo season for cashing in on what should have been a generous display of hospitality. Reports reached the Sun editor that some local business establishments jacked up prices on the visitors. A deplorable practice, he called it. "We go all out to get people to come here . . . we are proud of our western hospitality. And then some have the nerve to charge exorbitant prices. Think they'll remember us? They sure will."

☆ ☆ ☆

Another warning was being tossed out to prospective sucker bait in and around Gretna. An elderly woman there was the victim of the old lightning rod swindle to the tune of $50. The "installation job" consisted of wrapping a piece of cable once around her house. A sound argument, pointed out Editor George Miller of the Breeze, to "do your dealing with a hometown merchant, someone who'll be back at the same place of business next morning . . ."

☆ ☆ ☆

"Puppies Now Obsolete" proclaimed the Bayard Transcript. Newest among the pets in town was that of young Clarke Atkins whose grandfather, A. B. Atkins of Alliance sent him "Pancho," a real Mexican burro 41 inches tall and with ears that measure 9½ inches in length. A little bony to ride bareback, Clarke probably will train the little fellow to pull his wagon and sled.

Clarke's father is philosophical. "Any grass on the lawn that Panch doesn't eat will be trodden down by all of Clarke's friends coming to see the burro, so I shouldn't have to push a lawn mower all summer long."

☆ ☆ ☆

An aged and well loved pet in the Wymore neighborhood has wandered wearily down the last dusty road that boys and dogs explore so joyously together . . .

"Sooner," 21-year-old farm dog belonging to Gerald Philippi and companion for two decades to him and his eight brothers and sisters, toppled into a pond on the Philippi farm and drowned . . .

Darrel D. Ludi, Wahoo editor, prefers to pursue the middle course —one of observation rather than participation—in a current trend now much under discussion and apparently gaining in popularity with every hot day that passes. It's this business of Bermuda shorts for the knobby-kneed males. Only a few years ago, says Mr. Ludi, what man would have dared to be seen wearing anything resembling the abbreviated trousers outside of his castle? However, he's already noted two of his stouter hearted friends wearing them in downtown Wahoo and while the wolf whistles have been voluminous, there is also the expressed opinion that the wearers are showing good weather wisdom if not such pretty "pins . For those and the others. Mr. Ludi wishes "more power to them, but we'll just wait to see what the other fellows do before we get into the act."

The People Speak

Five Cent Cigar

Elgin, Neb.

To the editor of The Lincoln Star: "A congressman made himself famous a quarter of a century ago by replying to a question asking what was the naton's most urgent need. After some deliberation he said, 'A good five cent cigar.' "

The above is a quotation from the editorial page of the Lincoln Star of July 17, 1955.

To keep the record straight, it is considerably more than a quarter of a century ago that the above famous remark was made and not by a cosgressman ether, but by the then vice president of the United States.

WILLIAM A. NYROP

Editor's Note: Mr. Nyrop is, indeed, correct on both counts. The assertion that what this country needed most was a good five-cent cigar was the opinion of Thomas R. Marshall who served as vice president under Woodrow Wilson more than 40 years ago.

☆ ☆ ☆

The Answer

Lincoln, Neb.

To the editor of The Lincoln Star: Regarding the letter from a worried mother about her son, my own boy, recently returned form Korea, was sitting beside me as I read it, so I read it to him. I asked him if he knew what was wrong with the boy and he said yes, he thought he did. He tried to explain it.

There's a great change in the lives of these boys when they come home. They're lonely and a little homesick for the life they've left, even though they won't acknowledge it.

I asked my son why he hadn't been cross with me and he answered: "Probably because you let me alone. I come and go as I please and you don't ask questions. In fact, I don't see you very much."

In plain words, these boys just want to be let alone until once again they adjust themselves to life at home. Don't question what they do or criticize or even talk to them if they don't want to talk, and gradually they'll adjust themselves.

SOLDIER'S MOTHER

☆ ☆ ☆

State Water Supply

Lincoln, Neb.

To the editor of The Lincoln Star: The water people tell us that we are now using about 46 million gallons of water per day in Lincoln. If memory serves, I think we amazed ourselves in 1936 by using as much as 18 million gallons in a single day

Not only is the total gallonage up enormously, but the number of gallons per person has increased even more. This is a nation-wide—in fact, a worldwide tendency It is a thing that impelled our former chancellor, R. G. Gustavson, to declare that a water supply is the most important problem in the modern world.

One of the wisest measures passed by our recent Legislature was the one to make a survey of Nebraska's water resources We know these resources are vast. It has been asserted that Nebraska has the greatest supply of underground water of any state in the Union. Even so, when one considers the thousands of wells that are being put down for irrigation all over central Nebraska, the question naturally arises: What is the limit of supply compared to the enormous and growing tax that is being put on the reservoirs? Obviously it is not illimitable and the time will probably come when some sort of rationing or limitation will have to be put on its use. Surely it will never jeopardize the Lincoln source of water in the lower Platte Valley. But the survey cannot come too early and it cannot be too thorough.

Already the population of Denver is being restricted by water shortages. Los Angeles has saved itself temporarily from catastrophe by what seems to be almost a crime against nature, namely, carrying it over mountain ranges from the arid wastes of the Colorado River region. People of Arizona are understandably bitter about what they call a bare-faced steal of their own most vital resource.

Nebraska is a fortunate state waterwise. But it requires little imagination to see that the vastly increasing demands will soon bring us up against a definite limitation on the use of water even in our own highly favored state. Doubtless both our agriculture and city growth will eventually be subject to water rationing.

ANGLERS MUST TRAVEL

Strange, that fishing's never best
Where you have your mail
addressed.
From the cabin where you stay
Fishing's better miles away.

From the region where you are
You must always travel far
To a distant, secret spot
Where you'll surely catch a lot.

Anglers wise you'll pass that day
Journeying the other way,
Hoping bigger fish they'll find
In the lake you've left behind.

Vic Predicts Highway Bill Passage

Gov. Victor Anderson said Thursday that defeat of bills to provide for financing the federal inter-state highway system would not seriously affect the Nebraska highway program. He predicted that a bill would be passed by the next session of Congress.

"Everybody favors the interstate system," Anderson said.

The House voted Wednesday against two alternates of the measure.

Secretary of Defense Charles Wilson insists that next to airplanes it is the most important part of our defense system. The President, both political parties and all of the governors favor it. The only question is how to finance it, Anderson said.

"I am certain a compromise will be worked out early next year and a bill passed providing for 90 per cent federal funds and 10 per cent state," stated Nebraska's chief exectuive.

Anderson said that state funds for the federal matching money will not become available until early next year and he expressed the hope that the federal law would be enacted about the time money appropriated by the last Legislature becomes available.

Studies of the needs of highways between Lincoln and Omaha will be continued, Anderson said, so that they can be co-ordinated with Omaha planning and the rerouting necessary for the extension of runways at the Lincoln Air Force Base.

If the federal government does not act to improve highways the states will have to, Anderson said. He pointed out that the increasing number of cars and trucks on the highways and the increasing fatalities make action mandatory.

Burlington Plans Reynolds Change

The State Railway Commission reported Thursday it is advising persons interested in the Burlington railroad's request to discontinue its agency at Reynolds, Neb., to make known their views by Aug. 25.

The railroad proposes to substitute a custodian or caretaker for the agency service.

Similar notice, with an Aug. 23 deadline, is being given persons interested in the application of the Lodgepole Telephone Co. of Lodgepole, Neb., to increase rates.

The commission also reported that at the applicant's request, it has suspended until Oct. 1, or until the commission otherwise orders, the certificate of Lester A. Walker of Fremont, doing business as the Fremont Transit Lines.

Walker, publisher of the Fremont Guide and Tribune, took over the Fremont bus service recently to prevent a cessation of service to Fremont residents.

Businessman Is Robbed Of $50,000

. . . Kentucky Holdup

LONDON, Ky. (AP) — A Bowling Green, Ohio, businessman was robbed of $50,000 here Thursday shortly after two unidentified men picked him up at the London-Corbin airport, state police reported.

Officers said Robert Close flew into the airport where he was met by two men in an automobile.

Officials quoted Close as saying they were enroute to a London bank to get additional money to close a business transaction when the men pulled the car over to the roadside and took the money at gunpoint.

State police said the robbery had all the aspects of a "confidence deal."

Officials quoted Close as saying the money he carried, in small denominations, was to be used to purchase larger bills from persons who were having federal income tax problems.

Close told officials the rate of exchange was to be 60 cents on the dollar.

State police said they were holding a suspect but declined to give his name or information about the getaway car.

Private Plane

The robbery at first was reported to have occurred at the airport, when the private twin engine plane was preparing to take off.

Officials said the plane belonged to the Toledo Express Co., of Toledo, Ohio.

Close told officers the men took the money and forced him from the car. He then returned to the airport where he called officials.

He had flown into London with his brother, Kenneth.

The nature of the business transaction was not immediately known.

State police declined to give additional information pending further investigation.

Canada Goes On 37½-Hour Week

OTTAWA (AP)—One hundred thousand Canadian government employes go on a 37½-hour week Friday.

The Civil Service Commission announced Thursday the shorter work week would be effective the day after Parliament adjourned. Adjournment came Thursday afternoon.

The reduction of about 50 minutes in the work week applies to 100,000 office workers.

The commission said this establishes 7½ hours as the normal working day and "confirms the prevailing practice in business and industry."

Knickrehm Estate Is Over $40,000

Value of the estate of John Knickrehm, former state railway commissioner and capitol custodian who died Jan. 22, is in excess of $40,000, according to an inventory filed in Lancaster County Court.

The inventory listed real estate, not valued, as two properties in Grand Island, a Lincoln residence at 3100 Puritan, and an undivided one-third interest in a 320-acre Colorado property.

Personal property included stocks and bonds totaling $35,881.57; saving accounts, $1,775.94; salary and other income due, $1,108.20.

Stock shares included 30 shares in National Bank of Commerce, $1,530; 20 shares of Otoe Foods Products Co., $1,960 and 10 shares of Norden Laboratories, $190.

Except for a Grand Island property left in equal shares to his three children, Mr. Knickrehm left his entire estate to his widow, Mrs. Raamah P. Knickrehm of Lincoln.

Pardon Board Grants 4, Denies 4 Applications By State Pen Inmates

The State Pardon Board, at its hearing Thursday, split its decisions right down the middle. Four out of eight requests by Nebraska Penitentiary inmates for pardon or parole were denied, four granted.

Of the four granted, three earned paroles and the fourth applicant, Henry R. Johnson, 42, of the British West Indies, was given a communitation of sentence but will be turned over to immigration authorities for deportation.

Johnson, of Nassau in the Bahamas, was sentenced Nov. 24, 1953, to a five year term from Douglas County for burglary.

Those receiving paroles included:

LaVern McGinn, 33, Omaha, sentenced April 7, 1953, to five years from Douglas County for robbery.

Edmencio Bazaldua, 65, of Texas, sentenced Oct. 22, 1951 to nine years from Scotts Bluff for manslaughter.

Joe L. Jimerfield, 22, Lebanon, Ore., serving two years for escape from the State Reformatory.

McGinn's parole is effective in September, Jimerfield's in December.

Among the four losing bids for freedom was James Matt Lane, 50, sentenced Feb. 10, 1944 from Scotts Bluff County to a life term for first degree murder in the shotgun ambush shooting in 1943 of John Gochenour near his McGrew home.

Others denied release included:

Donald L. Bethune, 35, Montreal, Canada, serving four years concurrently on each of four counts in Adams County, and one year for escape from prison in Lancaster County. The 1952 Adams County charges included assault to rape, break and entering to rape, breaking and entering and attempted rape.

Roger Bruneau, 37, Sioux City, Ia., sentenced April 13, 1954 from Dakota County to total of four years for refusal to pay child support and violation of bench parole.

Alejandro Salas, 29, McGrew, sentenced Feb. 14, 1947 to 35 years from Scotts Bluff County for second degree murder.

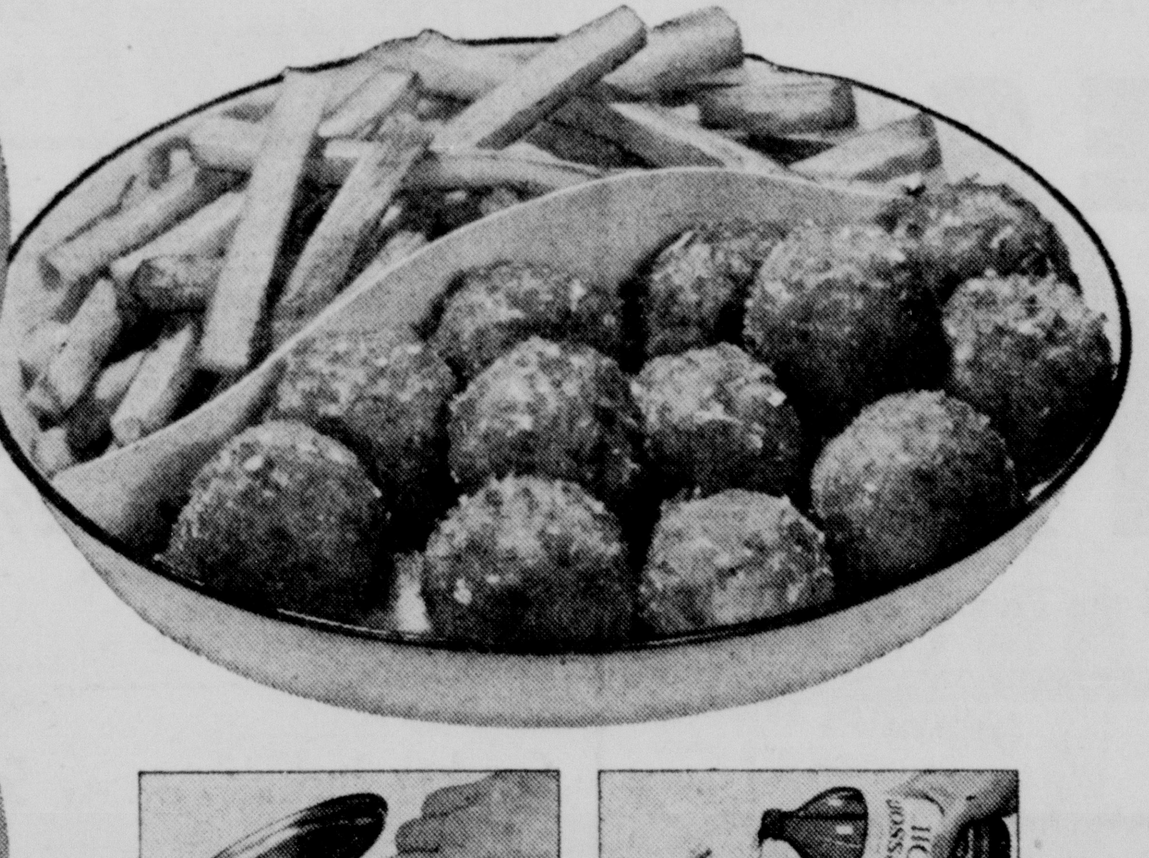
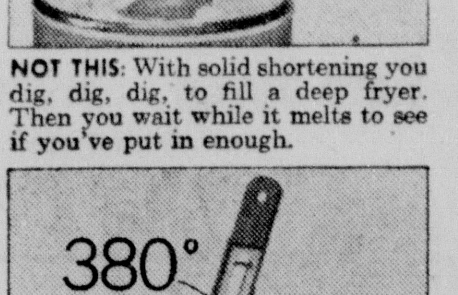
Quick start!

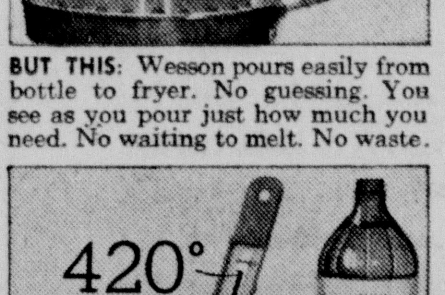
You just *pour* Wesson Oil for good frying....

Delicate Wesson Oil *pours* easily to proper frying level—*heats higher* without smoking — gives *extra safety* for digestible frying. The good foods you fry in this *freshest* of salad oils just couldn't be better tasting or better for your family.

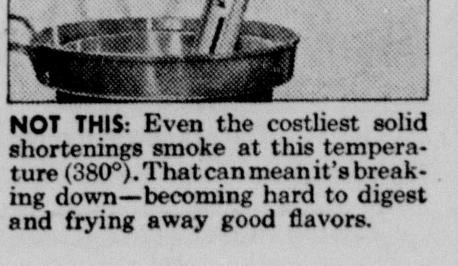




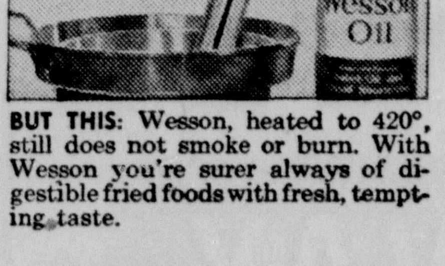
NOT THIS: With solid shortening you dig, dig, dig, to fill a deep fryer. Then you wait while it melts to see if you've put in enough.



BUT THIS: Wesson pours easily from bottle to fryer. No guessing. You see as you pour just how much you need. No waiting to melt. No waste.



NOT THIS: Even the costliest solid shortenings smoke at this temperature (380°). That can mean it's breaking down—becoming hard to digest and frying away good flavors.



BUT THIS: Wesson, heated to 420°, still does not smoke or burn. With Wesson you're surer always of digestible fried foods with fresh, tempting taste.

America's Favorite—the only one you need for liquid shortening and for salads

Wesson® Oil None finer, lighter, fresher

'Red Propaganda'

VIENNA (INS)—A highly placed Roman Catholic official in Vienna said that Hungary's July 16 announcement saying Josef Cardinal Mindszenty had been released was "a gross case of Red propaganda."

The official said Cardinal Mindszenty was sent by the Hungarian Communist regime to a remote place in the Matra Mountains, about 150 miles northwest of Budapest.

Contempt Conviction Of Powell Reversed

WASHINGTON (AP) — Clyde L. Powell, a key figure in last year's investigations of housing "windfalls," Thursday won his fight to keep from going to jail for contempt of court.

Powell

The U.S. Court of Appeals, in a unanimous decision, reversed the contempt conviction of the dapper, gray-haired former No. 2 man in the Federal Housing Administration.

U.S. District Judge F. Dickinson Letts, sitting without a jury, had convicted Powell of giving a federal grand jury "obstructive and contumacious" answers to questions and of disobeying his order to answer certain questions.

The appellate court ruled that Max H. Goldschein, a Justice Department prosecutor, gave Judge Letts a "grossly inaccurate" statement as to what had gone on in the grand jury.

"The finding of the court (Judge Letts) upon the trial for contempt, to the effect that Powell had failed to answer and was obstructive, disobedient, etc., was erroneous," the appellate court said.

The grand jury was searching for evidence of bribery or other criminality on the part of federal employes or promoters in the operation of a vast postwar rental housing program, carried out under a law which expired in 1950. Powell, an assistant FHA administrator, was in charge of the program.

Congressional investigators received evidence of millions in profits pocketed by promoters who obtained FHA-guaranteed loans in excess of actual construction costs. These became known as "windfalls." Powell was ousted in April, 1954. Investigators had heard testimony about heavy gambling losses by Powell and of loans to him by housing project promoters.

Young Utah Girl Pleads Innocent

OGALLALA, Neb. (AP)—Wanda Bailey, 16, Salt Lake City, pleaded innocent to charges of burglary in County Court in connection with a break-in at a Brule, Neb., grocery store.

She was arrested with three Salt Lake City youths by Police Chief Dick Hartman of Sutherland, Neb., Sunday night. The boys, Ed McHenry, 17, Carl McHenry, 15, and Gary Linam, 17, pleaded guilty in County Court earlier in the week. Bond for all four has been set at $1,000.

Hazel Gravatte, Ex-City Employee, Dies In Omaha

Hazel Gravatte, 60, a longtime employe of the City of Lincoln, died in Omaha Thursday.

Miss Gravatte came to Lincoln in 1920 when she started to work for the city in the tax commissioner's office. In 1922, she began working in the city treasurer's office, a post she retained until her resignation in May, 1952.

Miss Gravatte was born at Humbolt, Neb., where she attended and later taught school. She taught school at Grand Island before coming to Lincoln.

Surviving Miss Gravatte are a sister, Anna Mae Miller Omaha; and a niece, Mrs. Iris Baldwin, Omaha. Funeral services will be held at 11 a.m. Saturday at the Fitch & Cole Mortuary in Omaha.

TODAY'S CALENDAR

'Laziness' Saves Life Of Actress

NEW YORK (AP)—British actress Joan Greenwood picked up a prescription from her London pharmacist before she took off for this country on a transatlantic plane.

High above mid-Atlantic, the plane picked up a radioed warning from the pharmacist that he had made a mistake and that the medicine he gave the lovely stage and screen star was deathly poisonous.

The plane arrived here Thursday and Miss Greenwood told newsmen:

"I hadn't taken the medicine, anyhow. It was only laziness that saved me. You know how one is about taking medicine. I just put it off."

Benefit Boost OKd

WASHINGTON (INS) — Legislation that would boost railroad retirement benefits by about 26 million dollars a year was passed by the Senate and sent back to the House for approval of a minor change. The measure, adopted by a vote of 91-0, would increase the maximum benefit payable to the wife of a retired railroad worker to the amount she would get if he had come under the social security system. It was said this could mean an increase from $40 to $54.30 a month.

There's a new ITALIAN DRESSING Marge says is simply super
That's KRAFT'S! It is wonderful... costs less, too
New
KRAFT Italian dressing
A golden, oil-and-vinegar dressing, seasoned with herbs and garlic. Fabulously good!

New Surf with ultraviolet whitener . . .

IT KEEPS NYLON WHITE—GETS OLD NYLON WHITE, TOO!

Do you have any white nylon, too dingy to wear but too good to throw away?

Don't discard it. You can get it beautifully white again. New SURF contains a scientific ultraviolet whitener. It puts ultraviolet rays (like those in sunshine) to work for you. ☼ SURF gets everything—including dingy, yellowed nylon—whiter than ever before! ☼

No bleach, no bluing, no extras to buy with this family-wash detergent that's safe for everything!

No other detergent can get everything you wash—cotton, rayon, yes, even dingy nylon — as white and clean as new Surf with ultraviolet whitener!

Don't discard dingy nylon! Now you can get it truly white again. Not only that, but you can keep your new nylon things *looking* new. And the same wonderful product that does all this will also get your cotton and rayon things whiter and brighter than ever before.

How is all this possible? The answer is a scientific whitener. As you know, it is the ultraviolet rays in sunshine that get things looking so white. This new whitener acts the same way, only it works whether you hang things inside or out. It's not a bleach, not a bluing, nothing you have to add when you wash. It's right in every box of Surf, the detergent that gets *everything* clean. This new Surf is powerful enough to get the grease out of the grimiest overalls. Yet it is safe enough for the sheerest fabrics (mild to hands, too)!

A promise and a guarantee. We promise you that new Surf with ultraviolet whitener will keep nylon white, make dingy nylon look bright again. Perhaps not the first time you wash it. (Remember, it took months to get that way.) But after several washes, you'll see it getting sunshine-white and bright again. In fact, *we guarantee* you'll find Surf does the most complete washing job of any product on the market. Money back if you don't agree. *Better put new Surf on your shopping list right now!* Lever Brothers, New York 22, N. Y.

Bonus School Land Plan To Continue For Present

The system of selling school land leases to highest bonus bidders will continue "until a more equitable method is devised," the State Board of Educational Lands and Funds said Thursday.

The comment was in reply to a series of questions put to the board by R. N. Westover of Alliance, secretary of the Public Lands Leaseholders League.

The League sought during the recent legislative session to bring about sale of the school lands, or a change in the rental system.

Questions Answered

A copy of questions put by Westover, and the board's answers, was released Thursday by Tom Coffey of Alma, board chairman.

Westover asked if the board favors a rental based upon production and market prices.

The board replied that present laws do not permit the bans of rental on production or market prices. But it is hoped, the board said, that a planned tour of school lands and further studies will help the board make "satisfactory suggestions or recommendations" to the next session of the legislature on this problem.

Equitable Return

Referring to rental rates on school lands, the board said:

"The board believes that the school lands should be rented at such a figure that the citizens of the state of Nebraska get an equitable return upon their investment and still allow the tenant to make a reasonable profit on his work and investment while farming the land in such a manner as to leave the land in the same condition for posterity as they now find it."

In answer to other questions, the board said:

That it lacks authority to make any concessions on rent or bonuses for soil conservation practices but "can and does reduce the classification of lands from agricultural to grazing when land is retired to grass land as a conservation measure. A thorough soil conservation study has been undertaken by the board.

Sale Price Problem

That the extent to which sale price should be considered in valuing school land is "one of the major problems of the board." Drought conditions in some areas and government crop restrictions have aggravated the problem. The board's inspection tour of "hardest hit areas," planned for this fall, may provide a partial answer.

(School land is rented at six per cent of its appraised value per year).

That appraisers have been ordered to notify lessees a week in advance of schedule personal inspections of the land, and to contact and consults the tenant.

Lacks Power

That the board lacks power to refuse to separate improved land from unimproved land when such a request is reasonable, although the board has refused to break parcels of land down into 40 or 80 acre tracts.

That blanket bidding has been employed in only one instance—in Sheridan County several years ago—but that the board does not have the legal right to refuse any bid that is submitted in a legal manner.

That the board is trying to discourage the practice of allowing bidding to continue beyond the time of public sale but is handicapped by court decisions and must continue to accept bids if they are advantageous.

That the board "will do everything in its power" to improve lessee-board relations.

That the board feels that appraisals of land should be made by outsiders rather than local persons because of the possibility of "local prejudices."

Navy Worker Is Fired As Security Risk, 'Because Of Parents'

PROVIDENCE, R.I. (AP)—A Navy veteran employed as a civilian metalsmith at the Quonset Naval Air Station has been discharged, effective Friday, as a security risk, because of his parents, he told the Providence Journal-Bulletin Thursday.

Joseph H. Sumner Jr., 26, said he was notified of his dismissal by Capt. Ray C. Needham, commanding officer of the air station, where Sumner has worked in the overhaul and repair shop.

"They told me I was a security risk," Sumner told the Journal-Bulletin. "They told me they have nothing against me. It's my parents. They said there's this attorney general's list and there's an organizatin on it my parents belong to. . . They said I was apt to tell my parents something about my work."

Sumner's parents both denied to the Journal-Bulletin that they belong to any proscribed organizations.

Confirmed

Navy officials at Quonset confirmed that Sumner is being discharged but declined to give any reason because, they said, federal rules forbade their doing so.

Capt. Needham said he would not comment on the term "security risk," saying Navy rules forbid official disclosure of such details. Public reference to the discharge, he said, will be limited to the phrase "separated for reasons relating to suitability for employment."

Sumner's father is a disabled World War I veteran who taught mechanical arts for 27 years in Providence schools and is retired. He said he belongs to the Handicraft club, the Jewish War Veterans and that in 1948 he and Mrs. Sumner were members of the Progressive party.

Mrs. Sumner said she belongs to the World Affairs Council and the Women's Internal League for Peace and Freedom.

None of the organizations listed by Sumner's parents is on the attorney general's list of subversive organizations.

The elder Mrs. Sumner was born in Vilna, Russia, and came to this country in 1908.

The younger Sumner has been employed at Quonset less than a year, is still a probationer and apparently has no rights of appeal. He has asked Sen. Theodore F. Green (D-RI) to help him get a chance to clear his name, lest he be "blackballed and unable to get a job."

COL. RALPH W. BOND

Col. Bond Director Of Base Personnel

Col. Ralph W. Bond is the new director of the 818th Air Division at Lincoln Air Force Base.

Moving to Lincoln with him were his wife and sons, David, 13, and Johnny 7.

Col. Bond moved to LAFB from a Washington, D.C. asisgnment. He has served throughout the U.S. England and from 1949-51 he was stationed in Alaska.

Originally commissioned as an infantry officer, Col. Bond joined the Air Corps in 1941. He has been connected with personnel or administrative work since he joined the Air Corps. On his last assignment in Washington, D.C., he served as liaison officer to the State Department.

Looking for a job? See "Help Wanted" column in the Want Ads.

Stage Set For Final Closing Of Gavins Dam

YANKTON, S. D. (AP) — All but 25 feet of the first section of the closure dike was completed by Thursday as the stage was prepared for the final closing of Gavin Point Dam.

Trucks and draglines had pushed the dike 425 feet into the 600-foot opening through which the Missouri River now is flowing.

Another 25 feet of this dike, rising 7 feet above the level of the river and work will be halted until the final sprint that closes off the river and pushes it through the powerhouse structure of the dam.

Meanwhile a 20-inch dredge continues to lay a sand blanket on the downstream side of the dam which will be used to bolster the dam and provide a place to store the chalk stockpile which will be used for the final closure.

Across the river on the South Dakota side a similar stockpile was being built up.

The flow of water is steadily being choked off at Fort Randall Dam, 70 - odd miles upstream and by Friday engineers said the river was down two feet at Gavins Point.

The climax of the closure operation will come Sunday when thousands are expected to be on hand for ceremonies during which the final diversion of the river will be made.

Opinion On Hog Feeding Is Given

State institutions do not need a license to process garbage for feeding to hogs, an attorney general's opinion held Thursday.

Nebraska law requires that persons engaged in processing garbage for hog feed obtain a permit and pay a $25 fee. But the attorney general's opinion, written by Assistant Attorney General Homer Kyle, says state institutions are exempt from this requirement, although still subject to the law which forbids feeding of raw garbage to swine.

Dr. J. L. George, state veterinarian who asked the opinion, also asked:

Where several parties use the same cooker for cooking garbage but each feeds swine on his own private premises, is each required to obtain a license?

The attorney general said no; that each processing plant must have a license and pay the fee but may serve any number of feeders without additional licenses or fees.

Stole Own Car

DETROIT (AP) — For breaking into a garage to steal his own car, Erving Boozer, 45, of Detroit, was sentenced to 1½ to 15 years in prison.

Boozer was convicted March 26 of breaking into a garage, where he had left his car for repairs, taking his car and also going through the files and destroying a $362 bill for the work.

Three Homes Destroyed In Mitchell Gas Main Blast

Flares Alongside Pipe Ignite

MITCHELL, Neb. (AP) — A natural gas main running through the North Platte Valley exploded and caught fire Thursday, destroying three dwellings, some telephone poles and hedges at the southwest edge of Mitchell before it was brought under control.

Occupants of the three dwellings escaped unhurt. Sargosa Martinez, who occupied one of the dwellings, said he heard the explosion, looked out and saw flames two or three times the height of his house.

"I thought it was an earthquake," he said. The other families driven out were the Dwane Ewing and Mary Miranda families.

The pipe, part of an 8-inch main leading from Capser, Wyo., was lying in a ditch, but was not covered. The line was under 200 lbs. of pressure and flares were placed along the ditch bank to mark the line.

During the night irrigation water from nearby fields flowed into the ditch, floating the pipe, which raised and cramped until it broke at one joint.

The gas apparently was ignited by the flares and flames soared 75 feet in the air. The Mitchell fire department was unable to put out the gas fire, but poured water on nearby buildings until the gas could be cut off at Torrington, Wyo., and Mitchell.

The main was owned by the North Central Gas Co.

MRS. MALLETTE

Doane Instructor Asked To Serve At Aquatic School

Lincoln Star Special

CRETE, Neb.—LeNette K. Mallette, instructor in women's physical education at Doane College, has been invited by the American Red Cross to serve on the faculty for the National Aquatic School during the month of August. The school will be conducted at Lake Poinsett, Arlington, South Dakota.

Mrs. Mallette, a qualified Red Cross water safety and first aid instructor, is in her fourth year as Saline County water safety chairman. She is secretary-treasurer of the Nebraska Association of Health, Physical Education, and Recreation.

$5,500 Deficit Reported On NationalRodeo

HARRISON, Neb. (AP) — The Harrison Veterans of Foreign Wars post has reported a $5,500 deficit in staging the National High School Rodeo last week.

John Federle, former publisher of the Harrison Sun, said expenses were "terrific" in addition to the original outlay of more than $15,000 to provide facilities for the event.

A major item was 146,500 miles of travel by the 200 contestants. The rode committee must reimburse these youngsters for travel expenses.

Federle said the VFW post is appealing to Nebraska brand holders to help make up the deficit. Original financing plans asked each brand holder in Nebraska to contribute $1 to help bring the event to the state. Only about $1,500 was received as the result of these letters which were sent to 28,000 brand holders.

Morrill Farmer Honored For His Tornado Alert

SCOTTSBLUFF, Neb. (AP)—David Grasnick, farmer near Morrill, was honored for his alert on a tornado here June 27.

A certificate was given Grasmick by the Weather Bureau and Department of Commerce for "taking the initiative which enabled the Weather Bureau to better warn of the tornado and possibly save life and property."

Grasmick telephoned the Weather Bureau here with news of the twister after it struck near his farm and the bureau spread the warning.

James M. Beall, agricultural meteorologist of the Federal Weather Bureau in Washington, made the presentation.

Sidney Girl Wins $500 In National Elks Club Contest

OMAHA (AP)—Janet Lee Hartman of Sidney has been announced as winner of a $500 award in the National Elks Foundation "Most Valuable Student" contest held in Philadelphia.

W. W. Wenstrand, Omaha, chairman of the Elks Youth Activities Committee, said scholarship and citizenship were the principal criteria in selecting the recipients of the national cash awards.

Hassel Appointed Dean Of Students At Wayne College

WAYNE, Neb. (AP) — Milton J. Hassel, director of special services at Wayne State Teachers College, has been named dean of students, succeeding Dr. Arthur H. Price, who is resigning.

Dr. John D. Rice, president, announced that Milton Ochsner of Ceresco, will fill Hassel's position as special services director.

Hassel came to Wayne in 1947 as principal of Wayne Prep, and became special services director in 1953. Dr. Price has resigned to become co-ordinator of the evening school at San Jose State College, San Jose, Calif.

Ochsner is a 1951 Wayne graduate.

Dr. Rice also announced that Frank Williams of McGregor, Minn., will become campus school physical education and science teacher and Don Selakovich of Pueblo, Colo., will take over social science and guidance work in the campus school.

Senate Committee Okays Plan For Omaha Building

WASHINGTON (AP) — The Senate Public Works Committee Thursday approved a plan for the lease-purchase of a new federal building in Omaha.

Under the plan, the govermment would buy through rentals a 10 - story $9,500,000 building to be erected privately. It would house the post office, federal courts and other federal agencies.

A House Public Works Subcommittee also approved the proposal Thursday. The full house committee is to consider it Friday.

Once the proposal has been approved by the Public Works Committees of both the Senate and the House, contracts can be let.

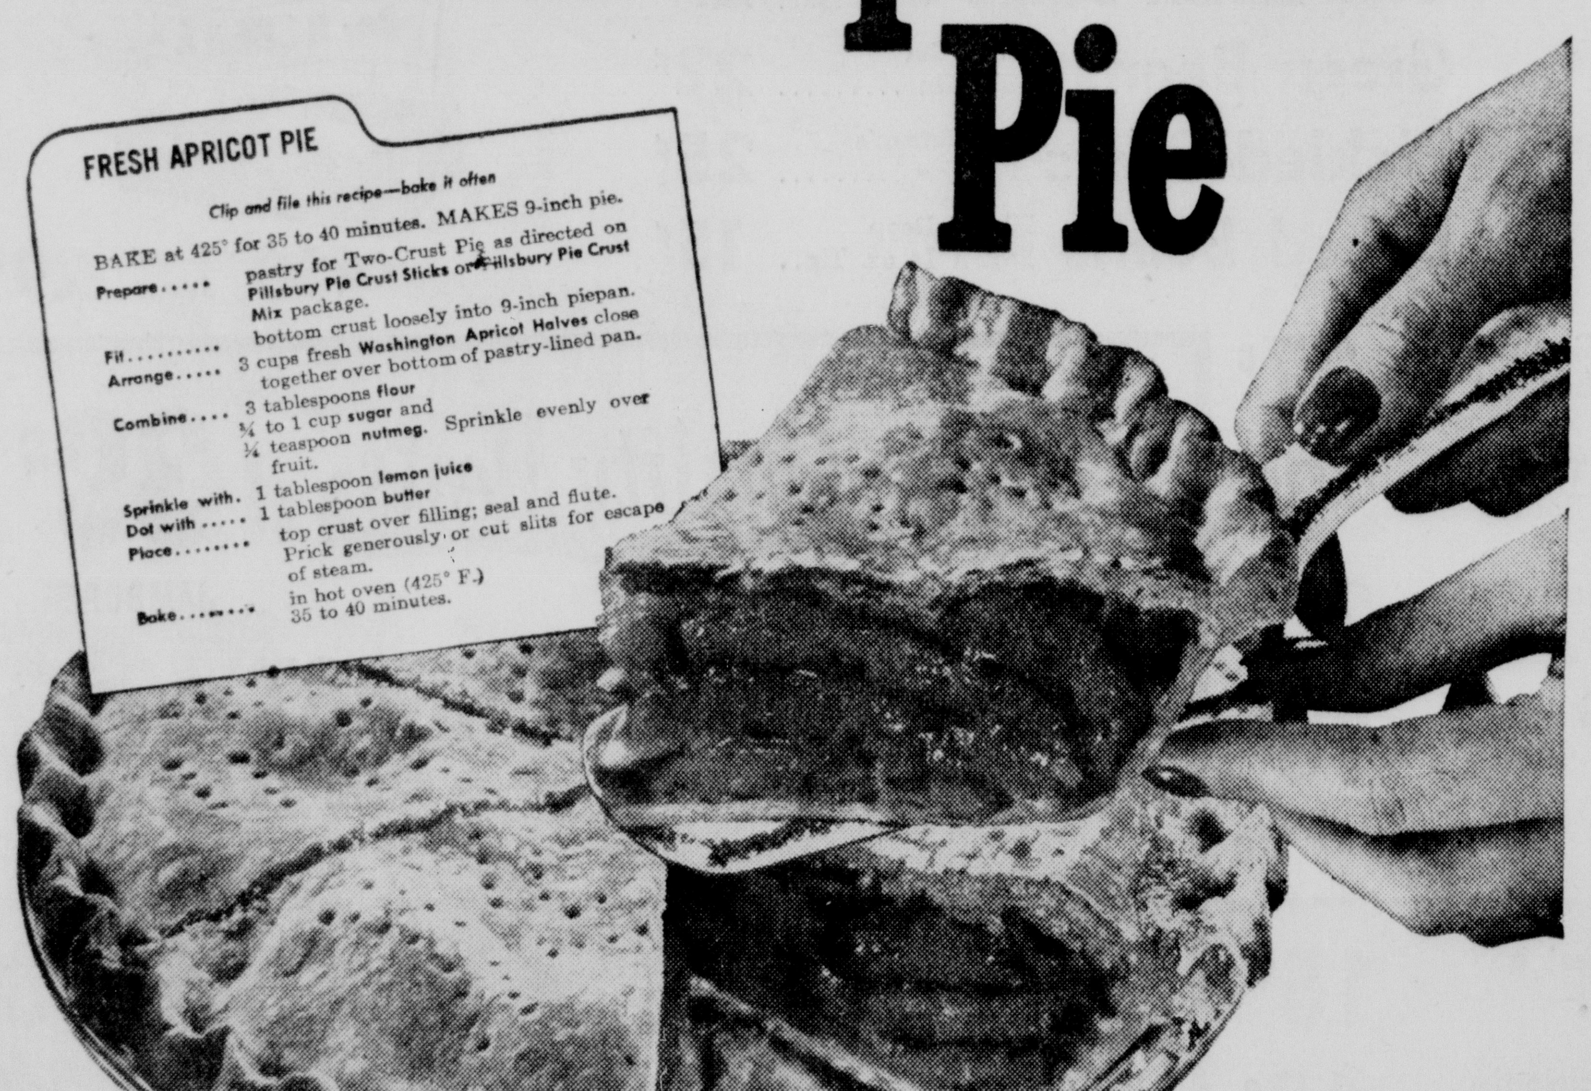
Fresh Apricot Pie



FRESH APRICOT PIE
Clip and file this recipe—bake it often
BAKE at 425° for 35 to 40 minutes. MAKES 9-inch pie.
Prepare..... pastry for Two-Crust Pie as directed on Pillsbury Pie Crust Sticks or Pillsbury Pie Crust Mix package.
Fit.......... bottom crust loosely into 9-inch piepan.
Arrange..... 3 cups fresh Washington Apricot Halves close together over bottom of pastry-lined pan.
Combine.... 3 tablespoons flour
¾ to 1 cup sugar and
¼ teaspoon nutmeg. Sprinkle evenly over fruit.
Sprinkle with. 1 tablespoon lemon juice
Dot with..... 1 tablespoon butter
Place........ top crust over filling; seal and flute. Prick generously or cut slits for escape of steam.
Bake........ in hot oven (425° F.) 35 to 40 minutes.

For your filling–those wonderful
WASHINGTON APRICOTS

New, easy recipe for a wonderful fruit pie! Twice wonderful when the apricots come from the famous fruit country in the State of Washington. Plump, juicy, tender and orchard-fresh—and now at your grocer's! Buy a box. Can or freeze the rest for sunny apricot pie the year around.

Like cherries? Then ask for the extra-choice Pacific Northwest cherries.

For your flakier crust—
Pillsbury PIE CRUST Mix

Pillsbury's the mix that makes flakier, more tender pie crust a certainty—every time! Flour and shortening blended at low temperatures by Pillsbury's exclusive Chill-Blended process. Golden, flaky crust (plenty for a big two-cruster) and water is all you add! Get a package today.

Or try new Pillsbury Pie Crust Sticks. Also Chill-Blended for flakier crust.

Panhandle Harvest Still On Stop-Go Basis

Showers Delay Wheat Cutting; Boxcar Shortage Is Being Felt

By The Associated Press

Rains continue to keep the Panhandle wheat harvest on a stop-and-go schedule.

Rains fell here and there through the Panhandle accumulating to more than half an inch at one point in Alliance. They were fairly general over Kimball County and .10 of an inch fell at Scottsbluff.

Nebraska News

Fields had been deep and damp even before those rains.

Combines were reported harvesting in the Hemingford area, but the ripening there had been slow and spotty.

Box Car Shortage

The boxcar shortage also was being felt, as it had been farther east and south. A Minatare elevator closed down from Friday until Tuesday morning because of the shortage.

One elevator operator in the Scottsbluff area reported protein quality of the new wheat "runinng all over the board."

It was also varying in Kimball County. Elevators in the town of Kimball said the average was slightly over 12 per cent. In the Scottsbluff area the range was 9 to 15 percent with the average estimated at 12.50 to 12.75 per cent.

Bonus Paid

Kimball elevators were buying wheat on the basis of protein content. A 25 cents a bushel bonus was being paid for that over 12 per cent.

Yields around Kimball were reported running better than 20 bushels an acre, some as high as 40 bushels.

In the eastern part of the state, corn detasseling in the Fremont area was described as "over the hump."

Some of the hundreds of youthful detasselers were being laid off as the supply exceeded the demand.

The detasseling period was lasting a little longer this year because of a wider spread in the planting times this spring than a year ago.

Services Saturday For Mrs. Barrett

Lincoln Star Special

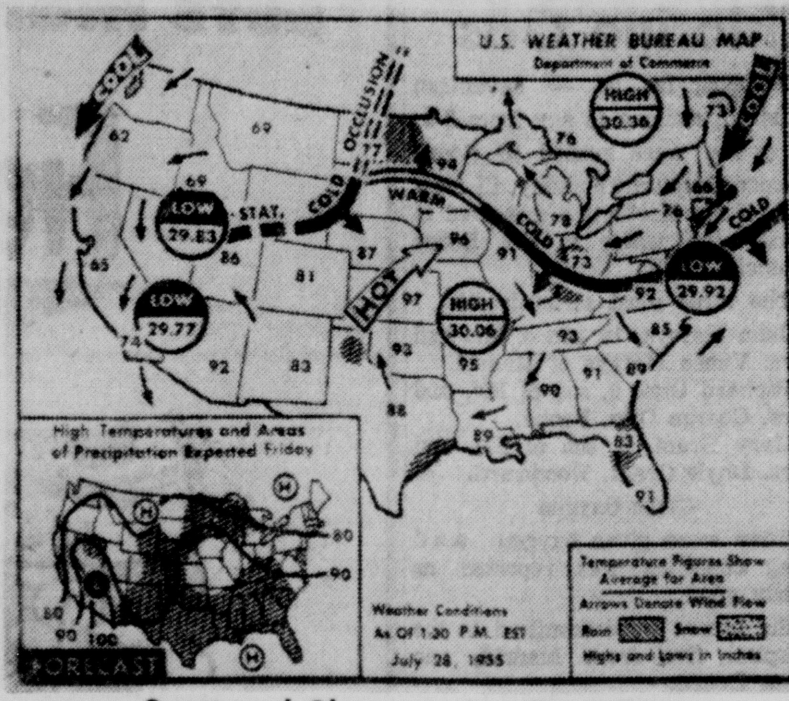
DORCHESTER, Neb. — Funeral services for Mrs. Rebecca Barrett, 80, lifelong resident of Dorchester, will be held at 10 a. m. Saturday at the Volland Chapel at Dorchester. She died in a Friend hospital.

Surviving are two brothers, Asa Parker of Lincoln and Joe Parker of Dorchester, and several nieces and nephews.

Jersey Breeders Show Set for Seward Aug. 9

SEWARD, Neb. (AP)—A Jersey breeders show will be held in Seward Tuesday, Aug. 9, with Clinton Stahly of Milford chairman of the event.

The show is open to all Jersey cattle in the area and about 60 head are expected to be consigned to the event.



Scattered Showers Are Forecast

Showers and scattered thunderstorms are forecast Friday for the Ohio valley south to the Gulf and in Texas north through the Plains, including upper Mississippi valley and western Great Lakes. It will be fair elsewhere. It will be warmer in the Great Lakes and also in northwest Pacific. It will be cooler in parts of the middle Atlantic states and in the western area of the Dakotas. (AP Wirephoto Map)

Nebraska EUB Camp Season Under Way At Riverside Park

MILFORD, Neb. — The annual camping season for the Nebraska Conference of the Evangelical United Brethren Church is under way at Riverside Park near here.

Saturday marks the end of the junior high camp I one-week session. This camp was under the direction of the Rev. Vernon Schroeder of Ralston, who was assisted by the Rev. Walter Millett of Orchard. The Rev. Wayne Schreurs of Geneva served as recreation director with the Rev. Paul Riggs of Hoskins as craft coordinator. Guest speaker was the Rev. Robert C. Painter of Marshall, Minn.

The Rev. Richard C. Pfaltzgraff of Kalona, Ia., will serve as guest speaker at the junior high camp II, convening for a week beginning Sunday at 2 p.m. The Rev. Harold Massie of Shelton will be camp director, with the Rev. Alvin Hildebrand of Norfolk as associate director. The Rev. Armin Vogt of Eustis will serve as recreational director with the Rev. Donald Nunnally of Seward as craft coordinator.

The annual adult assembly will get under way Monday, August 8, with sessions continuing through Sunday, August 14.

Guest speakers for the adults will include the Rev. William E. Daeschner of Topeka, Kan.; W.C. Lasater, newly elected superintendent of the Rock Mountain Conference; Bishp L. L. Baughman of Kansas City, Mo.; and Prof. Francis W. Belter of the Evangelical Thelogical Seminary, Naperville, Ill.

Also convening on August 11 to 14 at Riverside Park will be the Women's Society of World Service of the Nebraska EUB Conference. Guest speakers for the women's group will include Mrs. Lena Doescher of Dayton, O., secretary of missionary education for children and youth of the EUB church; and Miss Velma Squiers of the Red Bird Mission staff, Beverly, Ky.

Bishop Baughman, Supt. Lasater and Prof. Boelter are scheduled to address the men's congress which meets Saturday, August 13.

The concluding session of the camping season will be the senior young people's youth fellowship convention, meeting from August 14 to 20. The Rev. John R. Knecht of Dayton, O., assistant secretary of evangelism of the EUB church, will be guest speaker.

Polk Countians Buy 67% Of Bond Quota

STROMSBURG, Neb. — E. C. Nordlund, savings bond chairman of Polk County, announces that Polk Countians had bought 67 per cent of the year's bond quota as of June 30, 1955.

N.P. Champ Named

NORTH PLATTE (AP) — Betty Heidbreder is the 1955 North Platte Women's City Golf champion.

Miss Heidbreder, a North Platte Telegraph-Bulletin reporter, dethroned defending champion Edith McIntosh Wednesday at North Platte Country Club, 3-2.

Studies Made By Library Of Congress—

Crockett Hired A Sub To Tote His Rifle

By ARTHUR KRANISH

WASHINGTON (INS) — Davy Crockett may have been king of the wild frontier but according to Thursday's Congressional Record he once got so tired of toting a rifle he hired a substitute to fill out his Army enlistment.

What's more, a Library of Congress study showed, Crockett's aversion to things military was unabated years later. As a congressman he asked the House of Representatives to abolish the West Point Military Academy.

'Indolent, Shiftless'

The Library also accused Davy of being so "indolent and shiftless" that he couldn't make his farm pay despite a dowry of "two cows with calves" and a $15 loan.

But don't throw away those coonskin caps, kids. Davy had his better moments according to the report:

"Crockett was a brave soldier, an able scout and an expert rifleman. He was generous and open handed and upright, of a sterling independence of spirit and blessed with a bubbling good nature and an exceptional degree of self confidence."

Congressman's Request

The two reports were prepared by the Library at the request of Rep. Clyde Doyle (D-Calif) who placed them in the Congressional Record because many adults and youngsters wanted to know the facts.

One report was based on a search of documents in the national archives deal with Crockett's service in the 20th, 21st and 23rd Congress. Of the 28 resolutions and reports all but a few dealt with "poor barrel" legislation — roads, water projects and pensions for constituents.

The Library's history and general research division submitted the account of Crockett's career which included the allegation that Davy served under Andrew Jackson in the Creek War of 1813-14, "but retired before the end of the campaign, hiring a substitute to fill out his term of enlistment."

He Got Learned

Crockett had an aversion to schooling, according to the report, but at 18 he went to school for nearly six months "to heighten his chances with the girl of his choice." That learned him. He found out he had been jilted and quit.

Some months later he married Polly Findlay "and on a rented tract, with a horse, his bride's dower of two cows with calves and $15 capital borrowed from a friend he set up a home of his own."

"Though a mighty hunter, he was a poor farmer," the study showed.

"Unless he woefully miscounted his victims," the report said he succeeded in killing 105 bears during an 8 to 9-month period.

Not a Student

"His knowledge of public questions, meager at the start of his career, was probably not greatly enhanced by his service in Washington," the Library said. It added:

"And he was not a student. He rather prided himself on his lack of education—correct spelling appearing to him in the main as something 'contrary to nature' and grammar 'nothing at all,' despite 'the fuss that is made about it'."

Did Davy die at the Alamo? The Library says he arrived at the Alamo in February, 1836, "took part in its heroic defense, and fell, bullet riddled in the final assault."

To your health!

17 Swimmers Made Ill By Chlorine Gas

BOONE, Ia. (AP) — Seventeen children, ranging in age from 8 to 13 years, were rushed to Boone County Hospital Thursday, ill from the effects of chlorine gas used to purify the water in the Boone Municipal Pool.

The three most seriously ill:

John Mataya, 12, son of Mr. and Mrs. Vance Mataya of Madrid.

Richard Otto, 8, son of Mr. and Mrs. Goerge Otto, Boone.

Gary Grant, 8, son of Mr. and Mrs. Doyle Grant, Woodward.

Given Oxygen

They were given oxygen and their condition was reported as fairly good.

Six others were admitted to the hospital, five from Madrid, one from Boone.

The eight others were treated and released.

Leaky Tank

Tuesday night, pool personnel found a valve on a chlorine tank would not close and there was some leakage. Thursday morning, they laid the leaky tank on the ground outside one of the buildings.

A south wind blew the fumes from the tank back over the pool.

The youngsters, participating in a swimming class, became quickly and violently ill.

On Aug. 19, bids will be opened at Emerson on paving of two-tenths of a mile on Main Street in Emerson—a project estimated to cost $38,000. Half of the cost would come from feweral aid primary funds, one-fourth each from village and state funds.

Picnics are more fun for me...knowing there's CLOROX at home!

CLOROX® makes linens *more than white*... it makes them *sanitary*, too!

There's no fun in a picnic if you're worrying about laundering afterwards. Don't worry...enjoy yourself! Leave soiled cottons and linens to Clorox. Clorox quickly takes out dinginess, stains...even scorch and mildew. Clorox protects health, too, because it disinfects. No other home laundering product equals Clorox in germ-killing efficiency!

Clorox also deodorizes...leaves linens fresh-smelling whether you dry indoors or out! It is an extra-gentle bleach, too, free from caustic, made by an exclusive, patented formula. And Clorox, a liquid, contains no gritty particles to damage wash, washer or dryer.

Save yourself steps! Keep CLOROX handy in kitchen and bathroom, too!

Besides being a washday regular, Clorox is a wonderful wife-saver in routine cleaning of kitchen and bathroom surfaces. It not only removes stains and deodorizes, it disinfects...provides a type of disinfection recommended by public health authorities. A look at the label will let you in on the many ways Clorox makes your housekeeping easy, your house sanitary.

You get all these benefits in a Clorox-clean wash!

1. Snowy-white linens...Clorox removes gray and yellow dinginess.
2. Bright fast colors...Clorox removes dulling film.
3. Lovely-looking linens...Clorox removes ugly stains, even scorch and mildew.
4. Fresh, clean-smelling linens...Clorox deodorizes.
5. Sanitary linens...Clorox is the most efficient germ-killer of its kind.

A-Science For All Is Ike Hope

Inaugurate 'Atoms For Peace' Stamp

WASHINGTON (AP) — President Eisenhower said Thursday he hopes men will reject the impulses of their own avarice, selfishness and greed and apply the science of atomic energy to "the good of us all."

He spoke at a White House ceremony inaugurating the first day sale of a new, three-cent "Atoms for Peace" postage stamp.

The President told diplomats from 73 nations and American officials that the United States has been attempting to do its part in promoting the "peaceful, the good uses" of this new science.

He added this country will leave no stone unturned in seeking new ways in which all peace-loving nations "can, without threat to anybody else, without fear for our own security, move forward in this field."

Ike Quoted

The border of the new stamp carries this quotation from Eisenhower's Atoms-for-Peace address to the United Nations Dec. 8, 1953:

"To find the way by which the inventiveness of man shall be consecrated to his life."

Soviet Russia sent counselor Sergei R. Striganov to the ceremony.

U.S. Representatives

The United States was represented by Vice President Nixon, Cabinet members, congressional leaders in the atomic field, and other government and philatelic officials.

Postmaster Gen. Arthur Summerfield described the stamp as "an ambassador of good will and of hope," and said issuance and use of 120 millions of the new stamps will be a "powerful instrument in humanity's quest for a permanent world peace, based on mutual confidence and trust."

Window Washer Files Suit For $75,000 Damages

OMAHA (AP) — Charles Howard tumbled 30 feet in May of 1954 while washing windows at the Beacon Press and he now has on file in District Court a suit asking $75,000 damages from Chester A. and Frank L. Root of Los Angeles and Beacon Press.

Howard, who now lives in Hastings, said he fell when he tried to fasten his safety belt to "nonexistent bolts," and charged this was a violation of the city building code through failure to provide safety facilities.

Betrothal Announced

MISS ANN KATHARINE LUNDY

Lt. Col. and Mrs. Walter D. Lundy of Ft. Huachuca, Ariz., formerly of Lincoln, this morning are announcing the betrothal and approaching marriage of their daughter, Ann Katharine, to Robert James Albers, Jr., son of Mr. and Mrs. Robert J. Albers of Roca.

The wedding will be an event of Monday, Aug. 22.

Miss Lundy, who is the granddaughter of Mrs. Roy D. Kile of Lincoln, is a former student at the University of Lausanne, Lausanne, Switzerland, and is now attending the University of Nebraska.

A June graduate of the University of Nebraska College of Agriculture, Mr. Albers is a member of Theta Xi fraternity.

Had Evening Ceremony

MRS. LOUIS ERNEST ENDORF

At an early evening ceremony which took place Sunday, July 24, Miss Evelyn Ernestine Sloneker of Lincoln, daughter of Mr. and Mrs. E. T. Sloneker of Phoenix, Ariz., became the bride of Louis Ernest Endorf, son of Mrs. Mary Endorf of Tobias. The 7 o'clock service was solemnized by the Rev. Edwin Beckler at Zion Lutheran Church in Tobias, and Glen Erber, organist, played the wedding music. Mr. Erber also accompanied Duane Wolken, vocal soloist.

Mrs. Donald Tenopir of Crete was the matron of honor and appeared in a frock of pink lace and tulle. Lace fashioned the snug bodice, which tapered to a narrow waist, and the skirt of tulle over taffeta was waltz length. She carried a nosegay of blue-tinted carnations. Wearing costumes of pastel net over taffeta were the flower girls, Miss Mary Jean Steinbrook and Miss Janet Schultis.

Lighting the candles which marked the processional aisle and the tall white tapers which, with bouquets of white gladioli, appointed the altar, were Gordon Steinbrook and Lloyd Orth, nephews of the bridegroom.

Don Tenopir of Crete served as best man, and seating the guests were Weldon Endorf of Western, and Eugene Howe of Crete.

The bride's gown was fashioned of cloud blue tuile and lace over matching taffeta. The strapless tulle bodice was covered by a long-sleeved jacket of lace, designed with a flaring collar and snugly buttoned to the waist, and the danseuse-length skirt of tulle was caught into fullness. Her small hat was briefly veiled with blue illusion, and she carried a fan of lace and satin clustered with white roses and asters.

Following the ceremony, a reception for 160 guests was held in the church parlors. Mr. and Mrs. Endorf left for a wedding trip to St. Paul, Minn., after which they will make their home at Tobias.

Another Dawn

ANOTHER morning filled to the brim with interesting things to talk about—and our conversation this newsy dawn includes something extra special in the way of guests. those who will arrive and those who have departed, and of course mention of the many mid-summer travelers and vacationers.

* * *

WE understand that planning to arrive in Lincoln about the first week in August will be Lt. Col. and Mrs. Walter D. Lundy, former residents of the city, who will come from their home at Ft. Huachuca, Ariz., for an extended visit with members of their family and friends.

The Lundys will be the houseguests of Mrs. Lundy's mother, Mrs. Roy D. Kile, and of course will remain in Lincoln until after the wedding of their daughter, Ann Katharine, and Robert James Albers, Jr., which will take place on Monday, Aug. 22.

* * *

MENTION of Mrs. Kile reminds us that her daughter, Mrs. Lyman Wallin, and her children, David and Karen Louise, who have been her guests in Lincoln the last month, left on Wednesday to join Mr. Wallin in their new home at Washington, D. C. While Mr. Wallin, who is associated with the Department of Agriculture, did the househunting in Washington, Mrs. Wallin and the children stopped off in Lincoln en route to the east coast from their former home at Helena, Mont.

* * *

NEWS of vacationers must include Mr. and Mrs. Tom Sweeney who will leave the first of the week for Cheyenne, Wyo., where they will spend several days before going on to their favorite vacation spot at Rand, Colo., on the western slope of the Rocky Mountains. There they will be joined in the near future by Mr. Sweeney's brother-in-law and sister, Mr. and Mrs. W. C. Denny and son, of Evanston, Ill., and completing the group will be Mr. and Mrs. J. L. Berggren of Omaha.

* * *

WE learned that vacation plans for the Edgar Wescotts have been delayed somewhat by a slight accident—well, an accident, anyway, for Miss Jane Wescott, who had the bad luck to break her arm this week. Janey will be visiting the doctor on Monday instead of swimming in Jackson Lake, Wyo., but the Wescotts' future plans still include a vacation trip to the Tetons.

* * *

AN addition to the list of homecomers is Mrs. W. Clyde Davis who returned home early this week from a three-months vacation trip to the west coast. Mrs. Davis visited in Portland, Ore., and Seattle, Wash., and included in her travels a trip by plane to the Hawaiian Islands, where she spent several weeks.

* * *

THEN, someone told us that last week end, Wendell Harding and his daughter, Sonya, and Roger Strauss, son of Mr. and Mrs. James Strauss, attended the National High School Rodeo at Harrison, Neb.

More news about the Harding family tells us that Mrs. Harding and her daughter, Sonya, will be leaving next week for Oregon. They will be spending a month vacationing on the coast at Seaside, Ore.

* * *

AND in town for a very brief visit are Mr. and Mrs. Edward Chamberlin of Seattle, Wash., who arrived Thursday evening en route home from a trip by car to eastern states. Mr. Chamberlin is an alumnus of the University of Nebraska and a member of Beta Theta Pi.

* * *

JUST learned that next Tuesday, which of course is Ladies Day at the Lincoln Country Club, will also be guest day for the feminine members of the club, whose program will include a morning of golf followed by a luncheon. Mrs. Jack W. Stewart is chairman for the day and will be assisted by Mrs. Richard Agee and Mrs. George Abel.

Guests From New York

Making their first visit to Nebraska are Mr. and Mrs. William Males and their son, Richard, of New York City who are the houseguests of Prof. and Mrs. Paul A. Phillips.

The guests are en route to their home following a vacation trip to western states, but in spite of the fact that they are getting an excellent sample of the state's "corn weather", Mrs. Males and her son will remain in Lincoln for a visit of several weeks, while Mr. Males leaves Friday to return to the east coast.

Mr. and Mrs. Males and the Phillips family were fellow easterners before Prof. Phillips joined the College of Law faculty at the University of Nebraska. In fact, Richard Males and the Phillips' son were New York City school classmates.

We Hear That

Mr. and Mrs. Jack Obbink, 1720 So. 50th, are the parents of a daughter born July 28 at Bryan Memorial Hospital. Mrs. Obbink, the former Dorothy Johansen, is the daughter of Mrs. K. J. Johansen of Blair, Neb. The paternal grandparents are Mr. and Mrs. R. J. Obbink of Lincoln. Both Mr. and Mrs. Obbink attended the University of Nebraska.

Out Of Town Guests Arrive

Guests in Lincoln to attend the weding of Miss LaVonna Brunner and Dallas Dean Lee, which will take place Sunday evening at Trinity Lutheran Church, include the bridegroom-elect's parents, Mr. and Mrs. C. L. Lee of Durand, Mich., Mrs. Glenn Englebrecht of Vallejo, Calif., Mr. and Mrs. Arnold Krueger and family of Sacramento, Calif., and Mr. and Mrs. L. H. Dumke and family of Minneapolis, Minn.

Plans Luncheon

About 25 members of the Alpha Gamma Delta Alumnae Club are planning to attend their annual "midsummer get-together" on Saturday.

Mrs. Hugh Sherwood is in charge of arrangements for the one o'clock luncheon to be held at the University Club.

Bride On Thursday

MRS. GERALD L. INGRAM

White cathedral candles burning in bronze candelabra, and arrangements of white gladioli and stephanotis, appointed the altar and chancel of St. Luke's Church, Episcopal, at Kearney Thursday afternoon, July 28, for the marriage of Miss Nancy Lea Randall, daughter of Mr. and Mrs. Everett Randall, to Gerald L. Ingram, son of Mr. and Mrs. William Ingram, all of Kearney. The 4 o'clock ceremony was solemnized by the Rev. Eric Pearson, and Miss Miriam Worlock, organist, played the wedding music.

As her sister's matron of honor, Mrs. Herbert A. Saxton of Kearney wore a frock of white dotted Swiss over taffeta. Beneath the snug bodice, which was fashioned with cap sleeves, the skirt flared crisply into waltz length, and she carried a crescent of scarlet roses. Wearing identical ensembles were the bridesmaids, Miss Ellen Svoboda of Cozad, Miss Marilyn Eaton of Fremont, Miss Marian Scott of Beatrice; and the bridesmatrons, Mrs. Joyce Anderson, sister of the bridegroom, Mrs. William Ingram Jr., and Mrs. Dale Ingram, all of Kearney. Miss Cheryl Anderson and Miss Linda Ingram were the flower girls, and ringbearers were Timothy Anderson and Greg Ingram.

William Ingram Jr., of Kearney, served his brother as best man, and the corps of ushers included Dwain Ingram of Lincoln, David Barth, Douglas Mayberry, Donald Sheen, Dale Ingram and James Tiye, all of Kearney.

For her wedding, the bride chose a gown of white, imported dotted Swiss over a sheath of white taffeta. A low, rounded neckline accented the Empire bodice, which was completed by short, puffed sleeves trimmed with tiny bows of corded Swiss. Beneath the molded waist, the extremely full skirt was softly shirred and caught at the back in deep pleats which extended into a train, and her veil of illusion was held by shell-cap of beaded illusion. She wore short mitts of the dotted Swiss and carried a cascade of white roses.

A reception was held in the Crystal Room of the Ft. Kearney Hotel. Upon their return from a short wedding trip, Mr. Ingram and his bride will reside in Kearney.

A graduate of the University of Nebraska, Mrs. Ingram is a member of Pi Beta Phi sorority. Mr. Ingram recently completed service with the Navy.

The Brides' Book

Miss Joan Marshall, daughter of Mr. and Mrs. Walter E. Marshall, has announced that her marriage to Wesley Reist will take place on Sunday afternoon, Sept. 4. The ceremony will be solemnized at 4 o'clock at the First Methodist Church.

A student at the University of Nebraska, Miss Marshall is a member of Alpha Chi Omega sorority and of Mu Phi Epsilon national music sorority. Her fiance is a graduate of the University of Nebraska and is completing his studies for a Masters Degree at the University of Nebraska School of Music.

A late summer bride-elect is Miss Dorothy Simon, whose marriage to William Renner will be an event of Sunday, Aug. 14. For her matron of honor, Miss Simon has chosen Mrs. Ralph Taylor of Ft. Leonard Wood, Mo., and her bridesmaids will be Miss Mary Towne, Miss Anne Palmer, Miss Patricia Farr and Miss Betty Zajicek.

Mrs. Clark Wieland of Omaha, and Mrs. Edward Carter of Ft. Worth, Tex., will light the candles preceding the service, which will be solemnized at Trinity Lutheran Church.

Serving Mr. Renner as best man will be Owen Otto of St. Louis, Mo., and the ushers will be Winston Simon and Robert Simon, brothers of the bride-to-be, and Richard Dunklau, all of Lincoln, Dwaine Eckert of Stanton, and James Wiechert of Brookings, S.D.

On Wednesday evening, Miss Simon was the honored guest when Mrs. Elmer Schroeder and Mrs. Harvey Nash entertained at the home of Mrs. Schroeder.

Included among the 15 guests were Mrs. Fred Simon of Martell, and Mrs. H. C. Liesberg of Beatrice.

Other recent courtesies honoring Miss Simon include the informal evening supper for which Miss Betty Zajicek and Mrs. Jerry Jensen were co-hostesses last week at the home of Miss Zajicek. Ten guests were invited to the party and presented a personal shower to Miss Simon.

Another popular August bride-elect is Miss Margaret Spearman, who was the honoree last Tuesday evening at a miscellaneous shower given by Mrs. Paul Crewdson and her daughter, Miss Doris Crewdson, at their home. Thirty guests were invited to the mother-daughter party and attending from out of town were Mrs. Marie Crewdson and her daughter, Miss Patricia Crewdson, of Hastings, Mrs. Anna Miller of Farnum, and Miss Janice Garbley of Eustis.

Miss Spearman will become the bride of Dewain Crewdson at a ceremony to take place Sunday evening, Aug. 28.

And honored on Wednesday evening was Miss Lorena Scott, whose marriage to Francis Houchen will be solemnized on Sunday afternoon, Aug. 7.

In courtesy to the bride-elect, Miss Judy Phipps was a hostess at the home of her parents, Mr. and Mrs. Guy W. Phipps, Wednesday evening, when she entertained a group of guests at a miscellaneous shower.

Attend Invitational Golf Day

The heat didn't seem to bother the feminine golfers at Hillcrest Country Club Thursday morning, or if it did, no one was complaining, because members and their guests turned up bright and early for the club's annual Invitational Golf Day.

Ready to tee off following the 7 o'clock brunch at the club Thursday morning are (from the left) Mrs. Ted Franks and her guests, Mrs. Fred Patz of the Lincoln Country Club Mrs. Ray Muzzy of Fremont, and Mrs. Earl Anderson, also of the Lincoln Country Club.

Many feminine golfers came down from Omaha for the morning's event which was highlighted by an innovation, refreshments served at the 9th hole. Hostesses were Mrs. Willard Alfson, Mrs. Lyle Hans and Mrs. Dean Swanson.

The day's activities concluded with a luncheon in the club house at 2 o'clock. In charge of arrangements were Mrs. Carl Fisher, Mrs. William Roesler and Mrs. Werner Lienert, and greeting the guests were Mrs. Victor Sloan, Mrs. Bernie Anderson and Mrs. Robert Brittin.

Mrs. Roy Vermaas served as "assistant golf pro", and locker room hostesses were Mrs. James Carrier, Mrs. John Herrod and Mrs. Donald Schoen. Mrs. William Jennings, Mrs Earl Vermaas and Mrs. Bud Sibley were in charge of prizes.

Announces Attendants

Completing plans for her July 30 wedding is Miss Carolyn Marie Bachman of Grand Island, who this morning is announcing the members of her bridal party for her marriage to Jack L. Moore, also of Grand Island.

For her matron of honor, the bride-elect has chosen her sister-in-law, Mrs. Robert W. Bachman of Houston, Tex., and her maid of honor will be Miss Beverly Soderberg of Fremont. The bridesmaids will be Miss Connie Gay, Grand Island, Miss Diane Peterson, Fremont, and Mrs. Richard A. Colerick of Alliance, and her junior bridesmaid will be her sister, Miss Betty June Bachman.

Miss Marcia Bachman of Oshkosh will be her cousin's flower girl, and lighting the candles preceding the 8 o'clock ceremony, which will be solemnized at the First Baptist Church in Grand Island, will be Miss Elizabeth Hackman of Grand Island, and Mrs. Aldon Rohs of Lincoln.

Lt. Ronald L. Moore of McAllen, Tex., will serve his brother as best man, and the corps of ushers will include Lt. Robert W. Bachman of Houston, Tex., brother of the bride-to-be, Jerry Moore, brother of the bride-groom-elect, Jerry Hare and John Meves, all of Grand Island, and Aldon Rohs of Lincoln.

Both Miss Bachman and her fiance are former students at the University of Nebraska, and following their marriage, the couple will reside in Lincoln. The bride-to-be is a member of Kappa Alpha Theta sorority, and Mr. Moore is a Phi Kappa Psi.

Anniversary

Mrs. Kay Guilliams, president of the Fidelia Lyceum, presided at a recent meeting when the 10 executive board members discussed plans for celebrating the club's eighth anniversary on Friday, Aug. 19.

Here is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add three. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

DAILY CRYPTOQUOTE

Here's How To Work It

AXYDLBAAXB
is LONGFELLOW

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptoquote Quotation

GKI TYVGK SEUW KWWIH TYVGK VWDPAPKJ: TEC TGHA ATEY VWDPAWI?—ATEVBHEK.

Yesterday's Cryptoquote: UP SPRINGS THE LARK, SHRILL VOICED AND LOUD, THE MESSENGER OF MORN — THOMPSON.

WHITE SOX BACK IN LEAGUE LEAD

Chiefs' Rally Falls Short; Sox Win 4 To 3

League Leaders Salvage Finale Of 4-Game Series

Soos In Town Tonight; Drilling To Oppose Hamlin On The Mound

By DON BRYANT
Sports Editor, The Star

Lincoln let the Colorado Springs Sky Sox slip off the ropes Thursday night and the Sky Sox came back to kayo the Chiefs, 4-3, and dump the Sherman Field crew back to fourth place in the Western League standings.

Bill Burwell's tribe, trailing 4-3 in the ninth, managed to load up the bases with only one out, but the Chiefs couldn't beg, borrow or steal a run.

Junior Wren, who relieved Dick Idzkowski in the seventh, was touched for a leadoff single by Pinchhitter Marcos Cobos, but Joe Christopher forced him at second. Then Gene Stair singled, Christopher slid into third, and Stair went to second on the throw to third.

A long fly—runners on second and third — would have tied the count, a single would have won the game. Ted Adkins was up and the Sky Sox weren't in the gambling mood.

They walked Adkins purposely to get to Cleanup Hitter Jack Falls and the bases were loaded. Falls obliged by popping out to Shortstop Bobby Winkles.

There was still Frank Rice, who had hit his 15th homer over the leftfield wall in the fourth and driven in the Chiefs' second run with a single in the sixth, and the 1,891 fans held hope.

Frank drilled a hard shot to Winkles and the latter bobbled the ball, but he picked it up in time for the force on Adkins to end the game.

The Sky Sox win — their first of the four-game series — dropped the Chiefs three games off the pace. Wichita moved into third by beating Sioux City, 11-6, while Pueblo had a night off.

Sioux City now comes to Sherman Field for a four-game series, including a Saturday night doubleheader. Dick Drilling (10-4) will pitch for Lincoln against Dick Hamlin (7-10).

Magician Bill Morton will perform before the game, starting at 7:30 p.m. The gates will open at 6:45 p.m.

The Chiefs were sailing along behind the fine pitching of George Witt for six and two thirds innings Thursday night and the Sky Sox weren't showing any signs of snapping out of their runless slump.

Lincoln got one in the fourth—Rice's homer — and added No. 2 in the sixth on a walk and singles by Falls and Rice. The lead looked like it might hold up as Witt charmed the visitors.

But no go. George struck out the side in the seventh, but between the time he fanned the second man and the third man, two runs crossed the plate on three Lincoln errors and a single.

Boots by Rex Babcock and Jack Falls put runners on first and second and Don Bacon singled to right, scoring Ron Cooper from second. Christopher kicked the ball in right field and Gene Sheets came around from first to score.

The Chiefs came back in the seventh, taking the lead, 3-2, on a walk, a sacrifice and Christopher's second double.

In the eighth, Witt got Max Gnagy to fly out before Dick Di Tusa singled. Then a brief rain shower stalled the proceedings.

Afer play was resumed, Sam Hairston walked, Landenberger doubled, scoring DiTusa, and Sheets hit a sacrifice fly, scoring Big Sam.

And that was enough for the Sky Sox.

Smoke Signals. . . Rice's home run was the first Lincoln roundtripper at home since July 14th. . . . Colorado Springs went 24 innings here before scoring a run, and 21 before getting a man to second. . . Witt fanned nine and allowed only six hits in losing his second game. He's won two.

Pirate Hurler Works 2-Hitter

Marion Cox struck out seven and pitched a two-hitter as the Penitentiary Pirates defeated Wabash, 2-1, in softball Thursday.

Babcock In Spotlight

Rex Babcock, regular second baseman for the Chiefs, Thursday night was getting more attention than usual. Here Rex is shown talking before the game with his wife, Kitty, and his father and mother, Mr. and Mrs. L H. Babcock, visiting here from Santa Ana, Calif.

Day-Old Track Mark Beaten

Lincoln Star Special

COLUMBUS — The fourth record in three days was established over the Columbus track Thursday when Applex whipped over the five furlong route in 1:00 2/5.

The time was one-fifth of a second faster than the track mark set by Ruby Corrour the day before.

First race, purse $600. Special weights, 2-year-old maidens, 5 furlongs. Time—1:02 1/5.
Nicks Joy (Martin) 6.20 3.20 2.80
Clegs (Breeden) 3.80 3.00
Phils Last (Brennan) 6.40
Also ran—Great Ovation, Sir Cider, Reno's Pride, Mah Ol Hat, Timely Tap.

Second race, purse $600. Claiming, 3-year-olds and up, 7 furlongs. Time—1:28 1/5.
Pat McGee (Guinup) 5.20 3.20 2.60
Black Battle (Wells) 3.60 2.40
Johnny Acres (Rettele) 2.60
Also ran—Neola S, Ernest E, El Inhale, Toi Leather, Davy Boy.
Daily Double paid $19.40.

Third race, purse $700. Claiming, 3-year-olds and up, 6½ furlongs. Time—1:23 1/5.
Talo Mor (Germany) 31.60 17.60 8.60
Silent Marie (Gray) 15.40 7.60
Swanee Boy (Guinup) 3.60
Also ran—Captain Fay, Sweet Morsel, Dutch Door, Sergeant Sam, Colonel H. A.

Fourth race, purse $600. Claiming, 3-year-olds and up, 6½ furlongs. Time—1:22 2/5.
Palbar (Germany) 9.60 6.00 3.60
Precord (LeBlanc) 8.40 5.40
Foochon Valley (Guinup) 3.80
Also ran—Larry's Darling, Ruth Ann, And It's, Bubbling Scene, Last Leap.

Fifth race, purse $600. Claiming, 3-year-olds and up, 5 furlongs. Time—1:00 4/5.
High Reno (Provencio) 7.80 4.00 3.20
Monte Pride (Chambers) 4.40 3.60
Iam From Dixie (Clark) 5.00
Also ran—Hi Ante, Castelkin, Gold Gal, Fetchanwin, Savvy.

Sixth race, purse $700. Allowance, 3 and 4-year-olds, 5 furlongs. Time—1:01 1/5.
Dusty Princess (Guinup) 3.40 3.20 2.60
Brown Miracel (Lilburn) 9.00 7.20
Miss Labrune (Drennan) 11.20
Also ran—Gin Lo, Stage Flip, Emmann, Walter F, Time Copy.

Seventh race, purse $800. Claiming, 3-year-olds and up, 5 furlongs. Time—1:00 2/5 (record).
Applex (Drennan) 6.40 4.20 3.00
Sure Time (LeBlanc) 6.60 4.00
Pushmytow (Guinup) 3.00
Also ran—Hat's Fiddle, Miss Alfred, Galadear, T-Tom Express.

Eighth race, purse $700. Claiming, 3-year-olds and up, mile and 70 yards. Time—1:46 2/5.
Ruby C (Chambers) 19.00 10.60 4.40
Deep Mud (Gray) 13.00 5.20
Port Con (Provencio) 2.60
Also ran—Pari Boy, Catline, Xeno King, Silver Clad, Kiowa Bo.

Anderson Nine Into Playoffs

By RON GIBSON
Star Sports Staff Member

Anderson Hardware slugged its way to a 12-6 victory over Green Loan Co. Thursday night at Antelope Park in a game to decide fourth place in the Elks League.

Anderson will meet champion Mack's Transport in the opening round of the playoffs tonight. Globe Laundry and Ben Your Hairdresser are paired in the other game. Playoffs start at 6:30 p.m.

Included in Anderson's 16-hit barrage Thursday were doubles by Ted Ritchey and pitcher Don Wenzl, a triple by Jim Douthit and a two-run homer by Eldon Vergith.

Four base hits, two walks and a hit batsman gave Anderson five runs in the first inning and the hardware team clinched it in the second with singles by Ron Long and Bill Fry, and Ritchey's double.

Gene Zuspann Gains In Broadmoor Tourney

Lincoln Star Special

COLORADO SPRINGS, Colo. — Gene Zuspann, Goodland, Kan., the only former champion still in the title bracket, moved into the quarterfinals of the 34th annual Broadmoor Men's Invitation Golf Tournament here Thursday with a 2-up victory over Ed Hopkins, Abilene, Tex.

Zuspann won out over Harry Meginnis, Lincoln, in first round play Wednesday.

He will meet Jim Hiskey, Pocatello, Idaho, in today's feature match.

In championship consolation play Thursday Meginnis scored an easy win over Hy Lewis, Colorado Springs, 6 and 5.

Lincoln's entry in the second flight, Bob Lau, was beaten Thursday by Charles Fish, Colorado Springs, 4 and 2.

Here's how other Lincoln contestants fared Thursday:

Third Flight—Don Pegler Jr., defeated J. E. McAuliffe, 1-up.

Eighth Flight—Fred Sidles was trailing Jim Lane, 1-up, after 17 holes in a match to be completed Friday; Walter White defeated Jack McClure, 7 and 6.

Ninth Flight—Ted O'Shea lost to Neal Foster, 2-up; Chick White defeated C. W. D. Kinsey, 1-up on 20 holes.

Senior Flight—Don Pegler Sr. defeated Chauncey Needham, 1-up on 19.

Tigers Tip Birds 7-5

BALTIMORE (AP) — The Detroit Tigers, fighting to get back into the first division of the American League, slapped down the Baltimore Orioles 7-5 Thursday to take four victories in the five-game series.

Pitcher Frank Lary gained his 10th victory as the Tigers jumped off to a three-run advantage in the first inning on Reno Bertoia's double that drove in three runs.

Lary was visibly tired, leaving after the eighth inning, and former Oriole Joe Coleman gave up a run in the ninth before a Tiger double play ended the game with the tying runs on base.

Art Schallock, Baltimore southpaw, started shadily by walking Bill Tuttle and Kaline. Jack Phillips' grounder hit Tuttle for an automatic out, but Bubba Phillips followed with an infield single to load the bases. Bertoia, subbing for the injured Ray Boone, cleaned them with his double to center.

The Orioles came right back with two runs in their half of the first on singles by Fred Marsh and Dave Pope, an infield out, and Gus Triandos' sacrifice fly.

POINT BLANK

★ ★ ★

By Don Bryant
Sports Editor, The Star

Each year about this time the football bug begins his annual invasion, market by pros reporting to camp and the All-Star game preparations.

There is little actual news about football, but the suggestion is present that it won't be long until the pigskin boys begin their labors in full force.

Don Pierce

Surest sign of football around the Big Seven is the arrival of a note from Don (The Whale) Pierce, the University of Kansas sports publicist whose trademar ks are a vast knowledge of sports, a stubby cigar, a coke, and a good supply of humor.

Pierce's note, which arrived this week, asks the sportswriters and sportcasters of the Big Seven to go out on a limb. It's time for the annual Kansas pre-season football poll, says Don.

Predicting the finish of the Big Seven football race is difficult and risky—after you pick the first place.

There's never any question about the champion. Oklahoma is conceded the championship every year. But the ranking of the Little Six—a Pierce-ism—is a hit and miss affair.

Last year's poll is a good example. The scribes and broadcasters awarded the title to the Sooners and guessed the rest of the lineup this way:

1—Oklahoma 2—Missouri 3—Colorado 4—Kansas State 5—Kansas 6—Nebraska 7—Iowa State.

The actual finish was: 1—Oklahoma 2—Nebraska 3 and 4—(tie)—Colorado and Missouri 5—Kansas State 6—Iowa State 7—Kansas.

Kansas, picked for fifth, didn't win a game. Nebraska, designated No. 6, had a 4-2 record and went to the Orange Bowl. It was a hard year on the forecasters.

There's no reason to think this year won't be just as trying, but Pierce insists that no punishment will be meted out to unsuccessful prognosticators.

It's still early to get a good line on the conference prospects, with many key players going to summer school and some entering the service, or returning from the service.

So our ballot is labeled July Picks. Many things will happen during the next month which may affect one or all of the teams, thus making August Picks a distinct likelihood.

With malice toward none and charity for all—and as a favor to the Whale—here are our July Picks:

1—Oklahoma—who else?

2—Colorado—Two or three good lines are reported on hand at Boulder and Dal Ward has Vet Quarterback Sam Maphis and John (The Beast) Bayuk to ease his aching back.

3—Kansas State—Winning spirit gaining momentum at Manhattan and Bus Mertes has some pretty good material for his frosh year.

4—Missouri—Tigers don't figure to be flops they were in 1954.

5—Nebraska—This is being billed as a building year after 1954 Orange Bowl entries surprised everybody. Sophs in vital spots will be the key

6—Iowa State—Headed for brighter future, but not this year.

7—Kansas—Not the pushovers of 1954, but still the doormats.

Two things are almost certain. The predictions probably will be revised before the season opens. And no matter how we rank them, the predictions will be wrong.

But Pierce will be happy and that constitutes a good deed during the middle of a July heat wave.

Yanks Lose 3-2; Bill Pierce Saves Chicago Win In Relief

Pale Hose Two Percentage Points In Front Of Loop; Mantle, Dropo Homer In Tight Tilt

NEW YORK (AP)—Lefty Billy Pierce struck out pinchhitter Jerry Coleman with the bases loaded and two out in the ninth inning Thursday to send Chicago back into first place in the blazing American League, two percentage points ahead of New York, with a 3-2 victory over the Yankees.

Until the ninth, Connie Johnson, a 32-year-old righthander up from Toronto, held the Yanks under control. A single by Yogi Berra and Mickey Mantle's 22nd home run suddenly narrowed his lead to one run. And after Bobby Adams fumbled Bill Skowron's grounder for an error, Pierce came in to pitch.

Pinchhitter Hank Bauer flied to Minnie Minoso but Phil Rizzuto walked. Casey Stengel sent another pinchhitter to the plate, Elston Howard, to bat for relief pitcher Jim Konstanty. Howard grounded out, moving the runners to second and third. Manager Marty Marion ordered Andy Carey passed intentionally, loading the bases.

Stengel called for Coleman, who had been hit on the head in the last series between the two clubs, to bat for Joe Collins against the lefthanded reliefer. Pierce responded to the chal nleeykbgugoi rsint t ed to the challenge by striking out Coleman to end the game.

Walt Dropo's two-run homer off Bob Turley in the third actually provided the victory margin for the White Sox. The big first baseman, hitting at a sensational pace since the All-Star game, drove his 14th homer into the lower right field stands with Minoso on base.

The big first baseman also had a life on an error in the first and singled in the fifth. He has hit five of his homers against the Yanks and has made 10 hits in the last six games with New York.

Chicago got to Turley for a run in the first inning after two were out. Minoso fouled out, Nellie Fox walked and Adams was called out on strikes. Dropo was safe when for an error, Fox taking second. Billy Hunter fumbled his grounder

After Jim Rivera hit a tremendous drive against the third deck in right field that was ruled foul by umpire Charley Berry, the White Sox right fielder singled through the box, scoring Fox.

Rivera's fine arm and a diving tag by catcher Sherm Lollar saved Johnson's shutout bid in the sixth. Andy Carey was safe on Chico Carrasquel's wide throw and Collins walked to put Johnson in trouble. Gil McDougald flied to Rivera, Carey taking third on the catch.

With men on first and third and one out, Yogi Berra flied to Rivera, whose strong throw on the fly was caught by Lollar about three feet toward first base from home plate. Lollar dove across the plate, doubling Carey.

Grand Island In State Meet

GRAND ISLAND (AP) — Grand Island trimmed Wisner, 11-5, Thursday night to win the American Legion regional junior baseball tourney here and enter the state meet.

The state meet opens Sunday with Lincoln meeting Omaha Metz and Grand Island playing McCook.

Gene Suponchick gave Wisner but six hits in Thursday night's game and led the Islanders attack with four hits. Grand Island sewed up the game in the second with seven runs for a 10-4 lead.

Tribe One Game Out; Wins 6-4

BOSTON (AP)—The defending champion Cleveland Indians moved to within a game of the American League lead Thursday with a 6-4 triumph over the fighting Boston Red Sox. Al Rosen's two-run homer and a critical strikeout of Ted Williams by reliefer Don Mossi featured the big Tribe victory.

The Indians helped tighten the AL pennant picture as Chicago beat New York 3-2 to pull ahead of the Yanks by two percentage points. The fourth place Red Sox remained three behind.

Rosen drove in three runs with his homer and a single but it was the lefthanded Mossi, inserted to face Williams after Boston got it's third run in the eighth inning, who saved the day.

Down 6-2, Boston chased Indian starter Early Wynn after pinchhitter Eddie Joost walked, Billy Goodman singled and Billy Klaus doubled for a run. Mossi came in to face the lefthanded slugging Williams and got him on a called third strike.

Ray Narleski hurled the ninth for the Indians, allowing a fourth tally on Grady Hatton's single but after Jim Piersall added another single, pinchhitter Faye Throneberry fanned to end the game.

It was the strikeout of Williams, however, that was the big one as the Tribe foiled the Sox effort to sweep the series and pull into a third place tie with Cleveland.

Rosen's third inning home run—his 16th—put the Indians in front 3-0. Bobby Avila, who had singled, scored ahead of Rosen.

Rosen got the Tribe off to a fast start by singling home Vic Wertz in the first inning.

Smith hurt the Sox most with his work in right field. The Red Sox had two men on in the second when Smith ran into the low fence down the right field line to grab Parnell's long drive.

Bums Trip Reds, 10-2

CINCINNATI (AP)—Aided by three errors, a wild pitch and a passed ball, the Brooklyn Dodgers made their first nine hits good for nine runs Thursday night and they breezed to a 10-2 victory over the Cincinnati Redlegs. Rookie Roger Craig held the Reds to five hits as he recorded his third straight pitching triumph since joining the Dodgers less than two weeks ago.

Craig struck out eleven.

Roy Campanella hit two home runs for the Dodgers and Pee Wee Reese and Don Zimmer got one each. Ted Kluszewski got his 33rd circuit blow of the season for the Reds.

The Dodgers clobbered starter Art Fowler out of the game in a hurry as they clipped him for four quick runs in the opening inning. He was the victim of some shoddy support, however.

In that opening inning, Reese got his homer with one out. Singles by Duke Snider and Gil Hodges and a walk to Junior Gilliam filled the bases. Snider scored on a passed ball. Carl Furillo singled off Kluszewski's glove to score Hodges and Gilliam also scored when Kluszewski cuffed the ball around for an error.

Fowler lasted only through one batter in the second as two singles, a sacrifice and Milt Smith's error accounted for two more runs.

An error by Wally Post and a wild pitch by Rudy Minarcin figured in another Brooklyn run in the fifth.

Prep Champion Bids

Bill North, 1955 state high school sin champion from Lincoln High, swings into competition Saturday on the Lincoln Tennis Club courts in opening play of the 1955 State Tennis Tournament, North also won the Nebraska Jaycee tournament recently and will compete in the National Jaycees Tournament at San Antonio, Tex., Aug. 4-9. (Star Photo)

Champ Back, State Tennis Crowd Ready For Swinging

By BILL FITZGERALD
Star Sports Staff Member

The biggest name in the Nebraska tennis book was in the pairings pot and the promise of a sharp state tournament was in the air at the Lincoln Tennis Club Thursday night.

Meharg

Late entries from outstate had included the name of Steve Broadie, the stable Omahan who last summer shocked the State Tournament with his smash to the Men's Singles title.

Thursday's flood of names suggested a tourney of usual size will be opened this morning at the LTC when play starts at 10 a.m. in Junior Girls Singles.

All other players swing into action Saturday morning and continue through Sunday and next week end.

A less prominent entry than Broadie but possibly the brightest young player to come out of Omaha in years is Bill Berg, the Omaha University lad who could be the surprise of this meet.

Hanner

Berg became notable on the state scene when he defeated Lincoln's Lt. Bryan Meharg on cement in the Donnelly Cup matches in Omaha in June. He is rated highly on his power and youth.

Broadie also stands as a member of the defending doubles team of Broadie-Lew Gerdes. The two Omahans are coming to town as partners again. Their competition will be intense.

Lincoln contends with Lt. Meharg and Maj. Chuck Hanner, the stocky fellow who lost to Broadie in singles in 1954.

Former Lincoln city champion Jack Porter will team with Packy Hunt, ex-Beatrice and now an Omahan. Lou Orloff is teamed with Msgr. Thomas Kealey of St. Elizabeth's Hospital while George Fisk plays with Brent Donneldson.

Larry Belt and LeRoy Land are rated well as Omaha contenders. The Hayden brothers—Pat and Pete—carry Grand Island colors while Dick Wintermute-Tom Still compete from Hastings.

Omahan John Ringwalt—son of the veteran Jack Ringwalt—teams with former high school champ Russ Schlotzhauer, and Omahan Roy Wray joins John Schroeder, ranking member of the University of Nebraska team.

Paul Worthington-Jim Belitz of Omaha complete the strong doubles field.

Young Neil Unterseher, now in the Nationals at Kalamazoo, Mich., is expected to defend his Junior Boys singles crown.

Unterseher will be pressed in singles by a field which includes Lincoln's Bill North. The two team in doubles.

Defending Women's Singles champion Jo Ann Sullivan of Omaha is coming back. Lincoln bids with Karen Rauch, city champion and another of the younger net crowd.

Pairings will be made Friday night at the LTC.

Friday morning pairings in Junior Girls singles:

10 a.m.—Dandy Dungan, Omaha vs. Shirley Peterson, Omaha; Jane Broadie, Omaha vs. Marion Nelson, Omaha; Catherine Tooney, Omaha vs. Joan Broadie, Omaha; Connie Arterburn, Ogallala vs. Janet Talty, Omaha.

Leppert Recalled

BALTIMORE (AP)—The Baltimore Orioles recalled second baseman Don Leppert Thursday from the Charleston, W. Va., Senators of the American Assn.

Leppert started the season with the Orioles after being obtained in the mid-winter nine-for-nine deal with the New York Yankees. He played for the Yankee farm team at Birmingham, Ala., last season.

Schmidt Stops Pirates, 4-1

ST. LOUIS (AP)—Righthander Willard Schmidt pitched brilliant three-hit ball for eight innings, then ran into a Pirate uprising in the ninth, but worked his way out with just one run against him as the St. Louis Cardinals took a 4-1 victory from Pittsburgh Thursday night.

Schmidt struck out five and walked four in addition to the five Pittsburgh hits.

A double to Dale Long and single by Toby Atwell put Schmidt in trouble at the start of the ninth. He struck out Frank Thomas but a sacrifice fly by Johnny O'Brien spoiled his shutout.

Dick Groat, who singled in the third, was the only previous Buc to reach third, advancing on a sacrifice and a grounder.

The Redbirds gained three of their four runs in the second and third innings—two of those on sacrifice flies.

In the second, Wally Moon, who had singled and gained third on a single by Bill Virdon and walk to Stan Musial, scored on Alex Grammas' long fly.

Sluggers Have Big Day In City Loop

Home runs and two fine defensive plays highlighted Thursday games in the City Baseball League.

Prescott's Huge smashed a two-run homer in the first inning in a losing cause against Muny A. College View's Dick Harr smashed a 335-foot four-bagger and pitched a no-hit game in three innings against Peter Pan A. Harr's home run came in the first with two on.

Irving B beat Whittier 14-13 as Harvey Singer made a fine running catch in left field and later held the tying run on third base with a good throw. Jeff Roberts of College View B stole home to break a 5-5 tie and start his team off to an 11-5 win over Peter Pan.

Love, Lame Wrist, Sore Toe Tops In Tennis Talk

By The ASSOCIATED PRESS

A love-sick youth, a lame wrist, an infected toe, a wrangle over the condition of the courts and two cases of nerves were being discussed with more intensity than drop shots and lobs Thursday as the 1955 Davis Cup competitions approached continental climaxes.

Lew Hoad, hero of recent Australian Davis Cup invasions, was replaced in the singles in today's matches against Canada by Rex Hartwig. Hoad has sulked ever since his bride of six weeks was sent back home from London immediately after the Wimbledon championships earlier this month. His game has disintegrated to the point where he lost to little known Ronald Moreira of Brazil last week.

Hopman n Wrangle

The Norh American Zone finals at Montreal also offered the infected toe, property of Bob Bedard of the Canadian team, and the court wrangle in which Harry Hopman, captain of the Australians, was the chief complainer.

Steffan Stockenberg, able Swedish doubles player, has the lame wrist and may not be able to play against the Italians in Rome for the European crown. The two cases of nerves also belong to Rome combatants. One is the property of Giuseppe Merlo, who had to drop out of the recent Wimbledon tourney because of agitation, and the other belongs to tempera mental Lennart Bergelin of the Swedes.

Hartwig vs. Main

By the luck of the draw, Merlo and Bergelin are pitted against each other in today's second singles matches. Sven Davidson of Sweden opposes Fausto Gardini in the opener. The Italians are slight favorites to win and help decide the Davis Cup challenger at Philadelphia next month.

Torsten Johansson was being rushed into condition to replace Stockenberg, should he be unable to play.

Hartwig, several notches below Hoad in singles play, drew Lorne Main of Toronto, as his foe in today's second singles match here. Ken Rosewall of Australia and Bedard are the rivals in the opener. The Australians are heavy favorites to win and to gain the challenge round against the United States at Forest Hills late in August.

Aussie Capt. Disgusted

After the draw Thursday, both the Canadians and Australians worked out. Hopman showed so much disgust with the conditions of the courts that no lrills were permitted on the center court of the Mount Royal Tennis Club and it was designated as the site of all play in the coming matches.

Hopman doesn't have to name his doubles team until two hours before Saturday's matches but indicated Hoad and Hartwig would oppose Bedard and Don Fontana of Toronto.

In all of Sunday's singles matches, Friday's assignments will be switched.

Seeded Players To Quarterfinals

KALAMAZOO, Mich. (AP)—All top seeded singles players in the National Junior and Boys Tennis championships advanced into the quarterfinals Thursday in close matches delayed as much as eight hours by rain.

Mike Green of Miami Beach, Fla., No. 1 seed in the Junior singles matches, had little trouble with Robert Delgado of Los Angeles, Calif., beating him 6-1, 6-4.

Earl Buchholz of St. Louis, top seeded in the Boys singles, had some difficulty, but took Kenneth Lang of Richmond, Calif., 6-4, 6-3.

Esteban Reyes jr., of Mexico City, an 18-year-old member of Mexico's Davis Cup team, defeated Earl Baumgardner of Oakland, Calif., 13-11, 9-7, in a long, hot match. Reyes is eighth seeded.

In a minor upset in the boys singles, fifth seeded Willis Sennell of Lynchburg, Va., lost to 13th seeded Marty Riessen, Hinsdale, Ill., 6-1, 6-3.

Unterseher Out

From Press Dispatches

KALAMAZOO, Mich. — Neil Unterseher, Lincoln, Thursday was defeated by second seeded Ned Neely, Atlanta, Ga., 6-0, 6-1 in the National Junior tennis championships here.

The fourth round win gave Neely a berth in the quarterfinals.

Saddler Signs

NAGOYA Japan (AP)—World featherweight champion Sandy Saddler will fight a four-round exhibition with Hideto Kobayashi, Japan's No. 1 challenger, here Aug. 6, it has been announced.

Bright Pitching Features AA Ball

From Press Dispatches

Sparkling pitching dominated American Association baseball Thursday night as the league's top five teams tightened the pennant race.

League-leading Toledo split 3-0 shutouts with second-place Omaha. Trowbridge threw the Toledo victory while Pearce worked the Cardinal shutout.

Minneapolis tied Omaha for second on 3-0 and 5-2 victories over Louisville. Al Worthington pitched the Miller shutout.

Indianapolis bounced St. Paul, 4-2, and Denver stepped into a virtual second-place tie on a 4-2 triumph over Charleston.

World Mark For 1500-Meters Broken By Hungarian Runner

HELSINKI (AP) — Sandor Iharos of Hungary, slim 22-year-old army lieutenant, Thursday broke the world record for 1,500 meters before a frenzied crowd of 50,000 in the Olympic stadium in time that was equivalent of a mile in 3:58.

Iharos was timed for 1,500 meters in 3:40.8, one full second under the world standard set last year by John Landy of Australia. This gave Iharos his third world record in three months.

Iharos, who now holds the world marks for 1,500 and 3,000 meters, and for two miles, will run the mile in the Hungary-Britain meet in London Aug. 12-13 in an attempt to crack Landy's mark of 3.58.

Thursday's race was a duel between Iharos and his teammate, Istvan Rozsavoelgyi. The pace was scorching. Rozsavoelgyi took the lead passing the 400 meters in :56.9, Iharos forged ahead at 600 meters and passed 800 meters (the equivalent of the half mile) in the astounding time of 1:55.7. He was clocked at 2:26.2 for 1,000 meters, and in the final 300 he put on a burst of speed that carried him well ahead of his rival, who finished in 3:42.8. O. Vuorisala of Finland was third in 3:46.2.

The 1,500-meter race measures 1,640 yards, 1 foot, 4 inches, and experts figure that times for this can be converted to the equivalent in the mile by adding 17 or 18 seconds.

Iharos now holds these sparkling world records: 1,500 meters — 3:40.8; 3,000 meters — 7:55.6; two miles — 8:33.4.

This is the second time Iharos has smashed the world record for 1,500 meters. Last year he did 3:42.4, six-tenths of a second under the mark, only to have Landy push it down to 3:41.8.

By way of comparison, Joseph Barthel of Luxembourg won the 1952 Olympics games 1,500, in this same stadium, in 3:45.2, which set a games record.

The occasion for the race Thursday was an international duel meet between Finland and Hungary, with the Hungarians coming out on top.

No-Longer-Torrid Phils Lose Third In Row, 4-2

MILWAUKEE (AP)—The Milwaukee Braves made it three in a row over the no-longer-torrid Philadelphia Phillies 4-2, Thursday on the six-hit pitching of Bob Buhl and a 365-foot home run by Eddie Mathews.

Buhl brought his season record to 8-7 after surviving a shaky two-run first inning. He never was in trouble after that.

The Braves handed little Murry Dickson his seventh loss and the first defeat in his last four starts. The crafty, 38-year-old knuckleballer ran his scoreless string over the Braves to 21 innings before they notched two in the third to tie it up.

The Phillies boasted 14 victories in 15 starts before hitting County Stadium.

With two out in the fifth, the Braves took the lead and iced their fourth victory in a row as Mathews belted one of Dickson's pitches over the fence in right.

They added an insurance run in the same frame as Henry Aaron walked, stole second and rode home on a single by Del Crandall.

The Phillies got their runs in the first on an error, double play, walk and a single by Willie Jones.

The Braves evened it up in the third with some help from first Baseman Marv Blaylock. Buhl led off with a single, moved up on Johnny Logan's single and scored on an infield bleeder by Mathews on which Blaylock made a poor backhanded throw to Dickson covering first. Logan went around to third on the miscue and crossed after Henry Aaron flied out.

Giants Tip Cubs By 4-1

CHICAGO (AP) — The New York Giants celebrated Manager Leo Durocher's return to the helm Thursday by handing the Cubs a 4-1 licking to gain a split of the four-game series.

Durocher, returning from his mother's funeral, watched Ruben Gomez and Paul Giel shackle the Chicagoans on five hits.

Giel got into the act to pick up his third victory against three losses when Gomez retired in the third inning after pulling a muscle in his right shoulder. Giel fanned nine and walked five.

Bob Rush yielded only four singles in his seven-inning stint—but all figured in the Giants' big third inning.

Capt. Al Dark opened the productive third with a single and Gomez walked with one out. Wayne Terwilliger's sixth hit of the seires scored Dark. Whitey Lockman singled for the second run and Willie Mays' sharp safety to right scored two more.

The Cubs' lone run was posted in the eighth when Ernie Banks walked with two out and came around on Hank Sauer's double to right.

Rush, who gave way to Dave Hillman in the eighth, struck out eight and walked two.

4-Team Tourney To Decide Olympic Basketball Entry

NEW YORK (AP) — The U. S. Olympic basketball squad in the 1956 games at Melbourne likely will be picked following a four-team tourney next April.

Col. Harry D. Henshel, chairman of the U. S. Olympic basketball committee, recommended that plan to the U. S. Olympic executive board Thursday. The board, which next meets in September, rarely rejects a suggestion made by such a committee.

The AAU National championship team and the runnerup team, the NCAA champion and the winning team in the Armed Forces tournament will make up the Olympic field.

Beatrice Excited As Team Preps For U.S. Kid Tourney

BEATRICE — This southeastern Nebraska city is excited about the winningest baseball team to be developed here in many summers.

Fans are buzzing about the Beatrice Midgets, sponsored by the Beatrice Veterans of Foreign Wars and last week the victor in a regional tournament at Huron, S.D.

The Midgets won the Area Six title in competition against teams from Wyoming, South Dakota, North Dakota and Colorado. The championship was won on a 6-1 victory over Williston, S.D. as Mike Hellman pitched one-hit ball in a 6-1 win.

Coach Dave Thomas and his team of 15 leave Aug. 12 for Hershey, Pa., and the Natinal Teen-Er Tournament.

"The trip to the national is expected to cost abut $1,500," according to Al Riddington, a spokesman for the sponsoring VFW.

Already the Nebraska VFW Department has set aside $500 for the Beatrice team. The remainder of expenses is expected to come from contributions of fans.

While in Hershey, the Beatrice club, like other teams in the tourney, will be guests of Hershey Estates with lodging, meals, and entertainment furnished by the candy manufacturing company.

Expected to make the trip with Coach Thomas are the following players:

Orville Behrens, Bob Kujath, Bob Lockwood, Larry Fisher, Larry Williams, Gary Fisher, Wayne Huss, Ron Hein, Jim Turnbull, Ken Huston, Roger Wright, Mike Hellman, Pat Crosby, Larry Morgan and Dean Madison.

The national tournament will include winners from seven other area tournaments. Pairings have not been announced.

The Nebraska club has a 17-2 record for the season, including a win over the Northeast Midgets of Lincoln. The losses were to Crete and Wymore.

Lakeside, Hershey Win 1-Run Games

City Council Budget Hearings Near Completion

By BILL DOBLER
Star Staff Writer

Preliminary City Council budget hearings have been almost concluded with an explanation by Public Works Director D. L. Erickson of his department's total $769,442 requested appropriation for the 1955-56 fiscal year.

The only budget hearing left is for the city-county civil defense committee. The Council tentatively set a $3,500 budget for this group but the entire civil defense budget will be gone over Monday with committee representatives.

Sharing in the program, the county has also agreed to spend up to $3,500 on civil defense. The committee had asked for a budget of nearly $20,000 or a substitute total of nearly $10,000.

Public Works Up

The public works department budget request is up $151,681 from the appropriation for the current fiscal year.

That department's budget requests according to divisions and the increase over the current year are:

Engineers, $68,843, down $8,627 from the current year.

Road, $274,531, up $41,508.

Paving repair, $175,818, up $53,605.

Sewer, $75,345, up $6,125.

Street light, $127,770, up $30,990.

Plumbing inspection, $19,735, up $680.

Building and sidewalk inspection $27,400, in engineers budget for current year.

The street light budget brought up the question of whether to spend funds for new projects in residential areas throughout the city or on major arterials.

As placed in the budget, emphasis would be placed on arterials with $24,000 suggested for a new lighting system on Highway 77 from 14th north of the city west to 10th and south on 10th to Van Dorn.

Mayor Clark Jeary questioned the expenditure and showed a preference for more residential lights. There are small isolated areas scattered throughout the city, he said, that have been without adequate lights for years.

In this connection, Jeary also questioned the spending of some $18,170 as requested on lighting systems in new areas. While developers pay for most of this work, the city installs the main circuits and transformers needed.

The possibility was mentioned of requiring builders in new developments to pay all the expense of street lighting.

Showing the second largest increase within the department, the road division under Street Superintendent Lynn Myers has asked for $43,375 in capital outlay for equipment. This compares with $10,750 approved for this purpose for the current year.

New Sweeper Asked

This item includes $11,800 for a new street sweeper which Myers said was badly needed A machine would be purchased, he said, that would be particularly adaptable for cleaning one-way streets.

Another large item in Myers' request is $14,000 for a motor grader with snow plow attachment.

The $53,605 requested increase in the paving repair division budget is also found mainly in capital outlay which is proposed to go from $1,700 this year to $42,435 in the 1955-56 year.

Superintendent Lyle Gieseker asked for $16,000 for a new crane, $10,000 for new autos and trucks, $3,100 for a light endloader and blade, $2,300 for a lowboy trailer, $3,710 for a compressor and $4,950 for a bituminous distributor.

After hearing the civil defense committee, the Council will then proceed to the task of trimming the budget into shape. The city's total valuation for the new year is now yet known so no tentative mill levy to meet requests can yet be set up.

Constable Is Nabbed With Stolen Funds

HUNTINGTON, W. Va. (AP) — A runaway constable with $79,000 cash was captured at the Tri-State Airport here Thursday after the airliner on which he was bound for Columbus, O., was signaled to land.

Police were waiting and snapped handcuffs on Tom Bivens, 41, of Bluefield and he handed over a top-grain leather brief case.

"I've had a hard time the last three or four years, with a lot of sickness in the family," Bivens told Detective Eris Fry.

"I decided to do something about it. It looks like I did wrong."

What he did, police said, was to pick up the payroll for the American Coal Co. from the Flat Top National Bank in Bluefield and abscond with it.

Bivens and another constable, Lewis H. Perdue, normally received the payroll together for delivery to the McComas mine of the American Co.

Bivens appeared alone at the bank Thursday, however, and was on his way.

Fast police work and crackling radio calls led to his capture on a Piedmont Airlines plane here within four hours.

Mrs. Carrie Pallet, Crete, Dies Here

Mrs. Carrie Pallet, 84, of Crete, Neb., died Thursday at a local hospital.

Surviving is her son, J. E. Pallet of Crete.

Civil Defense Committee Hears Plan For Emergencies From Sea Scout Hill

A plan of mobilization for Lincoln Boy Scouts to assist in any community emergency was presented to the City-County Civil Defense committee by Scout Gary Hill, 16.

SEA SCOUT GARY HILL . . . presenting emergency plan. (Star Photo.)

The son of Mr. and Mrs. Leo Hill of 3405 So. 28th, Gary is a member of Sea Scout Ship 2, sponsored by St. Matthew's Episcopal Church.

Gary's plan is an improvement on the mobilization program that has previously been in existence. As he explained it, the plan is based on specilization by the Scouts.

Each Scout troop would be assigned one field of disaster work such as first aid, fire fighting, welfare, communications, etc. At the designated signal, each troop would rendezvous at a previously designated spot from where they would be instructed and dispatched to the scene of the damage.

Gary's plan was highly complimented by the civil defense committee.

Accompanying Gary was W. G. Fulton, Lincoln Scout office executive.

The civil defense committee has secured quarters in the lobby of the Lincoln Hotel. A lease will be entered into with rental of $50 a month for two rooms.

Granted

DETROIT (AP) — Mrs. Mariam Vorrusch was granted a divorce from her husband George by Circuit Judge Thomas Maher when she testified:

George removed a main tube in their television set so she could not watch it while he was at work.

George would not permit friends to visit, or allow furniture to be moved, because he did not want the rugs worn out.

'Pigeon Drop' Gal Released; Taken By N.Y. Officers

A New York woman whose "pigeon drop" swindle game wound her up in the York Reformatory stepped from the institution into the hands of parole authorities Thursday.

The woman, Sybil Horowitz, 27, noticeably slimmed down and smartly dressed, was whisked off to New York to face a parole violation.

She, along with a partner, Mrs. Holly Carmen Whitley, 26, also of New York, were convicted of the swindle game and lodged in the Women's Reformatory at York. Both were sentenced in May, 1953. Mrs. Whitley was released earlier.

The "pigeon drop" game, an old one used by confidence artists, amounts to a pair claiming to have found a certain sum of money and offering to cut in a third person—the victim—who must put up a substantial deposit to show "good faith."

Miss Willard, 85, Dies At Hospital

Miss Emma Willard, 85, 2911 No. 52nd, died Thursday at a local hospital.

Surviving are her sisters, Mrs. Mary Kremer of Stanton, Neb., and Mrs. Effie Leet of Lincoln.

Soviets Summoned

MOSCOW (AP) — President Klementi Voroshilov summoned the Supreme Soviet to meet in extraordinary session in Moscow Aug. 4 to hear Premier Bulganin's report on the Geneva summit conference. It is the first time the Supreme Soviet has been called to hear such a report. Stalin did not bother after Yalta or Potsdam.

Mrs. Mahaffey Dies At Her Home

Mrs. Emma E. Mahaffey, 325 No. 34th, a Lincoln resident the past 46 years, died Thursday at her home.

Mrs. Mahaffey was a member of the First Christian Church and Temple Chapter 271, OES.

She was born at Gates Head-on-Tyne, England.

Surviving are her husband, Curtis; a daughter, Mrs. Laurence M. Parker of Lincoln; sons, Harold C. of Sidney, Neb., and Paul R. of Omaha; six grandchildren and her sisters, Mrs. Clark Roberts and Mrs. Lloyd Courtney, both of Findlay, O., and Mrs. E. S. Daneman of Cincinnati, O.

Notice to Dealers in Electrical Conductor

Sealed bids will be received by the City Council of the City of Lincoln, Nebraska, at the office of the City Clerk, up to the hour of 10:00 o'clock a.m., Wednesday, August 10, 1955, for furnishing one lot of Electrical Conductors for the use of the City Light Department, in accordance with specifications for same on file in the office of the City Clerk.

Copies of the specifications may be obtained in the office of the City Engineer.

The Electrical Engineer's estimate of cost of this lot of Electrical Conductors is $14,500.00 f.o.b. Lincoln, Nebraska.

Each bid must be accompanied by a certified check in the sum of five per cent (5%) of the total amount bid, made payable to the order of Frank J. Miller, City Treasurer, as a guarantee of good faith.

The City reserves the right to reject any or all bids and to waive any defect in bids.

THEO. H. BERG, City Clerk.

Notice to Dealers in Fire Hydrants

Sealed bids will be received by the City Council of the City of Lincoln, Nebraska, at the office of the City Clerk, up to the hour of 10:00 A.M., Central Standard Time, Wednesday, August 3, 1955, for furnishing fifty (50) steamer type fire hydrants, for the use of the City Water Department, in accordance with specifications for same on file in the office of the City Clerk.

Copies of the specifications may be obtained in the office of the City Engineer

The City Engineer's estimate of cost of furnishing these hydrants is $8,000.00 f.o.b Lincoln, Nebraska.

Each bid must be accompanied by a certified check in the sum of five per cent (5%) of the total amount bid, made payable to the order of Frank J. Miller, City Treasurer, as a guarantee of good faith.

The City reserves the right to reject any or all bids, and to waive any defect in bids

THEO. H. BERG, City Clerk.

Notice to Contractors

Sealed proposals will be received by the City Council of the City of Lincoln, Nebraska, at the office of the City Clerk, up to 10 o'clock a.m., Central Standard Time, Wednesday, August 10, 1955, for the construction of paving in Paving District No. 1370, being in Knox Street from 52nd Street to 54th Street and 53rd Street from Greenwood Street to Knox Street, in said City, according to the plans and specifications of the City Engineer on file in the office of the City Clerk.

Plans and specifications may be seen and blank proposals obtained in the office of the City Engineer.

The City Engineer's estimate of the cost of this paving is $13,400.00.

Each proposal must be accompanied by a certified check for $670.00, made payable to Frank J. Miller, City Treasurer, as a guarantee of good faith.

The City reserves the right to reject any or all proposals and to waive any defect in proposals.

THEO H. BERG, City Clerk.

$2.3 Million Road Work Set For Aug. 18 Letting

Highway projects estimated to cost $2,300,000 will be up for bids at an Aug. 18 letting, the State Highway Department announced Thursday.

Several jobs in the Fremont, Norfolk and Scottsbluff areas are involved.

Of the estimated $2,300,000 cost, $700,000 would come from federal aid primary funds, $450,000 from federal aid secondary funds, $10,000 from city funds, $200,000 from county funds, and $940,000 from state construction funds.

Fremont Projects

Fremont area projects involved include the grading and concrete paving of 1.9 miles of secondary highway west of Fremont, and paving and incidental work on six-tenths of a mile on U.S. Highway 275 between Fremont and Hooper.

Norfolk area projects include the widening of 18 bridges on Highway 275 between Tilden and Norfolk; concrete paving and incidental work on 4.5 miles on U.S. Highway 81 north of Norfolk.

In the Scottsbluff area, projects include concrete paving of 5.5 miles on U.S. Highway 26 between Morrill and Mitchell; asphaltic concreting of 6.4 miles on a secondary highway east of Mitchell; concrete paving of three miles on State Highway 86-A west of Scottsbluff, and asphaltic concreting of 8.4 miles on Nebraska Highway 29 north of Mitchell.

Other Projects

Other projects include:

Howard County—Grading of 8.9 miles on U.S. 281 north of St. Paul.

Dawes—Paving of one mile on Third Street in Chadron.

Webster—Gravel surfacing of 5.5 miles on State Highway 78 north and south of Guide Rock.

Nuckolls—Graveling of 10.4 miles on State Highway 4 between Lawrence and Highway 14.

Jefferson—Graveling of 4.9 miles on State 3-S between Fairbury and Endicott.

Washington—Graveling of 8.9 miles of State 91 west of Blair.

Merrick—Asphaltic concreting of 5.8 miles on secondary highways north of Palmer, west of Central City, and north of Archer.

Boone—Two concrete culverts north of Albion and southwest of Primrose.

Custer—Graveling of 8.1 miles on secondary highway north and west of Arnold.

Cherry—Bituminous surfacing of 14.2 miles on secondary highway north of Whitman, and bridge southeast of Gordon.

On Aug. 19, bids will be opened at Emerson on paving of two-tenths of a mile on Main Street in Emerison—a project estimated to cost $38,000. Half of the cost would come from federal aid primary funds, one-fourth each from village and state funds.

A letting has been scheduled Aug. 23 at Scottsbluff on paving of six-tenths of a mile on 27th Street in Scottsbluff. Half of the estimated $99,000 cost would come from federal funds, half from city funds.

Court Denies Portal-Portal Pay Rehearing

ST. LOUIS (AP) — The U.S. Court of Appeals has refused a rehearing of an appeal by a group of employees of the Q. O. Ordnance Co. of Grand Island, Neb., who were seeking paying of $2,437,249.06 as portal-to-portal pay.

A similar petition for a rehearing by another group of employees still is pending before the court.

Upheld District Court

The appellate judges, in their original decision, upheld a district court decision dismissing the suits against the company. The plant produced explosives, bombs and TNT for use in World War II.

Guards and matrons of the plant had claimed compensation for time spent between their regular working hours and periods set aside for target practices. Firemen at the plant claimed compensation for periods during which they were called from their sleep for duty.

Production workers claimed additional pay for 45 minutes on each shift for time spent changing clothes before and after work.

No Contractor Custom

The 1954 district court ruling, upheld here, said:

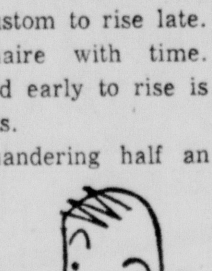
"Although evidence discloses that in some situation the plaintiffs were not compensated for preliminary and postliminary activities, the evidence does not convience the court that there was in existence any contract, custom or practice to pay for such activities."

Half of the sum sought represented actual pay allegedly due and the rest was damages.

The appeals had been filed in the names of "Frank Ciemnoczolowski and others," and "Joseph P. Dunning and others" against the ordnance firm.

STAN DELAPLANE'S
POSTCARD

In the warm mornings these days it is my custom to rise late. I am a millionaire with time. Early to bed and early to rise is for the poor folks.



I am for squandering half an hour in the sack. I rise when I hear female laughter and splashing out by the swimming pool. I get into my sharp Hawaiian swimming shorts and have my coffee up on the porch where I can see what's what and who's who.

It is extremely restful on the eye and nerve. If I got up early what on earth would I do?

If I got up early, I could write. That is what I could do. If I got up one hour early and wrote, in no time at all I would have a book If I had a book, it would sell to the movies.

In short order, I would have to go to literary teas and autograph parties. I would worry about income tax. If I made one little old mistake in addition, the Federal bag men would toss me in the pokey. That is what you get for making mistakes.

No, sir. You don't catch me on that sort of thing.

☆ ☆ ☆

Beside the swimming pool (with an excellent view of a size 12 lady in a size 10 bathing suit), I read the magazines.

The back of the magazine is full of helpful ideas for a man who likes to get up late.

"Tie dry flies at home. Easy work, good profits."

"Men! If you are looking for easy work with dependable income, read this!"

I am looking for easy work with a dependable income. But I find I must sell magazine subscriptions. As for dry flies, I can scarcely tie my shoe laces.

Here is the ad for me:

"So Sick of It You Could Scream!

"Do you hate to get up so early in the mornings, rush here, rush there, grab your lunch, swallow it whole, and then back to a rush job with a deadline to make all the time?"

Yes, man!

"Are you fed up with the fast pace and do you seek a change?

"Why not turn to writing . . ."

☆ ☆ ☆

Well, that is what comes of poking around in the back of magazines. Ask a foolish question, you get a foolish answer.

I think a good job for me would be a bathing suit pullerupper. I note the ladies who are constantly pulling up their small bathing suits. They grip the top with both hands and heave-ho.

This makes the pants too small, Sam. They then grab the legs and pull down.

This is a great deal of work for a lady who is paying $25 a day, American plan. At a class A resort hotel. It is not good service.

I will suggest to the management that they employ me as a bathing suit puller-upper.

It will be done discreetly and respectfully. She will not have to worry about it. I will inquire first if she is ticklish. If she is ticklish I will pull the bathing suit with chopsticks. She will be untouched by human hand. I wonder why nobody thought of this before.

☆ ☆ ☆

I will add little graceful touches. If a lady wishes, I will put the sun tan cream on her back where she cannot reach.

I will put in a special evening zipper and hookup service for ladies who must be zippered and hooked into their gowns. I will wear white tie and tails and address them politely as "Madame." For no extra charge, I will spend five thoughtful minutes deciding whether the corsage looks better on the dress or in the hair.

This will be of interest to ladies whose husbands say: "Looks swell right where you've got it," without turning his head to look.

I think this would be a splendid job for me, not requiring early rising nor selling subscriptions nor tieing dry flies nor writing. I would be earnest and hard-working. I would give it everything I've got.

Earnest worker, seeks position. Have dress clothes. Will travel.

(McNaught Syndicate, Inc.)

Fourth Woten Field Producer Reported

SIDNEY, Neb. (AP)—The fourth producing well in the Woten field, north of Potter, is reported by McDevitt and Wise, local operators. The drillers recovered 1,140 feet of clean oil and 210 feet of drilling water on a J sand test from the Schreiner B No. 1.

Demos Sold Power To Private Utilities 'At Cost,' Miller Says

WASHINGTON (AP) — Rep. Miller (R-Neb) Thursday accused the democrats of selling to private utilities "at cost or below" more than 13 per cent of the federal power produced in the period 1945-52.

That amount of power was sold to private firms under contracts that did not provide for withdrawal when energy was needed by preference customers, Miller declared. Preference customers are municipalities and other public groups which by law have priority to federally produced power.

And much of the power, Miller said in a statement in the Congressional Record, was sold for less than it cost the government to produce it.

Miller said his statement was intended to counter charges that GOP is harsh on public power.

176 Contracts

He listed these private utilities as among those which "benefitted by the Democratic public power policy;" Arizona Public Service Co.; El Paso Electric Co.; Public Service Co. of New Mexico; South California Edison Co.; Montana-Dakota Utilities Co. and the Idaho Power Co.

During the 8-year period, Miller said, federal power agencies entered into 176 contracts with private utilities for delivery of 444,599,725 kwh.

"The record shows these contracts were made . . .," Miller said, "at a time when a serious power shortage in several public power areas in the country was apparent.

Only 14 of the contracts, he added, carried the preference or withdrawal clause.

'New Deal Pet'

Miller said one of the contracts, for about a million kilowatt hours, was made to "a New Deal Pet, the Kaiser Aluminum Co. It still is in effect and the price is less than the cost of production."

"The entire democratic power philosophy seems to be that the savings in power costs, if any, at projects built at government expense, should be passed on to those marketing agencies of a public nature, regardless of whether they use the power for public purposes or for resale to private users.

Balanced
Everything it takes to be "TOPS"
STANDARD GASOLINES
...balanced for top power, economy, and all 'round performance ... and raised to the Highest Octane levels in our history

Yes, STANDARD WHITE CROWN and RED CROWN Gasolines have been stepped-up and pepped-up to give you the highest octane ratings in our sixty-six year history . . . designed to meet the most exacting anti-knock requirements of modern cars with high compression motors. They'll make older cars perform better, too. But important as octane is, good gasolines need something more. They must be *balanced* for all 'round performance. Standard Gasolines give you . . . controlled volatility—the right gasoline for the right season; no vapor lock even in the hottest summer weather; and clean burning, economical, efficient performance.

Try a tankful today and drive away convinced that these gasolines have everything it takes to be tops!

Are all gasolines pretty much the same?

NO, THEY'RE NOT. Standard Gasolines are distinctly different. Our chemists and engineers conduct a continuing program of research and development to bring you the best in gasolines. In addition, Standard guards the quality of the gasoline all the way from the refinery to your car through private and exclusive terminal facilities, lake tankers, river barges, pipelines, tank cars and trucks. And a good thing to remember is this . . . no gasolines arrive at or go out of our terminals but *Standard* Gasolines.

You expect more from STANDARD and get it!

Notice to Contractors

Sealed proposals will be received by the City Council of the City of Lincoln, Nebraska, at the office of the City Clerk, up to 10 o'clock a.m., Central Standard Time, Wednesday, August 10, 1955, for the construction of the water main in Water District No. 415, being in Logan Street from 70th Street to 72nd Street, in said City, according to the plans and specifications of the City Engineer on file in the office of the City Clerk.

Plans and specifications may be seen and blank proposals obtained in the office of the City Engineer.

The City Engineer's estimate of the cost of this water main is $3,400.00.

Each proposal must be accompanied by a certified check for $170.00, made payable to Frank J. Miller, City Treasurer, as a guarantee of good faith.

The City reserves the right to reject any or all proposals and to waive any defect in proposals.

THEO. H. BERG, City Clerk.

Notice to Contractors

Sealed proposals will be received by the City Council of the City of Lincoln, Nebraska, at the office of the City Clerk, up to 10 o'clock a.m., Central Standard Time, Wednesday, August 10, 1955, for the construction of the sewers in Sewer District No. 565, being in Aylesworth Avenue from 59th Street to 60th Street, 60th Street from Aylesworth Avenue to Colby Street, Colby Street from 60th Street to a point 300 feet east, and between 60th Street and 62nd Street from Colby Street to Leighton Avenue, in said City, according to the plans and specification of the City Engineer on file in the office of the City Clerk.

Plans and specifications may be seen and blank proposals obtained in the office of the City Engineer.

The City Engineer's estimate of the cost of these sewers is $7,300.00.

Each proposal must be accompanied by a certified check for $365.00, made payable to Frank J. Miller, City Treasurer, as a guarantee of good faith.

The City reserves the right to reject any or all proposals and to waive any defect in proposals.

THEO. H. BERG, City Clerk.

Notice to Contractors

Sealed proposals will be received by the City Council of the City of Lincoln, Nebraska, at the office of the City Clerk, up to 10 o'clock a.m. Central Standard Time, Wednesday, August 10, 1955 for the construction of crushed stone surfacing in Graveling District No. 168, being in Fairfield Street between the east curb line of 9th Street and the east line of 12th Street, in said City, according to the specifications of the City Engineer on file in the office of the City Clerk.

Specifications may be seen and blank proposals obtained in the office of the City Engineer.

The City Engineer's estimate of the cost of this crushed stone surfacing is $1,250.00.

Each proposal must be accompanied by a certified check for $63.00, made payable to Frank J. Miller, City Treasurer, as guarantee of good faith.

The City reserves the right to reject any or all proposals and to waive any defect in proposals.

THEO. H. BERG, City Clerk.

Notice to Contractors

Sealed proposals will be received by the City Council of the City of Lincoln, Nebraska, at the office of the City Clerk, up to 10 o'clock a.m. Central Standard Time Wednesday, August 3 1955, for the construction of the storm sewer in Storm Sewer Project No. 42-A-55, being from 39th and Holdrege Streets to 41st and Y Streets in said City, according to the plans and specifications of the City Engineer on file in the office of the City Clerk.

Plans and specifications may be seen and blank proposals obtained in the office of the City Engineer.

The City Engineer's estimate of the cost of this storm sewer is $32,000.00.

Each proposal must be accompanied by a certified check for $1,600.00, made payable to Frank J. Miller, City Treasurer, as a guarantee of good faith.

The City reserves the right to reject any or all proposals and to waive any defect in proposals.

Ordinance No. 6100

AN ORDINANCE creating Improvement District No. 42, defining the limits thereof, designating the improvements to be made therein, designating the property to be benefited, providing for the payment of the cost thereof, providing for the acquisition of title, by purchase or by condemnation proceedings, to the lands and lots necessary for the completion of the improvements therein, and repealing all ordinances and parts of ordinances in conflict herewith.

BE IT ORDAINED by the City Council of the City of Lincoln, Nebraska:

Section 1. That Improvement District No. 42 of the City of Lincoln, Nebraska, be and the same is hereby created; that the following improvements shall be made in said District, to-witt: Van Dorn Street shall be opened to a width of eighty (80) feet between the west line of the Northeast Quarter of the Northwest Quarter of Section 5, Township 9 North, Range 7 East of the 6th P.M. and the west line of 48th Street, by acquiring for street purposes the north forty (40) feet of Lots 1, 11 and 12 in Wild's Addition To College View and the south forty (40) feet of Lot 252 of Irregular Tracts in the Southwest Quarter of Section 32, Township 10 North, Range 7 East of the 6th P.M.; that said improvement district shall include the following described property benefited by said improvement, to-wit: Lots 2, 10, 13 and those portions of Lots 1, 11 and 12 not acquired for street purposes, all in Wild's Addition To College View. The north three hundred (300) feet of the south three hundred forty (340) feet of Lot 252 of Irregular Tracts in the Southwest Quarter of Section 32, Township 10 North, Range 7 east of the 6th P.M.

That the cost of making such improvements, including the cost of all necessary lands, lots, or grounds, and the damages thereto, the cost of condemnation proceedings, if necessary, and all other expenses incidental to the making of said improvements shall be assessed against the property benefited in said district in proportion to the benefits, not exceeding the cost thereof.

Section 2. That for the opening of Van Dorn Street, the City of Lincoln shall acquire title to the north 40 feet of Lots 1, 11 and 12 in Wild's Addition to College View and the south 40 feet of Lot 252 of Irregular Tracts in the Southwest Quarter of Section 32, Township 10 North, Range 7 East of the 6th P.M. by purchase if possible, and if such purchase cannot be made by agreement with the owner or owners, said property shall be condemned as provided by law.

Section 3. That all ordinances and parts of ordinances in conflict herewith be and they are hereby repealed.

Section 4. This ordinance shall take effect and be in force from and after its passage and publication according to law.

Plans and specifications may be seen and blank proposals obtained in the office of the City Engineer.

The City Engineer's estimate of the cost of this grading is $1,800.00.

Each proposal must be accompanied by a certified check for $90.00, made payable to Frank J. Miller, City Treasurer, as a guarantee of good faith.

The City reserves the right to reject any or all proposals and to waive any defect in proposals.

THEO. H. BERG, City Clerk.

Ordinance No. 6102

AN ORDINANCE establishing the official grades of certain streets in PARK VALLEY HEIGHTS, an addition in the City of Lincoln, Nebraska, with reference to a datum plane herein described, and accepting and approving the plat of PARK VALLEY HEIGHTS, an addition in the City of Lincoln, Nebraska, filed in the office of the City Clerk of the City of Lincoln, Nebraska, on July 11, 1955, upon certain conditions herein specified and providing for a bond conditioned upon the strict compliance with such conditions.

WHEREAS, WAYNE PRICE & CO., INC., a corporation, owner of the west 18.57 acres of Lot 63 located in the South Section 21, Township 10 North, Range 7 East of the 6th P.M., Lancaster County, Nebraska, having platted said real estate under the designation of PARK VALLEY HEIGHTS, and having filed said plat on July 11, 1955, with the City Clerk of the City of Lincoln, Nebraska, with a request for approval and acceptance thereof, in the manner and form as by ordinance required, and

WHEREAS, it is for the convenience of the inhabitants of said City of Lincoln, Nebraska, and for the public that said plat be approved and accepted as filed.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Lincoln, Nebraska:

Section 1. That the grades of certain streets in PARK VALLEY HEIGHTS, an addition in the City of Lincoln, Nebraska, be and they are hereby established with reference to a datum plane, which is located as follows: Bench mark cut in water table at the northeast corner of the City Hall building is 79.74 feet above said datum plane, said datum plane being coincident with the datum plane of what is known as the Harvey Grade.

The grades hereby established shall be uniform straight lines between adjacent points hereinafter specified in said streets and between the grade points heretofore established by ordinance in adjacent streets.

Section 2. Grade at the intersection of 56th Street and Vine Street: Northwest corner 102.39; Northeast corner 103.69; Southwest corner 102.39; Southeast corner 103.69.

Section 3. Grade at a point in Vine Street 270 feet east of 56th Street: North side 118.0; South side 118.0; provided, however, that the grades to be established in this section shall be considered as the points of intersection of tangents to vertical curves 400 feet long.

Section 4. Grade at the intersection of 57th Street and Vine Street: Northeast corner 116.92; Northwest corner 116.35.

Section 5. Grade at the intersection of 58th Street and Vine Street: Northeast corner 119.32; Northwest corner 119.23.

Section 6. Grade at a point in Vine Street 870 feet east of 56th Street: North side 120.0; South side 120.0; provided, however, that the grades to be established in this section shall be considered as the points of intersection of tangents to vertical curves 100 feet long.

Section 7. Grade at the intersection of 59th Street and Vine Street: Northeast corner 119.75; Northwest corner 119.83.

Section 8. Grade at a point in 56th Street at north line of Vine Street: East side 102.5; West side 102.0.

Section 9. Grade at a point in 56th Street 550 feet north of Vine Street: East side 91.0; West side 90.5; provided, however, that the grades to be established in this section shall be considered as the points of intersection of tangents to vertical curves 300 feet long.

Section 10 Grade at the intersection of Wilshire Boulevard and 56th Street: Northeast corner 93.22; Southeast corner 92.90; West side at center line of Wilshire Boulevard 92.76.

Section 11. Grade at a point in 56th Street at south line of Missouri Pacific Railroad right of way: East side 95.60; West side 95.60; provided, however, that the grades to be established in this section shall be considered as the points of intersection of tangents to vertical curves 100 feet long.

Section 12. Grade at a point in Wilshire Boulevard at the center of 57th Street: North side 97.0; South side 97.5; provided, however, that the grades to be established in this section shall be considered as the points of intersection of tangents to vertical curves 200 feet long.

Section 13. Grade at a point in Wilshire Boulevard at center of 58th Street: North side 92.0; South side 92.5; provided, however, that the grades to be established in this section shall be considered as the points of intersection of tangents to vertical curves 100 feet long.

Section 14. Grade at a point in 59th Street 480 feet north of Vine Street: East side 101.5; West side 101.5; provided, however, that the grades to be established in this section shall be considered as the points of intersection of tangents to vertical curves 100 feet long.

Section 15. Grade at a point in 59th Street 80 feet north of Vine Street: East side 119.0; West side 119.0; provided, however, that the grades to be established in this section shall be considered as the points of intersection of tangents to vertical curves 100 feet long.

Section 16. Grade at a point in 58th Street 260 feet north of Vine Street: East side 103.0; West side 103.0; provided, however, that the grades to be established in this section shall be considered as the points of intersection of tangents to vertical curves 100 feet long.

Section 17. Grade at a point in 57th Street 230 feet north of Vine Street: East side 115.0; West side 115.0; provided, however, that the grades to be established in this section shall be considered as the points of intersection of tangents to vertical curves 100 feet long.

Section 18. That the plat of PARK VALLEY HEIGHTS, filed in the office of the City Clerk of the City of Lincoln, Nebraska, by Wayne Price & Co., Inc., a corporation, as owner on July 11, 1955, be and it hereby is approved and accepted and said owner be and it hereby is given the right to plat said PARK VALLEY HEIGHTS as an addition in the City of Lincoln, Nebraska, in accordance therewith. Such acceptance and aproval is conditioned upon the following conditions.

First: That the owner above set forth shall, at its own cost and expense, construct sidewalks in the sidewalk space along the North side of Wilshire Boulevard between 56th and 59th Streets, along the North side of Vine Street between 56th and 59th Streets, along the East side of 56th Street between Vine Street and the North line of Block 1, along the East side of 57th Street between Vine Street and Wilshire Boulevard and along the East side of 58th Street between Vine Street and Wilshire Boulevard; and keep such sidewalks in repair all in accordance with the ordinances of the City of Lincoln, Nebraska, relating to sidewalks. The construction of said sidewalks shall be completed not later than August 15, 1956.

Second: That the owner above set forth, shall prior to the passage of this ordinance, enter into a written agreement with the City of Lincoln, agreeing that the City of Lincoln shall bring the streets to the official established grades as hereinabove set forth, and construct the necessary sanitary sewers and water mains to serve the real estate in said addition, and assess the cost thereof against the real estate in said addition in accordance with benefits accruing thereto.

Section 19. That the owner above set forth shall, prior to the passage of this ordinance, execute and deliver to the City of Lincoln, Nebraska a bond in the sum of $6,800.00, which bond shall be approved by the City Council of the City of Lincoln, Nebraska, and shall be conditional upon the street compliance by the owner above named with the conditions contained in paragraphs desigated "First" of the next preceeding section of this ordinance; and further conditioned that in the event the above named owner fails to comply with the conditions herein set forth within the time specified in this ordinance, the City Council shall proceed to fulfill said conditions, the cost thereof to be paid by the surety on said bond. Such work shall be performed in the manner set forth in Ordinance No. 5284, passed July 21, 1952, known as the Land Sub-division Ordinance, as now existing or as may hereafter be amended.

Section 20. This ordinance shall take effect and be in force from and after its passage and publication according to law.

Introduced by Rees Wilkinson.
Passed: July 25, 1955
CLARK JEARY, Mayor.
Attest: Theo. H. Berg, City Clerk.

Another Mrs. Tucker's "FIRST"

Young Davy Crocketts can have their coonskin caps and eat 'em too! This life-like Crockett Cake (and what a party cake!) was developed by Mrs. Tucker's Homemakers Dept. at Sherman, Texas — just 40 miles from City of Honey Grove, which got its name from the honey tree under which Davy Crockett is supposed to have killed a b'ar on his way to the Alamo.

Write for FREE Recipe and Complete Instructions

For this delicious Devil's Food Cake of 2 layers, 6 cup cakes, special frosting, toasted coconut, and instructions with illustrations to make quickly and easily, send a post card to Mrs. Tucker, Sherman, Texas.

Success Guaranteed with Pure, White, Creamy
Mrs. Tucker's
All-Vegetable SHORTENING

Make this or ANY cake with Mrs. Tucker's and if you don't say it is higher, richer, more moist, tender and digestible than the same cake made with ANY other shortening, send the recipe to Mrs. Tucker, and you will get paid for all ingredients used PLUS $1. for your time!

The ONLY Shortening TRIPLE Guaranteed for (1) Cakes (2) Pies (3) Frying

Improved Demand Firms Hog Prices

OMAHA (AP) — Improved demand stemmed falling hog prices here Thursday. Values turned firm to 25 cents and as much as 50 cents higher. The cattle market ruled mostly steady. Slaughter lambs dropped 50 cents or more.

OMAHA

Hogs: Salable Thursday 5,000; active; barrows and gilts fully steady to 25 higher; spots 50 up on weights under 200 lbs.; sows strong to 50c higher; U.S. 1 and 2, 200-240 lbs., $17.00@17.50; 180-200 lbs., $16.00@17.00; mixed 2 and 3 lots 200-240 lbs., $16.75@17.00; choice 400 lbs. down $13.50@16.00; heavier sows $12.50@13.75.

Cattle: Salable 2,500; calves 50; slaughter classes generally steady; some weakness on utility to low good yearling steers and heifers; stokers and feeders in limited supply, weak; load light weight steers mostly high choice $22.75; load strong weights $22.50 mostly high choice; majority choice steers $21.00@22.25; good to low choice $19.00@20.75; choice mixed yeaalings $22.00; good to low choice heifers $18.50@20.00; scattering utility and commercial heifers $12.50@17.50; utility and commercial cows $10.50@13.00; canners and cutters $9.00@10.50.

Sheep: Salable 2,000; spring slaughter lambs fully 50 lower; spots off more; and around 100 head unsold; choice and prime native spring lambs $20.50 to mostly $20.75; good and choice $18.50@20.00; cull to choice shorn slaughter ewes $3.50@5.50.

CHICAGO

In a moderately active trade butcher hogs sold steady to strong Thursday.

Top at $17.50, paid for 41 head, was up 10 cents. Salable receipts totaled 5,000.

Sows weighing less than 400 pounds held steady. Heavier weights sold strong to mostly 25 cents higher.

Most 190 to 270 pound butchers were taken at $16.75@17.25. A few decks brought $17.35@17.40.

Butchers scaling 270 to 310 pounds sold for $16.00@16.75.

Cows around 400 pounds and lighter went at $14.00@15.50 with a few up to $16.00. Other weight sows sold from $12.00@14.50.

In the cattle section, where salable receipts totaled only 1,500, steers and heifers sold steady to 25 cents lower in a slow trade.

A package of prime 1,050 pound steers set the top at $23.75. Average good to average choice steers brought $120.00 to 22.50.

Good and choice heifers and mixed yearlings sold at $19.00@21.50.

Cows were steady at $11.25@13.00 for utility and commercial. Some high commercial and good reached $13.50@15.00.

Vealers were steady at $17.00@22.00 for good and choice.

Salable sheep receipts totaled 1,000. Spring lambs sold steady to 50 cents higher at $19.00@21.50 for good to prime. One package set the top at $22.00.

Hogs: 5,000 moderately active; steady to strong on butchers; some steady under 400 lb, over 400 lb strong to mostly 25 higher, most U. S. No. 1 to 3's 190-270 lb butchers 16.75-17.25; largely 17.00-17.25 on mixed 1 and 2's 190-225 lb; few decks 210-220 lb 17.35-17.40; 41 head lot mostly 1's 17.50; few 270-310 lb 16.00-16.75; a load around 350 lb 15.00; most sows around 400 lb and lighter 14.00-15.50; most 400-500 lb 13.25-14.50.

Markets At A Glance

NEW YORK (AP)—

Stocks—Lower; profit-taking appears.

Bonds—Mixed; changes narrow.

Cotton—Higher; commission house buying.

CHICAGO:

White—Easy; sold off at finish.

Corn — Firm; rains needed in some areas.

Oats — Mixed; small price changes.

Hogs—Butchers steady to strong; top $17.50.

Cattle—Steers, heifers steady to 25 cents down; top $23.75.

N.Y. Stock Mart Slips Down A Peg

NEW YORK (AP)—The stock market ran into profit-taking Thursday and stepped down a peg.

Steels held the center of the trading stage most of the day. The question was what Bethlehem Steel directors would do about a dividend and a split and what earnings they would report.

They boosted the dividend to $1.75 from $1.50 paid in June, reported record high second quarter earnings of $4.74 against $3.04 a year ago, and said nothing about splitting the stock.

During the day Bethlehem common swung between 159 and 153 and closed at 158, off ¼.

However, stock plunged down in trading on the West Coast after the directors' action was announced.

Steels as a group, however, were mixed. Also mixed were motors, utilities, and aircrafts.

Railroads were lower together with oils, coppers, rubbers, radio-televisions, chemicals, airlines and cement stocks.

The latter group reflected the decision of the House in Washington not to push through legislation this year for more highways.

The Associated Press average of 60 stocks was down $1.00 at $175.80.

The average last Monday hit a new record high, Tuesday declined 20 cents, and Wednesday remained unchanged.

Volume dwindled to 2,090,000 shares from 2,170,000 Wednesday.

OMAHA FEEDS AND HAY

Alfalfa meal: New crop 17 per cent dehydrated, 44; 50-lb. paper bags.
Wheat feed: Bran, 44, shorts, 57.
Hominy feeds: Carlots, bulk, 51; top lots sacked, 55.
Feeding tankage: 60 per cent protein, 94; meat scraps, 50 per cent protein, 94; special bonemeal, 86.
Soybean meal: 41-44 per cent protein, 73; pellets, 2.25 more.
Oats feeds: Steamrolled, 91; pulverized unhulled, 65.

BOND MARKET

NEW YORK (AP)—Rails and oils eased but utilities and industrials improved in a mixed bond market Thursday.

U. S? governments ended steady after registering narrow advances early in the day.

Declines during the afternoon in all but the victory 2½s of December 1967-72, erased early gains.

The retreat followed announcement by more New York banks that they would boost from 3 to 3¼ per cent the rate charged brokers and dealers on collateral loans.

Notice to Bidders

Sealed proposals will be received by the Board of Trustees of the University of Nebraska Dormitory Corporation at Lincoln, Nebraska, until 2:00 P.M. Friday, August 19, 1955, for furnishing labor and materials required to complete the Remodeling of Unit "L" Recreation Room L-04, for the new Men's Dormitory Buildings for the University of Nebraska at Lincoln, Nebraska in accordance with plans and specifications as prepared by DAVIS AND WILSON, Architects of Lincoln, Nebraska.

Heating and ventilating work, electric work and general work are to be included in a single contract.

Plans may be inspected at the office of the Director of Buildings and Grounds at the University of Nebraska, Lincoln, Nebraska; at the office of the Architect, 226 Stuart Building, Lincoln, Nebraska.

Contractors who wish to bid on the work may obtain a set of plans and specifications for individual use by applying to the Architect. No deposit will be required.

The Contractor will be required to furnish a corporate surety performance bond in a sum equal to 100 per cent of the contract price.

No bidder may withdraw his bid for a period of thirty days after the scheduled closing time for the receipt of bids.

Each bid shall be accompanied by a certified or cashier's check for 5% of the amount of the bid, or, as an alternate, the bidder may submit a bid bond with an authorized surety company as surety, payable to the Board of Directors of the University of Nebraska Dormitory Corporation as liquidation damages in case the person or company to whom the Board awards the contract, fails or refuses to enter into the contract and furnish a satisfactory performance bond in the penal sum of the full amount of contract price within ten days of the notice of such an award. If a certified or cashier's check or a bid bond as herein set forth is not received with the proposal, same will not be considered.

The Board of Trustees of the University of Nebraska Dormitory Corporation of Lincoln, Nebraska, reserves the right to reject any or all bids and to waive any informalities in any proposal.

Proposals will be received and opened and publicly read at the time and date above named, at the office of the Director of Purchases of the University of Nebraska, Administration Building, 12th and R Streets, Lincoln, Nebraska.

The Board of Trustees of
The University of Nebraska
Dormitory Corporation

Date: July 12, 1955

Notice to Dealers in Diesel Engines

Sealed bids will be received at the office of the City Clerk of the City of Lincoln, Nebraska, up to 10:00 o'clock A.M., Wednesday, August 10, 1955, for furnishing one diesel engine for use of the Water Department, in accordance with specifications for same on file in the office of the City Clerk.

Copies of the specifications may be obtained in the Purchasing Department.

The estimate of cost of this engine is $4,300.00 F.O.B. Ashland, Nebraska.

Each bid must be accompanied by a certified check in the sum of five (5) per cent of the total amount bid, made payable to the order of Frank J. Miller, City Treasurer, as a guarantee of good faith.

The City reserves the right to reject any or all bids and to waive any defect in bids.

THEO. H. BERG, City Clerk.

Notice to Dealers in Service Drop Cable

Sealed proposals will be received by the City Council of the City of Lincoln, Nebraska, at the office of the City Clerk, up to the hour of 10:00 o'clock a.m., Wednesday, August 10, 1955, for furnishing 50,000 feet of aluminum service drop cable for the use of the City Light Department, in accordance with specifications for same on file in the office of the City Clerk.

Copies of the specifications may be obtained in the office of the City Engineer.

The Electrical Engineer's estimate of cost of this aluminum service drop cable is $6,500.00 f.o.b. Lincoln, Nebraska.

Each proposal must be accompanied by a certified check in the sum of five per cent (5%) of the total amount bid, made payable to the order of Frank J. Miller, City Treasurer, as a guarantee of good faith.

The City reserves the right to reject any or all proposals and to waive any defect in proposals.

THEO. H. BERG, City Clerk

Ordinance No. 6099

An Ordinance creating Alley Paving District No. 263, defining the limits thereof, establishing the width of the roadway to be paved and the width of the grading to be done, providing for curbing, guttering, and relaying of sidewalks, providing for the payment of the cost thereof, designating the property to be benefited, and repealing Ordinance No. 3441 and all ordinances or parts of ordinances in conflict herewith.

BE IT ORDAINED by the City Council of the City of Lincoln, Nebraska:

Sec 1. That Alley Paving District No. 263 of the City of Lincoln, Nebraska be and the same is hereby created; that said Alley Paving District shall include all that portion of the east 205.5 feet of the north east and west alley, the east and west alley between Lots 31 and 32 and the north 434.5 feet of the north and south alley, all in Block 1, Houtz Place in said City, and the following described real estate benefited, to-wit: Lots 1, 2, 3, 4, 9, 10 11, 12, 13, 14, 15, 16, 17, 18, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39 and 40, and the east 10.5 feet of Lots E and F of Farrell's Sub., all in Block 1, Houtz Place.

The roadway to be paved in said District shall be 16 feet in width, grading to be from lot line to lot line, and the cost of grading, curbing, guttering, and paving the same, including the cost of grading, curbing, guttering, and paving the intersections and returns, and the cost of grading the sidewalk space and relaying of sidewalks and all expenses incidental to all of said improvements shall be assesed against the property benefited in said District in proportion to the benefits, not exceeding the cost thereof.

Sec. 2. That Ordinance No. 3441 and all ordinances and parts of ordinances in conflict herewith be and the same hereby are repealed.

Sec. 3. This ordinance shall take effect and be in force from and after its passage and publicatin according to law

Introduced by J. E. Fenton
Passed: July 25, 1955

CLARK JEARY,
Mayor.

Ordinance No. 6101

AN ORDINANCE approving the plat of CHEZ AMI KNOLLS, as an addition within three miles of the corporate limits of the City of Lincoln, filed in the office of the City Clerk on July 18, 1955.

WHEREAS, August J. Lahm and Sophia M. Lahm, husband and wife, and Robert D. Stump and Evelyn Stump, husband and wife, owners of a part of the northeast Quarter of Section 13, Township 9 North, Range 6 East of the Sixth P.M.; Lancaster County, Nebraska, being described as follows: Starting at the Northeast corner of said section, thence West along the North line of said section a distance of 895 feet to a point of beginning, continuing along said line a distance of 500 feet, thence South at right angles a distance of 733 feet, thence East at right angles a distance of 65 feet, thence South at right angles a distance of 1477 feet, thence East at right angles a distance of 500 feet, thence North at right angles a distance of 1797 feet, thence West at right angles a distance of 65 feet, thence North at right angles a distance of 413 feet to the point of beginning, having platted said real estate under the designation of CHEZ AMI KNOLLS and having filed said plat on July 18, 1955, with the City Clerk of the City of Lincoln, Nebraska, with a request for approval and acceptance thereof, in the manner and form as by ordinance required, and

WHERAS, it is for the convenience of the inhabitants of said City of Lincoln, Nebraska, and for the public that said plat be approved as filed.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Lincoln, Nebraska:

Section 1. That the plat of CHEZ AMI KNOLLS, filed in the office of the City Clerk of the City of Lincoln, Nebraska, by August J. Lahm and Sophia M. Lahm, husband and wife, and Robert D. Stump and Evelyn Stump, husband and wife, as owners, on July 18, 1955, be and it is hereby approved pursuant to the provisions of Article 9, Chapter 15, R. R. S., 1943.

Section 2. This ordinance shall take effect and be in force from and after its passage and publication according to law.

Introduced by Clark Jeary.
Passed: July 25, 1955.
Clark Jeary, Mayor.

Farms for Sale 75

A LAND AUCTION

2 Good Lancaster County Farms

Wed., August 3, 1:30 pm

FARM NO. 1 IMPROVED
160 ACRES

This very well located farm is on gravel just 6½ miles East of 70th Street on Havelock Avenue, or, about 12 miles from downtown Lincoln. The land is gently rolling. 7 acres pasture, balance under cultivation. It is fenced and cross-fenced and a very good producing farm. Complete set of improvements in good repair: 1½ story type home with part basement; good barn, 36x42; good machine shed, 60x21; poultry house and garage; 6 pen hog house; good double corn crib; other small buildings; a good well; REA. An excellent wind break, small orchard, a very fine home farm.

FARM #2—80 ACRES

This well located improved 80 is 2 miles East of the Waverly school and then 1½ miles South on gravel, or, 1 mile East of Farm 1 and 2¼ miles North. This is a high producing bottom land farm with 60 acres cultivated, balance creek pasture. This land has been irrigated by water from the creek and the irrigation pump goes with the farm. There is a granary 12x16, machine shed 32x32 and two wire corn cribs on this 80.

The sale will be held on Farm No. 1. You are invited to inspect both of these good farms at anytime. Possession March 1, 1956.

For additional information or sale bill, call or write the Auctioneers. The two farms positively sell to the highest bidders without any limit, minimum or reservation.

Farms for Sale 75

AN AUCTION
4 LANCASTER COUNTY FARMS

Tuesday, Aug. 2, 1:30 p.m., 2 Unimproved 80's, and 2 Improved 80's, 11 miles northwest of Lincoln, or 1½ miles northwest of Malcolm on gravel. Sale will be held on Farm 4.

FARM NO. 1: IMPROVED 80 (1½ miles northwest of Malcolm). 20 acres of brome pasture, balance cultivated. Improvements: A 7 room home, barn 40x54, steel granary and other buildings, well and electricity.

FARM NO. 2: UNIMPROVED 80 (Joins Farm 1 on north), all cultivated except ½ acre.

FARM NO 3: UNIMPROVED 80 (Across road east from Farm 4). 12 acres prairie hay and the balance cultivated. There is a 1,000 bushel corn crib.

FARM NO. 4: IMPROVED 80 (Across the road north of Farm 2), has 29½ acres alfalfa, 3 acres pasture and balance cultivated. IMPROVEMENTS: A 6 room home, 2 barns, crib and granary, machine shed and other buildings. Well and mill, electricity.

Inspect these farms at any time. Possession of each farm March 1, 1956. Each 80 will be sold individually. These are well located farms, being just about 15 minutes from Lincoln and are good producing units. Call or write the auctioneers for sale bill. Each - Farm Positively-Sells-To-The Highest-Bidder

AN AUCTION
COMMERCIAL PROPERTY

Tues. Aug 16th, 7 P.M. 4813 Lowell (College View) The Schwarck Excavating Co. property. On the South portion of the lot, which is 50x60, is a brick & cement block building 46x52 about 4 years old. Has reinforced concrete floor, radiant heating by gas fired boiler, 220/440 electric outlets, extensively wired, office about 15x15, bathroom, and a completely modern building thruout. There are two 550 gallon underground gas & diesel tanks. Truck and car access thru the alley.

To the North of the building is the North portion of the lot 50x82 which is also commercially zoned. On this lot is a 2 story house divided into two apartments which rent for a total of $80. per month. the upstairs has 2 rooms, kitchen & full bath, separate entrance. The first floor has living room, 2 bedrooms, large kitchen, dinette, full bath. Possession of the building within 15 days, house possession about 30 days. Call auctioneers for additional information. The two will be sold separately to the highest bidder.

House Okays Exempting Natural Gas Producers From Curbs

WASHINGTON (INS) — The House, by a vote of 209 to 203, Thursday night passed and sent to the Senate a bill to exempt natural gas producers from federal price controls.

Approval of the bitterly-contested legislation, which is similar to a measure vetoed in 1950 by former President Harry S. Truman, was a personal victory for House Speaker Sam Rayburn (D-Tex).

The bill, sponsored by Rep. Oren Harris (D-Ark) overrides a Supreme Court decision directing the Federal Trade Commission to regulate gas production. The commission had asked to be relieved of this authority. The legislation is not on President Eisenhower's legislative "must" list and there was doubt the Senate would act on i beforet nex week's scheduled adjournment.

Ike Stand Not Clear

Mr. Einsehower has not taken a clear-cut stand on the bill, although a presidential commission urged removal of cntrols.

The bill does not affect federal controls over the rates charged by the operators of natrual gas pipelines, to whom the producers sell their product for transmission to consumers and distributors.

ing metropolitan centers, contended that removal of federal contrls would result in an increase in producers prices and ultimately in consumer rates.

They estimated it would cost consumers billions of dollars over the years, but supporters of the measure insisted the opposite was true.

The bill's proponents said federal regulations would discourage producers, result in less gas being produced, and thus bring about higher prices through a scarcity of the fuel.

Passage, they continued, would mean greater gas production and lower prices.

7 Catholic Clergy Change Assignments

Changes in assignments for seven priests of the Lincoln Diocese have been announced by the Most Rev. Bishop Louis B. Kucera.

The Rt. Rev. Msgr. S. G. Wagner, pastor of Sacred Heart Parish at Lawrence, will become pastor of St. Andrew's at Tecumseh and dean of that district, succeeding the late Rt. Rev. Msgr. Thomas Barden.

Rt. Rev. Msgr. Frank L. Sherman, presently pastor of Benkelman, Stratton and Haigler, will succeed Msgr. Wagner as Sacred Heart pastor and dean of that district. The Rev. Clarence Reisdorff, now assistant pastor in York, will succeed Msgr. Sherman at Benkelman, Stratton and Haigler.

The Rev. John Stefanov, now of St. Thomas' Orphanage and State Penitentiary chaplain, will become assistant pastor of St. Joseph's, York. Added to the St. Thomas' staff will be the Rev. John M. Hebert, present assistant pastor at St. Michael's, Hastings.

The Rev. Thomas L. Holoman, who has been administering the parish in Tecumseh, will be appointed assistant pastor of St. Michael's Parish, Hastings.

The Rev. Zygmund S. Rydz, diocesan director of music and music instructor in Lincoln Catholic schools, has been assigned also as State Penitentiary chaplain.

Msgrs. Wagner and Sherman have both recently been named as Domestic Prelates.

Keen Time Swim Set

Keen Time Klub will have a swim at the Muny Pool Friday, July 29 at 9 p.m.

The private swim, open to all Keen Time members, will be held after the pool is closed to the public.

Shurtleffs Appeal County Valuations

Eight petitions on appeal from Lancaster County Board of Equalization on 1955 real estate assessments have been filed in Lancaster District Courty.

Plaintiffs in the petitions are the Shurtleff Investment Company and members of the Shurtleff family.

They allege the actual valuation of their property, mainly apartment houses, is less than that determined by the equalization board.

The plaintiff, address of property, the board's assessed valuation, and valuation claimed:

Shurtleff Investment Co., 1626 D (Regent pts.), $60,555 $45,940; on part L 5 & 6, B 97, board increase of $26,425 to $28,465 claimed invalid; on 1229-1235 K, (Bryan Apts.), $20,195, $12,782.60; on 501 So. 13th (Manor Apts.), $34,060, $26,632.38; on 511 So. 13th (Roosevelt Apts.), $26,880, $17,659.67.

Woodrow B. and Donald O. Shurtleff, on 1317 L (Cornhusker Apts.), $19,130, $15,002.04.

17th, $34,340, $19,474.75.

Mrs. W. Bruce Shurtleff, on 645 So. Bruce K. Shurtleff and Mary Shurtleff Danley, on 330 300 So. 16th (Blackstone Apts.), $27,535, $19,753.45.

Incorporation Papers

The Selinized Process Co., Omaha, with authorized capitalization of $75,000, filed articles of incorporation Thursday with the secretary of state. Incorporators are Kathryn Hammond, David J. Phillips and Frank E. Hammond, all of Omaha.

Revision OKd

TOKYO (AP)—A bill for drafting jor revisions in Japan's no-war constitution passed the lower house of the Diet, 238 to 129, after an uproarious session. Conservatives wrangled with Socialists, who oppose revision, in a hot debate that embroiled Ichiro Hatoyama, the Conservative prime minister.

Strongbox Broken

A strongbox at Ring Auto Sales, 21st and R, yielded $13 to burglars when the office on the used car lot was entered through a jimmed door. Salesman Guy Dean said a desk drawer in the office was pried open.

Conduct Probed

FORT JACKSON, S. C. (INS)—"Questionable moral conduct" of members of the Women's Army Corps at Fort Jackson brought a hush-hugh Army probe.

Authorities confirmed that an investigation was underway, but refused to comment on rumors that circulated widely through the post. One rumor was that a number of WAC's were under barracks arrest.
